### SECTION TWO-Page Four

Washington-Several weeks ago I military aid to France to help fight wrote in this column about my posi- this war. There are rapidly develoption on Congressional investigating ing signs that do not look good to committees. As your Senator, I felt me.

you have a right to be informed on this important question. BACKGROUND

# WHAT NEXT?

The hydrogen and atomic age may well teach the evil forces of the world

My position has not changed. I be- that the dignity of man is paramount; lieve we need to change the rules of that no nation can go it alone without the committees to halt "one-man" in- spiritual leadership; that communism vestigations and to change the desire offers only tyranny, fear, poverty and for headlines. I will not repeat my death. Democracy is the only answer. HIGHWAY BILL

remedy for this evil, but simply say that new rules of procedure for investigating committees should incor- the Highway Bill. Most of the debate teed in the Constitution.

#### LIE DETECTOR

When the time comes-and it has already-that the investigators have er procedure to use when tampering with the fundamental rights of citi- office-the opportunity to get things zens. While we are completely opposed to atheistic communism, we can certainly have more effective methods of committee procedure which will do the job of rooting them out.

#### INDO CHINA

But in spite of these domestic and economic problems-and they are important-I believe the eyes of our country are focused on the grave international situation. I refer to Indo under the brooder but none of them China, the far-away land seven thousand miles from our shores where the cancer is communism continues to gnaw at the arteries of free men. This en years. It was being waged while the county agent's office with a total Sara Margaret Asbell and Mrs. Mack around a billion dollars.

#### **ANOTHER KOREA?**

It may well be that the Administrawe recently added technicians in a effective after April 11, they will not Winston Book Company. non-combat category. I am not ready observe regular office hours on Sunto vote to send American boys as com- days.

bat troops to Indo China in what However, one of the doctors will be States to the F.H.A. in North Caroseems to be developing as another on call every Sunday in event of any lina. Korea. I favor the continuation of emergencies.

#### THIS-AND-THAT

Washington got hot last week for to be investigated then the people have a time-the weather climbed to 83 dea right to wonder if their sacred rights grees and a big thunderstorm cooled will be protected. I was shocked to things off . . . The weather was so cold that there had been a suggestion cold that the Cherry Blossom Pageant that lie detectors be used in the cur- had to be held indoors.
