

Helen Louise Barrow Weds Lt. Pressgrove

Wedding Solemnized In Baptist Church Saturday Afternoon

In an impressive candlelight ceremony at 4 o'clock Saturday afternoon, February 20, in the Edenton Baptist Church, Miss Helen Louise Barrow became the bride of Lieutenant Dean Wesley Pressgrove, with the Rev. R. N. Carroll officiating in the double ring ceremony.

Prior to the ceremony a program of wedding music was presented by Miss Agnes Chappell, organist, and Mrs. Lynn Boswell sang "I Love You Truly" and "The Wedding Prayer."

The bride is the daughter of J. W. Barrow of Edenton and the bridegroom is the son of Mr. and Mrs. A. W. Pressgrove of Kansas, Missouri.

Given in marriage by her brother, Jack Barrow, the bride wore a street-length dress of light blue chrom-spun taffeta with V-neckline and a fitted tuck bodice with full skirt and matching hat. She carried a nosegay of white carnations, centered with an orchid.

Miss Betty Jean Bowsard of Columbia, S. C., was the maid of honor and only attendant. Mistress of ceremony was Mrs. Percy Smith of Edenton.

The bridegroom had as his best man Henry DeFord of Dallas, Texas, and the ushers were Keith Vascunellus of San Francisco, Calif., and Richard Tulare of St. Louis, Missouri.

Immediately following the ceremony the couple received guests in the vestibule of the church. Later they left for a Northern wedding trip and upon their return will make their home in Edenton.

The bride was graduated from Edenton Junior-Senior High School and is now employed as a bookkeeper at The Bank of Edenton.

The bridegroom was graduated from Morrison Junior High School and attended Junior College in Kansas City. He entered the Marine Corps in 1947 and at present is stationed at the Edenton Auxiliary Landing Field.

An informal cake cutting was held Friday night at the home of the bride on Johnson Street for members of the wedding party and friends.

The bride was honored at a miscellaneous shower given by Miss Doris Layton and Mrs. T. C. Cross, Jr., at the latter's home on North Broad Street on Thursday night, February 11th.

Mrs. Evelyn Jackson presided at the meeting and called for committee chairmen to submit their yearly report to her before March 1. She appointed committees to serve at the benefit breakfast and announced that the 30th anniversary of the National Federation of Business and Professional Women will be held in St. Louis, Missouri, June 27-July 2.

Mrs. Anne Jenkins, legislative chairman, read a letter to Congressman Herbert Bonner, in which he was asked to give his support in voting The Equal Rights Amendment, without the Hayden Rider, during the current session of Congress.

It was announced that \$358.82 was realized on the presentation of the Follies of '53. Mrs. Myrtle Cuthrell asked those selling tickets for the

Conservation Poster Contest Under Way

(Continued From Page One) \$15.00 will be awarded to the winner of each grade and a prize of an additional \$5.00 will be awarded the winner of all grades. The winner of all grades will be declared the county winner.

Except for the county winner prize, competition in the Conservation Poster Contest will be by grades.

The fourth grade in the Edenton Elementary School will compete with the fourth grade in the Rocky Hook Elementary School and the fourth grade in the Chowan Elementary School to determine the fourth grade winner. The fifth and sixth grade winners will be determined in the same manner.

The fourth, fifth and sixth grade winners will compete for the winner of all grades or the county winner.

In determining the winners, it was decided that the teachers of the fourth, fifth and sixth grades in each school will select the two best posters in their respective grades. The two posters picked from each grade in each school will be submitted for final judging to determine grade winners and winner of all grades.

It is requested that no names—either of the participant or of the school—be written on the posters presented for final judging. Names

should be written on a slip of paper which may be clipped to the posters. The posters will be coded by numbers prior to the final judging.

A group of people have been suggested for selection as judges but they have not been determined as yet.

The Supervisors of the county and of the Albemarle District feel that a contest of this type will be of assistance to the schools in the teaching of how conservation work is done for the protection and better use of our natural resources. The Supervisors also feel that conservation education can very appropriately begin with the younger pupils of the elementary schools.

Mr. Bunch stated that although the Soil Conservation District is primarily concerned with the maintenance and improvement of the soil and water resources of the county, the participants in the Conservation Poster Contest may use any subject dealing with the conservation of our national resources.
