

Methodists Join In National Crusade

Effort Will Be Made to Increase Church Attendance

Members of the Edenton Methodist Church are cooperating in a nationwide church attendance crusade which is being promoted throughout Methodist America. More than 100 Annual Conferences having nine million members in more than 40,000 churches and served by more than 25,000 pastors are involved in the crusade which began last Sunday and will run through Easter Sunday, April 5.

The Council of Bishops of the Methodist Church has planned this nationwide church attendance crusade and called upon all members to cooperate in it. The North Carolina Conference and the Elizabeth City District have endorsed it and have set up proper organization to support it.

In calling for this crusade, the Council of Bishops said in part, "A large percentage of the members of the Methodist Church do not attend regularly the Sunday services in their churches. Many attend infrequently or not at all. It is evident that a new birth of spiritual life for the entire church depends in part upon a devotion to regular and systematic attendance by a large percentage of those who are counted as Methodists. It is our earnest conviction that a church attendance crusade will strengthen the spiritual life of a countless number of members of the church and stimulate many thousands of church members to begin the regular habit of church attendance."

In connection with the crusade, a meeting of the Evangelism and Membership Commission of the Edenton Church will meet at the parsonage tonight (Thursday) at 7:30 o'clock.

Record Egg Production Reported In November

Commercial hatcheries in North Carolina produced 5,501,000 chicks during November—a new record high output for that month. The November hatchings were 56 per cent above the November 1952 hatchings and 97 per cent above the 1947-51 November average production.

Chick output continued at a record high rate for the first 11 months of 1953 with the total production for this period already exceeding the revised 1952 annual total output. Chicks hatched during January through November this year total 63,817,000 compared with 55,723,000 chicks produced during the same period last year.

SPLIT PEA SOUP
2 cups dried split peas or lentils
8 quarts water
1 ham bone (about 1 pound)
1 large onion
3 to 4 cups tops
1 carrot, halved
1 teaspoon salt
¼ teaspoon pepper

Combine all ingredients. Simmer 8 hours. Stir occasionally. Remove bone. Put vegetables and broth through a sieve. Out any bits of ham into small pieces and put back into soup. Taste for additional seasoning if necessary. Makes 8½ quarts. This is excellent reheated.
