

### Mrs. Ernest Leary Auxiliary Speaker Tells Members About Radio Free Europe At Meeting

The Women's Auxiliary of St. Paul's met in the Parish House Thursday night. All committee chairmen made good reports and Mrs. L. A. Patterson, chairman of the annual bazaar, to be held November 17, made a final appeal for donations.

The speaker for the meeting was Mrs. Ernest W. Leary, whose subject was "Radio Free Europe." Mrs. Leary has returned from a tour of European countries, including West Germany, where she visited in the home of her niece, whose husband is the director of Radio Free Europe.

Mrs. Leary stressed that Radio Free Europe was not to be confused with the Voice of America. It differs in that it is supported by private subscription from the American people and is their answer to the Kremlin's despotic rule. Its purpose is to pierce the Iron Curtain with messages of moral and practical value, thus taking the fight to the enemy's camp.

The offices of Radio Free Europe are largely located in Munich, where a campaign of psychological warfare is conducted against the communist regimes in six areas, Czechoslovakia, Poland, Rumania, Hungary, Bulgaria and Albania. Short wave and medium wave transmitters broadcast 480 hours a week to the six target countries. The programs are varied, suitable to all classes. News, she says, is a precious commodity in the captive countries and is broadcast around the clock. Mrs. Leary said the primary purpose of these programs to the captive peoples is to sustain their hope of gaining their national freedom and individual liberties and to encourage the eventual restoration of these freedom-loving peoples to the free world.

It was felt that Radio Free Europe could deliver its message most effectively, and at the same time promote American ideas and an understanding of America and the interests of the American people if it spoke with the voice and authority of exiles from behind the Iron Curtain. Therefore, Radio Free Europe developed a network of six stations where exiles from the captive countries speak to their own peoples in their own idiom.

That the plan has been a success is evident from letters to Radio Free Europe from listeners behind the Iron Curtain and from broadcasts from the

communist regimes bitterly attacking Radio Free Europe and broadcasting death threats to Radio Free Europe personnel in West Germany.

Mrs. Leary attended some of the broadcasts and met and talked with some of the exiles. She feels that they are dedicated to their task and that Radio Free Europe has become a potent weapon in the battle for men's minds.

### Senior Hi-Light

By EDNA BOSWELL

The class of '54 got a peek at the graduation invitations last week, and although they haven't been ordered yet, everyone is well pleased with the samples. Tears were even seen in some of the eyes as they looked over the invitation.

Clifford Overman, president of the class, has sent to every Senior parent an invitation to visit our school today (Thursday) in honor of American Education Week. We sincerely hope they will accept this invitation and we extend not only to the Senior parents, but to every student's mother and father a cordial welcome to Edenton Junior-Senior High School. We would like to emphasize the fact that this occasion provides an unusually good opportunity for parents to meet and talk with the people who teach their children, and to observe the condition under which their children go to school.

Hazel Elliott and Ralph Hall have been selected to be interviewed this week.

Daughter of Mr. and Mrs. J. M. Elliott, Hazel was born in Edenton on December 11, 1935. She is treasurer of both the Senior Class and Beta Club, a member of the band and vici-president of the Tri-Hi-Y. Sports and music are her main interests. Next fall Hazel plans to study medicine at Wake Forest College.

Ralph was born in Burnsville, West Virginia, and later moved to Edenton from Clarksburg, West Virginia. He is the son of Mr. and Mrs. Ralph R. Hall. He plays football, is a member of the Monogram Club and likes to hunt. After graduation Ralph will enter Indiana Technical College to take up civil engineering.

### Durable Pastry

A certain small restaurant was kept by a man who prided himself on his cooking. He was amazed to hear a young salesman criticize a pie one day.

"Pie, young feller? Why, I made pies before you were born."

"O. K. But why sell 'em now?"

### Wedding Solemnized In Elizabeth City Satur- day Afternoon

The marriage of Helen Hassell Cabaniss and S-Sgt. Franklin Gerald Ausmus was solemnized Saturday afternoon at 5 o'clock in the First Baptist Church at Elizabeth City. The Rev. W. W. Finlator, pastor of the church, officiated in the double ring ceremony.

The bride is the daughter of Mr. and Mrs. W. E. Hassell of Edenton and the bridegroom is the son of Mrs. Ellen Blankenship, of Riddle, Oregon, and the late Mr. Ausmus.

The bride wore a champagne pink dress, with brown accessories and an orchid corsage. Mrs. Lucille Yeeter was matron of honor and the only attendant. She was adorned in a rose beige dress with brown accessories.

Acting as best man was Cpl. Claude J. Herr of the Edenton Marine Base. Mrs. Ausmus attended school in Creswell and Sgt. Ausmus was graduated from the Riddle High School in Oregon. He is stationed at the Eden-

ton Marine Corps Air Base.

Immediately following the ceremony the couple left for a wedding trip along the Skyline Drive and upon their return will be at home at 206 E. King Street.

### Goldsboro Trounces Edenton Aces 52-0

Edenton's Aces journeyed to Goldsboro Friday night, where they lost to

the Northeastern Conference gridders by a lopsided 52-0 score.

The game was played with a cold and strong wind whipping across the field, which not only chilled the players but the comparatively small crowd of spectators who braved the elements to watch the game.

Fumbles were frequent during the game which was attributed to the cold weather, but the Goldsboro boys outplayed the Aces in every department of the game.
