

News About Clubs In Chowan County

By MRS. IMOGENE COCHRANE
Home Demonstration Agent

One of the most important as well as interesting activities of the girls' 4-H program is the Dairy Foods Demonstrations. Why a program on Dairy Foods, especially milk? Milk is recognized as one of the most important foods for all ages, yet, far less than one-half of the people in North Carolina use enough milk and other dairy products. The picture is even worse for teen-agers. We also realize that food habits of young people determine to a great extent the health and welfare of middle and later life. The Dairy Foods program can help to sell the idea of milk to the general public, as well as acquaint the public with what 4-H Club work teaches. Most important of all giving demonstrations helps to develop individual girls which is one of the objectives of 4-H Club work.

The Dairy Foods Demonstration program has been discussed in all of the 4-H Club meetings with the 4-H Club girls and adult leaders. There will be a county-wide dairy foods demonstration contest for the Junior Club girls or the girls under 14 years old, and a contest for the senior girls, these 14 years old and over. An elimination contest will be held in each club to select the best team to enter the county contest. Approximately fifty girls have begun working on their demonstrations. The contests will be held sometime the last of April.

A dairy foods training meeting was held recently to train adult 4-H Leaders, in order that they might be better prepared to assist the girls in their communities with the demonstrations. We now have the following local leaders who have volunteered to assist the 4-H girls with their demonstrations as well as other phases of 4-H Club work: Mrs. Jarvis Skinner, Advance Community; Mrs. Russell Byrum, Enterprise; Mrs. Levy Nixon, Gum Pond; Mrs. H. H. Lane, Ryland; Mrs. Carlton Privott and Mrs. Elbert Peele, Oak Grove; Mrs. Rufus G. White and Mrs. Roland Evans, Chowan; and Mrs. James Ward, Gliden. We appreciate the work of these local leaders for we realize it would be impossible to carry on a good 4-H program with all of its many activities without their assistance.

Girls and leaders, the Dairy Foods program is a big one. It is a challenge and an opportunity to help lick the problem of the people in Chowan County not getting enough milk each day. Let's make this year one of the best in the Dairy Foods Demonstration program.

Why value-wise buyers are swinging to Ford!

They are finding that Ford brings them everything they might want to meet modern tastes and requirements

You can't buy better! It's the stunning Customline Fordor Sedan.

*Ford's the only low-priced car
with all these "Worth More" features*

Recognized leadership in styling

You can pay more but you'll never find a car that's more "at home" wherever you may drive it. For the smart new '54 Ford is as modern as tomorrow with the crisp, commanding lines of today's style leader. And it's just as smart inside! The sparkling new decorator-designed interiors have colorful new upholstery fabrics and harmonizing trim that spell quality wherever you look.

Choice of most modern engines

Ford and Ford alone, in the low-price field, offers you a choice of V-8 or Six... the brilliant new 130-h.p. Y-block V-8 or the flashing new 115-h.p. I-block Six. Both Ford engines have rigid, extra-deep blocks for smoothest, quietest operation and extra-long life... plus the

savings and "GO" of modern, high-compression, short-stroke, low-friction design.

Ball-Joint Front Suspension

For the first time in any low-priced car, you get the smoother riding and easier handling of Ball-Joint Front Suspension — an advance you'd expect to find only in the costliest cars.

Choice of 5 power assists... including Fordomatic

Only Ford in the low-price field offers power on all four windows... a 4-way power seat which adjusts up and down as well as forward and back. Power steering, power brakes and versatile Fordomatic Drive are also available — and they make your fine Ford even more fun to drive.

Choice of 28 new models

With fourteen stunning body styles available with either of Ford's new engines, Ford offers a car to suit every taste and need. In fact, for '54, Ford offers the widest selection of models in the entire industry!

Top value at resale

Used car prices show that in recent years Ford has consistently returned a higher proportion of its original cost at resale than any other car. And for 1954, with all its advanced new features, Ford is worth even more when you buy it... and it stands to reason it should be worth more when you sell it, too.

We cordially invite you to
