

Senior Class News

BY MARGARET PARRISH

After the play on Friday night, the Senior Class had a party at the Ford Plant for the Seniors and their dates. The entire faculty was invited, and the mascots attended, too. Cookies and all the "trimmings" were served. Plans are progressing on the Washington trip, and room and bus reservations have been made.

Barbara Ann Hollowell, daughter of Mrs. Ernest L. Hollowell, 108 East Carteret Street, was born in Edenton on May 17, 1934. Barbara has always lived here and attended this school.

Barbara likes to attend movies, take pictures, dance, eat, read, and write letters to Charles. She adds that she loves to see everybody around her happy.

Barbara is a member of the Tri-Hi-Y. She has been in the FHA and Band for three years. Barbara is in the Glee Club and will be in the Operetta this Spring.

Barbara is a part-time employee at Mitchener's Pharmacy. She attends the Edenton Baptist Church. Upon graduation, she plans to go into training to become a nurse. However, this is indefinite. Who knows! Chas. may change her mind!

Billie Earle Russell, daughter of Mrs. Charles F. Russell, 217 West Queen Street, Edenton, was born on November 30, 1934. Mrs. Russell is secretary for the Edenton Ice Company.

Billie likes to go swimming and sun bathing. She also likes to sew, dance, attend athletic events, and write to the University of North Carolina. Her favorite dish is French Fries.

Billie is a member of the Beta Club and the Monogram Club. She is secretary of the Student Council, and is on the Spotlight Staff. She is in the Glee Club and will be in the Operetta. Also, Billie was in the Senior Class Play. She has been in the band for three years. Billie was voted Neatest and Most Likely to Succeed in the Class of '53.

Billie is a member of the Edenton Baptist Church. At present, she has a part-time job with Elliott's Company. Upon graduation, she hopes to enter college and begin training to become an X-ray technician. Best of luck, Billie, in the coming years.

Don't blame your car for STALLING until you try this GAS

Esso Extra Gasoline now contains an added ingredient that helps prevent "carburetor icing" . . . one of the commonest causes of stalling. If your car stalls while the engine is warming up, wouldn't it pay you to try Esso Extra before you spend money on repairs that might not correct the trouble? Ask your Esso Dealer for full information.

If your car stalls in damp, cool weather (30° to 55°) during the first fifteen minutes of driving, the chances are the cause is carburetor icing. This is not the fault of your car. Mechanical adjustments can't cure it.

Esso Extra now contains built-in anti-freeze that virtually eliminates carburetor icing and the bothersome stalling it causes. It's especially good in cars with automatic transmissions,

where restarting after stalling is more troublesome. In addition, Esso Extra gives you a great all-around combination of qualities . . . quick starting, fast warm-up, high anti-knock, power, and long mileage . . . everything you need for Happy Motoring from the instant you touch the starter. Is it any wonder more motorists use Esso Extra than any other premium gasoline in the area served by Esso Dealers?

AVOID COLD-START STALLING... GET FASTER WARM-UP WITH ANTI-STALLING **ESSO** EXTRA

TRY UNIFLO® . . . the first real year-round, heavy-duty motor oil for high-compression engines. Helps keep new cars running like new. Approved by leading car manufacturers.

PROVED THE BEST ALL-ROUND GASOLINE FOR 9 OUT OF 10 CARS THE YEAR 'ROUND!
