

Hertford's Indians Scalp Edenton Aces To Tune Of 50 To 12

Local Outfit Outclassed In Every Department Of Game

Greatly outclassed in every department of the game, Edenton's Aces were no match for a big, strong and experienced Perquimans High School football team on Hicks Field Friday night when the Indians won a lopsided game by a score of 50 to 12.

The Indians chalked up 15 first downs for a total gain of 211 yards and completed six of 12 passes for 172 yards. The Aces made 11 first downs, mostly with the Indian reserves in the lineup, for 180 yards and completed only one pass for 24 yards.

Edenton's two touchdowns were scored in the final quarter when Coach Ike Perry sent in his reserves. Both touchdowns were scored by Jimmy Harrison, when he plunged over from the 13-yard line and later raced 63 yards.

The Indians scored their first touchdown early in the first quarter when Morris crossed the line after four successive first downs and from that point on it was easily apparent that the Indians were by far the better team and the outcome little in doubt. They added two more touchdowns in the second quarter, one in the third quarter and four in the fourth quarter, even with reserves playing part of the time.

While the Indians had a well balanced team, they had several outstanding players in Johnny Morris, Howard Williams and Paul Mathews. Quarterback Morris played a wonderful game and directed play like a seasoned veteran. Williams was as good a runner as has been seen on Hicks Field all season. He was a hard man to stop, driving consistently for substantial gains and at times requiring four or five Aces to stop him.

The entire Hertford team played an inspired game with Morris scoring three touchdowns; Eugene White, two; Williams, Towe and Ted Chappell, one each.

Harrison, Whitson, Bass and Wright were the principal ground gainers for the Aces.

A community cannot grow beyond the vision of its leaders.

Executive Meeting For TB Association Held

An executive meeting of Pasquotank-Perquimans-Camden-Chowan Tuberculosis Association was held Tuesday night of last week in the Municipal Building in Hertford. Roland Garrett, president, presided over the meeting.

Dr. Allen Bonner, treasurer, reported a balance of \$3,960.76 in the bank. The minutes of the last meeting were dispensed with since all received minutes prior to the meeting. Mrs. Duke Cropsey, executive secretary, gave a report on the two meetings that she had attended and on the activities of the association.

A report on 1,640 X-rays made in the four counties and of this amount, 1,440 of these were made in the Health Department since April, 1953.

Twenty-nine patients with tuberculosis from the District were in the sanatorium.

Thirty-two patients were at home. Members of the executive board discussed the long waiting period that patients from their counties had before beds were available in the State Sanatoriums.

Progress in the letters and seals that were mailed November 16 was reported and that all letters were to be mailed from the district office but were to be stuffed by volunteers from the four counties, that each county would have a Seal Sale chairman and a goal set for each. Mr. Garrett re-

mind the Board that before a goal was set that the mass X-ray units would be here in June, 1954 and that with the already heavy case-finding load a heavier one would be expected for follow-up on the retakes.

The members were in favor of a Dutch dinner for the Board members in the early part of November. Date would be set later and members notified.

Present for the meeting were: R. L. Garrett, president; Dr. Allen Bonner, treasurer; J. F. Pugh, secretary; L. S. Byrum, W. J. Taylor, Ralph Farish, Phillip Meekins, J. W. Ward, J. H. Moore, Charlie Ward, Jr., Mrs. David Fearing.

The PTA of White Oak Consolidated School held its regular monthly meeting in the Library of the School on Tuesday, October 20. An overflow group of enthusiastic parents attended the meeting.

The officers for the 1953-54 PTA were elected and installed. The officers are: David L. Felton, president; the Rev. E. S. Parker, vice president; Mrs. Mattie Jordan, secretary; Mrs. Elenora Copeland, treasurer. Clinton Jordan was named chairman of the Program Committee. Walter Twine is chairman of the School Problems Committee.

The PTA Project for the 1952-53 term was concluded with the final payment having been made on the playground equipment. The 1953-54 project was discussed.

The staff of the school acted as host for the evening and served a tasty repast.

Few smokers believe that tobacco does them any harm.

Welfare Institute At Raleigh Nov. 5 And 6

Every section of North Carolina will be represented at the 34th annual Public Welfare Institute to be held in Raleigh, November 5 and 6. Among the 500 persons with lay or professional interest in public welfare who are expected to attend will be members of the staffs of county welfare departments.

Sponsored by the State Board of Public Welfare, the Institute program will include outstanding speakers from over the State and elsewhere. Several annual meetings of organizations with related interest will be held during the two days. The Institute begins at 9:30 Thursday morning, November 5 and ends at noon on Friday.

David Felton Elected President White Oak Parent-Teacher Group

The PTA of White Oak Consolidated School held its regular monthly meeting in the Library of the School on Tuesday, October 20. An overflow group of enthusiastic parents attended the meeting.

ARTHROITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

It's the RIGHT CAR!

You're looking at the car that's proved the right car for hundreds of thousands of people like you because it fills their needs so perfectly. For beauty, Pontiac offers the Silver Streak distinction that is recognized and admired everywhere. For all-around performance, you can't match the power and stamina of Pontiac's rugged, high-compression engines at anywhere near the price. And Pontiac's dependability and long-lived economy are a matter of record. For important value extras, Pontiac's your car!

It's the RIGHT PRICE!

Dollars-and-cents decide the issue for 'most all of us in making major purchases. But the price of a Pontiac will never sway you from buying the right car, for the price is right, too! Pontiac engineers discovered long ago that—for very, very few extra dollars in price—they could offer a great deal of extra quality. As a result, Pontiac—big, beautiful, luxurious, fine-performing Pontiac—is actually one of America's lowest-priced cars. Come in and see how easy it is to own!

It's the RIGHT TIME!

Your present car will never be more valuable as a trade-in than it is today! So don't wait a week, a month or a season to start enjoying all the pleasures of Pontiac ownership. Come in now and discover Pontiac's real extra value—that "Dollar for Dollar you can't beat a Pontiac" never meant more than it does today!
