

## News About Clubs In Chowan County

By MRS. IMOGENE COCHRANE  
Home Demonstration Agent

Twenty-five Home Demonstration Club members from the various clubs throughout the county with the Home Agent journeyed to Manteo last Thursday for the 25th District Federation Meeting of Home Demonstration Clubs. Approximately 375 club members from the seven counties composing the 25th District gathered at the Assembly Hall of the 4-H Club Camp for the annual event. Mrs. J. P. Morgan, District President, from Currituck County, presided at the meeting. Dr. Landis S. Bennett, Head of the Visual Aids Department at State College, was guest speaker and gave a very interesting report of his recent tour of Italy, using many beautifully colored slides which he had made while in Rome, Venice and other points of interest throughout Italy.

Mrs. Scott Harrell from the Enterprise Club presented the District Report of projects and activities conducted by the various counties. She used color slides made in the counties to illustrate her report.

At the close of the meeting Mrs. Verona J. Langford, retiring Eastern District Home Agent installed the new officers for this year. Mrs. H. T. Hollowell, from the Center Hill Club, will represent Chowan County as Secretary for the District.

Mrs. Mary Em. Lee, Extension Clothing Specialist, from Raleigh, conducted a Clothing Training Meeting last Wednesday at the Cross Roads Community Building for adult 4-H leaders and 4-H girls who are planning to enter the 4-H Dress Revue. Miss Lee discussed the many phases of the 4-H Clothing project and presented a very interesting and helpful demonstration on the selection and construction of clothing. She also showed the group an assortment of attractive spring suits and dresses, from which the girls received many good ideas for outfits to make for the Dress Revue.

## 4-H Public Speaking Program Is Renewed

The 4-H Public Speaking program, in which thousands of boys and girls throughout the nation have learned how to speak convincingly, has been renewed by the State Extension Service for 1954.

This is the fifth consecutive year that the Pure Oil Company has provided the awards in this program.

County and state awards are offered by the donor in 26 states. County-wide public speaking finals will be arranged by Extension agents, and the outstanding boy and girl in each county will receive a gold-filled medal of honor. The state awards are a 19-jewel watch for the high ranking boy, and a set of silverware for the top rating girl.

In addition, two college scholarships of \$300 each, and two all-expense trips to the 33rd National 4-H Club Congress in Chicago next November will be awarded to a 4-H boy and girl selected from the state winners. All states are eligible to submit candidates for these national awards.

## Top Hit of the '54 season

Take a look at America's new heart throb, the new Ford Skyliner! It's the "hardtop" that gives you that wonderful outdoor feeling. And its new tinted transparent roof section is another Ford "first" in the low-price automobile field.

There's pace-setting style in the clean, honest lines of its Crestmark Body. And the color-harmonized interior matches exterior beauty in a most

charming manner. What's more, there's restful comfort beneath the smart upholstery . . . in the foam rubber seat cushions and deep pillow seat backs.

And as in all 1954 Fords, you choose from the most modern engines in the industry; the new 115-h.p. I-block Six or the new 130-h.p. Y-block V-8 . . . another reason why you can pay more but you can't buy better than Ford.

Come in and lose your heart to a **'54 Ford**
