

News About Clubs In Chowan County

By MRS. IMOGENE COCHRANE
Home Demonstration Agent

Take Time To Be A Good Citizen
Home Demonstration Club members realize that learning to be better citizens in their homes, communities, counties, state and nation is just as important as any phase of homemaking. For this reason a Citizenship Program is incorporated in Home Demonstration Work as an essential part of the program. Although citizenship is something we all must practice day by day in all phases of our work, a definite program is set up each year, in order to keep us aware of our responsibilities and rights as individuals and help us become better citizens. September 17 was Constitution Day so we might think of September as Citizenship Month. Some of the clubs have had their members answer roll call this month by telling what constitutes a good citizen in their opinion. In observance of Constitution Day, a skit entitled "Our American Inheritance" was presented by the Enterprise Club at a County Council meeting.

Members were asked to write essays or skits this month pertaining to Citizenship. Below is an essay written by Mrs. H. T. Hollowell, of the Center Hill Club:

"Be A Better Citizen"

"September is Citizenship Month. The demand for loyal, courageous citizens is greater now than we have ever known. Let us, you and I, agree that none of us are so good a citizen that we can't be better. We must be well informed about our county government and know what is expected of a good citizen, our duties, our responsibilities and our privileges. We must enjoy our political rights. Let us do this. Knowing the qualities of a good citizen is a duty.

"The home is the basic foundation for good citizenship. The first lesson should be taught at the Mother's Knee. Each individual in the home should uphold good standards of conduct, have respect for rights and property of others, loyalty to each other, tolerance of others, cooperation, and self-reliance.

"The public school is to help all children and young people to grow as healthy, happy and useful citizens. It is here that the child is trained for living and intelligent thinking and for the kind of good citizenship that is based on strength and character.

"The church is important because of its task in the spiritual development of a citizen. Every citizen has a responsibility towards making the church the center of spiritual life.

"We must have love for the community in which we live. Every individual and every family should help their community be a better community.

"A good citizen tries to gain and keep perfect health, does his duty, tries to do the right thing in the right way, is kind, cooperates with his fellow workers, is loyal, has self-control, plays fair, is reliable, and is self-reliant.

"Our citizens need more praise and appreciation and less corrections. More praise and appreciation and less criticism. A good citizen is happy. Let's try to remember three words, acceptance, affection and appreciation. Let's accept each person on his own merits. Let's pour our affection like sunlight and fresh air. Let's praise and appreciate others. Let's not feel sorry for ourselves and think our task is bigger than our neighbors'. We must be better citizens and have faith that the citizens of the United States will work, save, vote, and pray to keep the four freedoms: The freedom of speech, the freedom of worship, the freedom from want,

Playing With East Carolina College

Above is pictured Al Habit, who this year will be playing an end position on the East Carolina College football team. Habit, a former Edenton High School star, is a transfer from Campbell Junior College. His pass catching and defensive play in drills has been outstanding, so that he bids fair to be among the best in the conference. He is six feet one inch tall and tips the scales at 210 pounds. Habit sustained a severely sprained ankle in Saturday's game with Wilson Teachers, which the Eastern Carolina College Pirates won by a score of 41-0. They meet Lenoir-Rhyne next Saturday.

the Enterprise Club. Also in keeping with the Citizenship theme Mrs. H. T. Hollowell, of the Center Hill Club, read the essay which she had written. Mrs. I. E. Halsey, Jr., presided at the meeting. At the close of the meeting delicious punch and cookies were served by members of the Enterprise Club. Also in keeping with the Citizenship theme Mrs. H. T. Hollowell, of the Center Hill Club, read the essay which she had written. Mrs. I. E. Halsey, Jr., presided at the meeting. At the close of the meeting delicious punch and cookies were served by members of the Enterprise Club.

Radio Program: Four members of the Center Hill Club presented a special 15 minute radio program on Citizenship, Thursday, September 17, at 12:45 over Station WGAI. Those taking part were Mrs. H. T. Hollowell, Mrs. Cameron Boyce, Mrs. B. P. Monds and Mrs. Carl Chandler.

Home Demonstration County Council Meeting: The Home Demonstration County Council met Thursday afternoon at the Chowan Community Building at Cross Roads with nine clubs represented. The program featured a most interesting skit on "Our American Inheritance" which was presented by Mrs. Scott Harrell of

Monday, September 28 — "County Sing" at 7:30, Warwick Church.

Thursday, October 1 — Center Hill Club at 2:30 at community building.

Edenton Runs Rough Shod Over Columbia

(Continued From Page One)

The Aces completely outclassed the visitors, chalking up 14 first downs to one, netted 226 yards rushing and 65 yards by passing. The Wildcats played in Edenton territory only twice during the game and the nearest they came to the Edenton goal line was 15 yards.

The Aces kicked to start the game, but Columbia was forced to kick. Cecil Miller went in fast to block the kick and it was the Aces' ball on the Columbia 18. Twiddy and Bass carried the ball to the one-yard line, from where Stilley crashed over for the first touchdown. Rogerson's kick for extra point was good.

After the Aces kicked the Wildcats were unable to gain and Combs was smothered before he could get a kick off. The ball see-sawed back and forth until late in the second quarter when Stilley returned the ball to the Columbia 37. Twiddy, Stilley and Harrison lugged the ball to the Columbia 5, from where Stilley crashed over for the second touchdown. Rogerson's kick was blocked.

Columbia kicked to start the second half. Twiddy returned to the 39 and later raced 23 yards to the Columbia 37. Bass and Byrum each chucked up a first down and with the ball on the 5-yard line Byrum flipped a pass to Campen in the end zone. The try for extra point failed. Near the end of the third quarter both teams fumbled, Bond recovering for Edenton on

the 22. Harrison gained 8 as the quarter ended.

Opening the fourth quarter Edenton was penalized 5 yards and then fumbled with Columbia recovering on the 15. The Wildcats could gain no ground so that the Aces took over on the 15. Byrum, Twiddy, Hall and Stilley together made two first downs, but the Aces were forced to punt. Columbia also kicked with Edenton having the ball on the Columbia 30. Wright picked up four yards and Harrison drove to the 18 for a first down.

Stilley then bulled his way to the 9 and then drove over for the fourth touchdown. Rogerson's kick for extra point was good. Edenton kicked and Columbia passed for five yards as the game ended.

On defense Ray Rogerson, Cecil Miller, Lynn Bond and Bill Hardison played the best game.

Let the thought of self pass in, and the beauty of a great action is gone like the bloom from a soiled flower.
—James A. Froude.
