

An Interesting Skit Features PTA Meet

Opera "La Boheme" Will Be Presented on March 4th

An interesting skit entitled "Fresh Variable Winds" featured the January meeting of the Edenton Parent-Teacher Association, with the following participating: Lena Jones, as the understanding aunt; Frank Holmes, the average father; James Byrum, the normal son; Mrs. Frank Holmes, the self-centered neighbor; and her daughter with the warped personality, played by Frances Holton.

Following the skit, which was thoroughly enjoyed by those present, a very enlightening discussion was led by the Rev. Gordon Bennett.

Two forthcoming plans were presented by the finance department, including a supper to be served to the public in the high school cafeteria preceding the "faculty-varsity" basketball game on Friday, February 5; and the presentation of the opera "La Boheme" (in English) by the Grass Roots Opera Company on March 4. There will be two performances of the opera, one in the afternoon for school children and the other in the evening for adults.

The attendance award for the month was won by the kindergarten class of Mrs. John White.

The regular February meeting of the PTA will be held in remembrance of "Founder's Day," and all fathers are particularly urged to be on hand. Principal Gerald James will present a program on "class promotion" in rebuttal to the address given by A. P. Godwin at the October meeting. There will also be a generous pouring of coffee at the meeting.

Training School For Club Music Leaders In E. City Monday

A music and officer training school for home demonstration club leaders will be held Monday, January 25, at the First Baptist Church in Elizabeth City, beginning at 10:00 A. M. All County Council officers, district officers, county music chairmen and music leaders from each home demonstration club in the county are urged to attend the meeting.

Much of the success of the 1954 home demonstration music program in the county depends upon the number of leaders who attend this meeting and receive the training, so each club should make a special effort to send a representative.

Health Officer Urges Payment Of '54 Seals

The District Health Department strongly urges all people in the four counties to hurry payment for seals and bonds. Effective control of tuberculosis has been given a big boost through formation of the Four County (District) Tuberculosis and Health Association. Funds for their activities are furnished solely through contributions.

A total of 2,574 X-rays were made in Elizabeth City in 1953. Some of these people paid \$1.00 to cover cost of the film. All colored prenatal patients and all white and colored persons attended the cancer clinic are given a free chest X-ray.

The district-wide mass X-ray survey will be held in June-July, 1954. This will be an added expense.

"Please remember that your home and no home in our district is safe from tuberculosis until all homes are safe," says Dr. B. B. McGuire, District Health Officer. "So please rush your check to your county seal sale chairman. It is a privilege to do this."

J. J. Boyce Elected To School Committee

At the January meeting of the Chowan County Board of Education the resignation of Carey Hollowell from the school committee was accepted and J. J. Boyce was unanimously elected to succeed him.

Mr. Hollowell resigned by reason of being appointed a county commissioner to succeed the late E. N. Elliott.

Edenton High Drops Games To Ahoskie

Ahoskie's basketball teams defeated the Edenton teams by comfortable margins in the local gymnasium Tuesday night.

In the first game the Edenton girls lost 51-34. The teams played on about even terms during the first half, which ended in a 22-22 tie. However, the visitors gradually forged ahead, leading at the end of the third quarter 33-26 and finished 51-34.

The boys also played on even terms in the first quarter which ended 17-16 in favor of Ahoskie. The Aces became less accurate in finding the basket, so that Ahoskie went ahead 32-28 at half time. At the end of the third quarter the visitors were out in front 46-33 and finished the game 63-43.

STOCKHOLDERS' MEETING OF COTTON MILLS FEBRUARY 10
