

WASHINGTON—I have been very much interested in the reactions I have received from people in North Carolina to the investigation of Communism in schools and colleges. Our people have approved this investigation in no uncertain terms.

A history professor at a leading North Carolina college wrote to me a few days ago heartily approving what our Senate Internal Security Subcommittee is doing. He said, in effect, that he could not see why witnesses who have nothing to hide should object to efforts being made to weed out those who have something to hide about their association with Communism.

Among other things, this professor said: "I welcome such investigations because I am convinced there is Communism in education to an alarming degree. But the attempts of (some) professors to hide behind the one clause of the Constitution, which they hate, is very irritating. I do not see why men who are not Communists fear such investigations."

I am hopeful that we will have the cooperation of professors and teachers who are willing to help us make every effort to rid our schools and colleges of individuals who are bent on subversive activities.

One witness before our committee the other day told how about 70 individuals out of about 2,000 teachers have been running a Communist-dominated union because the loyal professors had not taken the time to attend the meetings and to assist in the forming of the policies of the union.

My longtime connection with higher education in North Carolina makes me certain that everyone in our State realizes that it will be my purpose to allow no unfairness to creep into any investigation that may be made in the field of education.

Certainly the loyal and honest teachers have nothing to fear. On the other hand, I feel that teachers with other inclinations ought to have much to fear.

SPRING AND VISITORS

Now that Spring is here, groups of high school students are beginning to come by our offices. It's always a pleasure to see them and their teachers.

My office is Room 345 of the Senate Office Building. Senator Hoey is in Room 337, just a few doors down the hall.

I hope that every school principal in North Carolina realizes that both Senator Hoey and I are always glad to assist in helping make arrangements for school classes to come to Washington. It occurs to me that perhaps some general information about the various activities in Washington would be helpful in making those plans.

Most hotels try to adjust their rates to benefit groups of children. One typical hotel charges \$2.75 per student per night (four in a room). Meals can be obtained for about \$3.00 a day.

However, it's important to make reservations well in advance. I might say, incidentally, that my office will be happy to assist in making those reservations.

Here are some facts you may need to know in making your plans, whether you're making individual plans or for a group:

This Week's Poem

By WILBORNE HARRELL

WET PAVEMENT

There's a sweet smell to wet pavement Glistening in the sudden sun That brings a nostalgic yearning When the springtime shower is done.

And vividly I live again Hallowed memories, parting's brief hour; Love as prodigal as the rain, As fleeting as an April shower.

Senior Class News

By MARGARET PARRISH

The Senior Class sponsored "Attend Some Church On Sunday" last week. Not only members of the Senior Class, but all students in Edenton Junior-Senior High School were urged to go to some church on Sunday. It was not meant for only last week, but all other Sundays as well.

Charlotte Virginia Small, daughter of Mr. and Mrs. Herbert S. Small, 607 North Broad Street, was born on May 11, 1935, in Chowan County. At present, Mr. Small is a farmer in Chowan County.

Charlotte is a member of the Tri-Hi-Y. She is also in the Glee Club, and was in the spring operetta. Charlotte has been in the F.H.A., Band and Dramatics Club in previous years.

Charlotte's first love is to drive. Everybody should know this by now, since she can be seen "sporting" the crowd around each Sunday afternoon. Charlotte likes to eat, sleep, dance, attend pajama parties and movies, and just loves to travel. She adds that the height of her joy is the thing she looks forward to each summer; that, of course, is her vacation in Maryland.

Charlotte is a member of the Edenton Baptist Church. Upon graduation, she will journey to Mars Hill to attend college there. (Best of luck, Charlotte, for you deserve the best!)

Margery Leon Thigpen, daughter of Mr. and Mrs. J. H. Thigpen, Oakum Street, was born on August 13, 1935, in Oconee, Georgia. Margery came to Edenton before she started to school. Mr. Thigpen is an employee of Brown's Lumber Company, Edenton.

Margery is a very busy girl as you will see. She is accompanist for the High School Glee Club and the Treble Clef Club. Also she is president of the Glee Club. Margery is president of the Beta Club and is on the Spotlight Staff. She is a member of the Tri-Hi-Y and Monogram Club. Also she is school pianist and played basketball for four years. Margery has been in the band and F.H.A.

Margery was voted Friendliest and Most Popular of the Class of '53. She loves to play the piano, dance, ride with a group of girls, talk and always to have something to do.

Margery is organist for the morning services at St. Paul's Episcopal Church, and organist for night services at the Edenton Methodist Church, where she is a member.

Upon graduation, she plans to enter East Carolina College, where she will major in Public School Music.

SENIORS ENTERTAINED

Mr. and Mrs. Stillman Leary entertained the Chowan Seniors Wednesday night, March 25, at their home at a buffet dinner in honor of their daughter, Julia Leary.

The home was decorated with mixed spring flowers. Mrs. Tommy Leary and Misses Ruth and Emily Leary assisted in serving the delicious meal.

Guests present were Mr. and Mrs. C. R. Darr, Little Johnny Winborne, Mascot; Marjorie Davidson, Norma Jane Harrell, Sarah Morris, Shirley Parks, Carolyn Wiggins, Marguerite Wilson, Tommy Hollowell, Jr., Melvin Howell, Sherlon Layton, Douglas Leary, Pearl Parks, Stanford Perry, Rufus Smithson, Jr., Clyde Williams and Kermit Williams.

Mrs. R. T. Frinks, Elizabeth L. Barnes, B. C. Newsome and A. B. Blaine, members of the Edenton High School faculty, are attending the N. C. T. A. as delegates from this school.

The Pasquotank Elementary School of Elizabeth City gave a band concert in the Edenton High School auditorium Monday, March 30, at 1:30.

CORN DEMONSTRATIONS

Bennie P. Monds, of Center Hill community, is planning to conduct a series of corn demonstrations this year. In one section the application of different forms of nitrogen will be made. Here will be used Anhydrous Ammonia, Ammonium Nitrate, Calcium Nitro or A. N. L. and Nitrate of Soda in comparison. Following the section will be a corn variety test demonstration using 15 to 20 different varieties of corn, most of which will have been approved and recommended for this area.

This work will be properly labeled so that visitors can observe it throughout the growing season and yield records will be obtained at harvest time.

Beauties in vain their pretty eyes may roll;
Charm strikes the sight, but merit wins the soul. —Pope.

Sweet Potatoes Topic For Radio Program

"Sweet potatoes is a profitable crop when good practices are followed" was the subject of a radio program on the Farm Hour over station WGAI in Elizabeth City on Monday afternoon. The use of good seed of good size was emphasized.

Listeners were urged to use seed of at least 1 1/2 inches in diameter and larger. Some of the other practices emphasized were proper bedding, seed treatment, seed selection and crop rotation of at least three to five years and field selection of seed in the fall at digging time.

If you take the name-calling out of some writing there is not much left.
