

Woodland Can Be Turned Into Income

L. E. Francis Starts a Demonstration on Advance Farm

"Farm woodland in Chowan County can easily be made to pay four to five times as much income as it has been paying," says County Agent C. W. Overman. "We have thousands of acres where the pines have been cut out leaving no large seed trees to produce immediate supplies of seed. Before the younger trees are able to reach good seed production growth, which may be five to ten years, the area is taken over by scrub hardwoods, reeds and other undergrowth, making it impossible for seedlings to grow."

Louis E. Francis of the Advance community is starting a demonstration on his farm, near Macedonia Church, to prove the practicability and profitableness of controlling the hardwoods and establishing pines. The demonstration area is divided into five one-tenth acre plots. The hardwoods on each plot will be killed out by poisoning with chemicals and cutting down the very smallest growth. One plot will be left as is for a check plot, adjoining the demonstration area. Half of each of the five plots will be planted with pine seedlings, the other half being left for natural seeding to show the difference between the two. Accurate costs on value of labor and materials involved will be kept so that we will know exactly what is required per acre. Specialist W. T. Ellison is cooperating with the County Agent in assisting Mr. Francis with this work.

News About Clubs In Chowan County

By MRS. IMOGENE COCHRANE Home Demonstration Agent

The County Council of Home Demonstration Clubs met last Thursday at the Chowan Community Building with twenty-two officers and leaders attending. Mrs. I. E. Halsey, Council President, presided. The March of Dimes Drive was discussed and the Community Service Leaders, which have been appointed for each club with the aid of other members will be in charge of the drive in their respective communities. The leaders are as follows: Advance—Mrs. Gilbert Harrell; Beech Fork—Mrs. I. E. Halsey, Jr.; Byrd—Mrs. C. W. Overman; Center Hill—Mrs. H. T. Hollowell and Mrs. Roy Lane; Chowan—Mrs. E. L. Winslow; Enterprise—Mrs. Edward Hare; Gum Pond—Miss Beulah Evans; Oak Grove—Mrs. Carlton Privott; Ryland—Mrs. Gordon Boyce; Rocky Hock—Mrs. Henry Bunch and Mrs. H. H. Lane; Ward—Mrs. A. D. Ward, Sr. If you have not been contacted and have not contributed to the March of Dimes, please contact one of these leaders in your community.

The club members were reminded of the monthly radio program over Station WGAI at 12:45 and a schedule was presented.

All club publicity chairmen were urged to send in news articles about their clubs and community activities at least once each month. This is most important if we are to keep the public informed as to what our clubs are doing.

The Red Cross Nurses' Aid Course was also announced and the members encouraged to participate. This is sponsored by the Hospital Auxiliary and will meet each Monday night at 8:00 at the Nurses' Home.

The meeting was highlighted by a program presented by James Morda and Vandy Parks, 4-H members from Chowan, who gave an interesting report, using colored slides of their trip to National 4-H Club Congress in Chicago. James was State 4-H Tractor Maintenance winner and Vandy was State Corn Production winner. Robert S. Marsh, Assistant County Agent, introduced the boys.

Eight home demonstration club members, accompanied by the home agent, attended a District Music and Officer's Training meeting at Elizabeth City on Monday, January 25. Mrs. Vernon James, State Music Chairman, outlined the 1954 music program for the clubs and the members heard a number of music leaders' reports which they will be using in their local clubs this year. Miss Pauline Bell and Miss Bobby Pritchard, Music Advisors of the Department of Public Instruction, trained the leaders in conducting group singing and church music which proved to be most informative as well as enjoyable.

Mrs. I. E. Halsey, Jr., Chowan County Council President, attended the Officers' Training School which was conducted by Mrs. Verona Langford, Eastern District Home Agent. The members who attended the Music Training meeting from Chowan County were: Mrs. W. H. Saunders, County; Mrs. W. H. Saunders, County; Mrs. Rodney Harrell, Enterprise; Mrs. Rufus White, Rocky Hock; Mrs. Gilbert Harrell, Advance; Mrs. C. W. Overman, Byrd; Mrs. O. M. Blanchard and Mrs. Davis, Ward.

Schedule
Center Hill Home Demonstration Club—Joint meeting (men and women) Thursday night, February 4, at Community Center, 7:30 P. M.

Tenant House On A. B. Griffin Farm Burned

Fire broke out in a tenant house on the A. B. Griffin farm in the Cowpen Neck section Monday afternoon, which totally destroyed the frame house and all its contents.

The house was occupied by a colored family, Dennis White, his wife and five children. All of their belongings except one chair was consumed by the flames.

The Edenton Fire Department answered a call for help, but arrived too late to save the house. However, they were able to prevent the fire from spreading to a smoke house.

Asa Griffin, for whom the colored

family worked, expresses his appreciation to the firemen for their services and will also appreciate any contributions of clothing and furniture so the family can again resume house-keeping.

"LIVE" Touch-o-matic Hydraulic Control

..Yours, as Regular Equipment, in the New JOHN DEERE "40" Series Two-Plow Tractors

Big advantage of Touch-o-matic, the time-proved John Deere hydraulic control system, is its immediate, split-second response to a touch of the driver's hand. Just as long as the tractor engine is running you have "live," high-pressure lifting power at your instant command, whether the engine clutch is engaged or not, whether the tractor is moving or standing still.

Touch-o-matic is just one of the many outstanding features we want to show you in the new John Deere "40" Series Tractor. Just a word from you and we'll be glad to demonstrate this and the many other new "40" Series features, including 3-point hitch, Load-and-Depth Control, as well as the wonderful new convenience and comfort built into each tractor.
