

Health Officer Calls Attention To Permit To Build Septic Tanks

Two Men Recently Indicted For Violating Ordinance

Dr. B. B. McGuire, District Health Officer, calls attention to two recent indictments for failure to obtain a permit before constructing a septic tank which is in violation of an ordinance passed by the District Board of Health on April 25, 1953.

In Chowan Recorder's Court on Tuesday, June 23, Ralph G. Hall of Edenton was indicted, but the case was not passed after Mr. Hall agreed to build the tank according to State regulations.

These regulations were designed to make certain that all septic tanks be built in such a manner as to protect the health of the family, the neighbors, and the general public, and to prevent pollution of streams by raw sewage.

J. P. Forehand of Camden County was indicted for starting construction of a septic tank without a permit. This warrant was withdrawn on the promise of the defendant that he would obtain a permit and build his tank according to the regulations.

It is hoped that all persons planning to build a septic tank in Camden, Chowan, Pasquotank and Perquimans Counties will first obtain their permit before starting construction.

Smith And Hollowell Wedding June 27th

The marriage of Miss Charlotte Gable Hollowell, daughter of Mr. and Mrs. Walter Gilbert Hollowell of Falls Church, Va., to Charles F. Smith EM/3 USN, son of Mr. and Mrs. C. F. Smith of Detroit, Mich., took place Saturday, June 27, at 6:30 P. M., in the Glen Carlyn Baptist Church, Falls Church, Va. The ceremony was performed by the Rev. J. C. Jones, pastor of the church.

Miss Marie Cherry played the wedding music and Miss Carol Schooler sang "Because."

The bride was given in marriage by her father. She wore a white shantung suit with matching shoes and hat with rhinestone trimmings. She carried a bouquet of white roses.

The two attendants were Miss Gloria Young, maid of honor, and Ronald De Mitchell, EM/3 USN, of Detroit, Mich., was best man.

A reception followed the ceremony at the home of the bride's parents, after which the newlyweds left for a northern and southern wedding trip.

Learning without thought is labor lost; thought without learning is perilous. —Confucius.

LEGAL NOTICES

REQUEST FOR BIDS

Sealed proposals will be received by the Mayor and Town Council of the Town of Edenton, N. C., until 2:00 P. M., (EST) Thursday, August 6, 1953, for the furnishing of materials for the construction of a Water Treatment Plant.

The construction work will consist

of the following:

SECTION IV WATER TREATMENT PLANT

Water Treatment Plant, including three pumping units, chlorinator, chemical machine and equipment, miscellaneous piping, building and water retention basin, all excavation and fill.

Proposals must be sealed and marked "Water Treatment Plant for the Town of Edenton, N. C." All proposals must be submitted upon the blank forms provided in the copies of proposal, contract and specifications.

Each bid must be accompanied by a certified check for five percent (5%) of the amount of bid made payable to the Town of Edenton, N. C. In lieu of the 5% certified check, the bidder may offer a bidder's bond in the amount of 5% of the bid. All checks to be drawn on a Bank or Trust Company insured by the Federal Deposit Insurance Corporation.

Plans, copies of the Proposal, Contract and Specifications, etc., may be obtained upon application to the Engineer. A set of plans and specifications are on file at the Office of the Associated General Contractors, the Office of the Mayor, and the Office of the Engineer. Plans and specifications will be forwarded the Contractor upon the receipt of a deposit of \$15.00, all of which will be returned upon the submission of a bona fide bid.

The bids for this proposed work will be received at the Office of the Mayor, Edenton, N. C., at which place, and at the time stated above, they will be publicly opened and read.

It will be the intention of the Town to award a contract for the construction of Section IV to one contractor. The right is reserved, however, to award a contract for the best interest of the Town of Edenton, N. C.

Consideration will be given only to bids of Contractors who submit evidence showing that they are licensed under "An Act to Regulate the Practice of General Contracting", ratified by the General Assembly of North Carolina on March 10, 1925, and so subsequently amended.

A performance bond is required in

an amount equal to 100 percent of the contract price, conditioned upon the faithful performance of the contract and upon the payment in full of outstanding indebtedness in connection with the construction of the project.

The Town of Edenton, N. C., reserves the right to increase or diminish the quantities given in the proposal and to award contracts which appear to be for the best interest of the Town. The Town also reserves the right to hold any and all proposals for a period not to exceed thirty (30) days from the date of opening thereof. The Town of Edenton, N. C., also reserves the right to reject any or all bids and waive informalities.

NOW! Ford Master-Guide the last word in Power Steering!

Master-Guide applies hydraulic steering power automatically... and in varying degrees as required... right at the steering linkage, close to the wheels. At the same time the system serves as a hydraulic shock absorber to keep road jars and jolts from your hands. As a result all you do is... guide the car... Master-Guide supplies the muscles.

It's the newest in a long list of Ford advancements that make this Ford the outstanding car for '53!

- No other car near Ford's price has ever offered you so much!
- Ford was the first in its field to bring you V-8 power. Today, Ford alone of all the low-priced cars offers you the smooth, unsurpassed performance of a V-8 engine. And Ford's Six—the most modern in the industry—with Overdrive, won the Grand Sweepstakes in this year's Mobilgas Economy Run.
- Ford first brought to the low-price field a completely automatic transmission that combines the smoothness of a torque converter and the gas-saving "go" of automatic gears. Fordomatic remains the most versatile automatic you can buy.
- Ford's new "ride" brings you road-hugging and bump-leveling qualities never before known in low-priced cars. Front end road shock alone has been reduced up to 80%.
- Easier-acting suspended pedals. Center-Fill Fueling and Full-Circle Visibility are just a few of the many important advancements first introduced by Ford.
- And now Ford brings you the newest and finest in power steering... Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More" car... worth more when you buy it... worth more when you sell it.

HELPS YOU OUT OF "TIGHT SPOTS!" The tougher the going the more Master-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to keep you on a steady course. At the same time, Master-Guide absorbs the shock that might otherwise be transmitted to the steering wheel. You'll find all handling is easier with Master-Guide and that parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard steering mechanism will operate just as usual. Thus, Master-Guide provides new ease and stability, with a natural feel and full security, wherever you may drive. Optional on all V-8 models of entire line.
