

Jacquelyn Bunch And Mabel Tynch Contest Winners

Chowan High Students Take Part In Annual UN Contest

Recently ten students of Chowan High School participated in the annual high school contest on the United Nations, sponsored by the American Association for the United Nations. Examinations were taken March 25. Local judges selected the papers of Miss Jacquelyn Bunch and Miss Mabel Tynch as the two best and they have been submitted to the National Committee of judges.

Students entering the contest were Jacquelyn Bunch, Mabel Tynch, Esther Mae Jordan, Shirley Harrell, Dallas Bunch, Billy Goodwin, Jimmy Jordan, Barbara Bunch, Anne Pearce and Christine Jordan.

Almost three thousand schools participated in the contest, representing every state in the United States. National winners will be notified in June.

State Grange Opposes Price Support Plan

Grange Masters Herschel Newsome of the National Grange and Harry B. Caldwell of the North Carolina State Grange have rejected the flexible price support plan as proposed by the Administration.

In a statement before the House Agricultural Committee the National Grange Master said "we do not believe it would be safe to attempt to put into operation the schedule of price supports as provided in the Agricultural Act of 1948 and 1949". He then called for the adoption of a two-price plan for such export crops as wheat and cotton "whereby we can maintain domestic prices close to the parity level so that farmers will be treated fairly in relation to the price of things which they buy" without destroying our competitive relationship in world markets, and for "the re-adjustments necessary to bring about a better balance between supply and demand and make expansion of markets possible."

Mr. Newsome called for the retention of "present supports with such changes as experience indicates is needed" and gave endorsement to "fix support prices and maladjusted crops and for special crops when producers vote for and apply either marketing quotas or acreage allotments". The National Grange leader gave his approval to the "set aside principle" agreeing that "our agriculture and total American economy must . . . be insulated from the sharp and possible disastrous effect of this sort of supply on market prices".

STUDY GRAND JURY REPORT
One of the items of business of the County Commissioners Monday was Grand Jury report submitted last week at the spring term of Chowan Superior Court.

The Commissioners were well pleased with the report and J. R. Peale was instructed to investigate the recommendations made regarding the county home.

LITTLE HELPERS CLUB MEETS

The Little Helpers Club held its monthly meeting at the home of Gayle Oliver in Morris Circle Monday afternoon, April 5. Betty Wall, president, called the meeting to order. A collection of \$1.40 was collected for the Cancer Drive.

After the meeting lemonade and cookies were served and then a delightful Easter egg hunt was held in the yard.

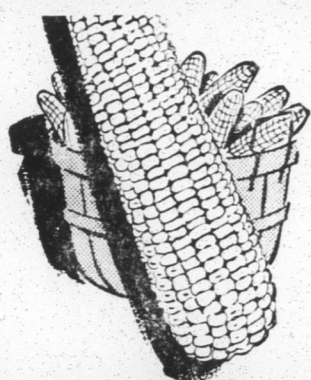

Those present were Betty, Carol and Kenny Wall, Vickie Allsbrook, Pamela Ashley, Pat Byrum, Phil Harrell, Kate Shaw, David and Terry Larson, Barbara and Bill Strickland and Gayle Oliver.
