

Hospital Auxiliary Will Meet Friday

At the last meeting of the Hospital Auxiliary it was announced that a new electric sewing machine had been donated by the splendid efforts of the colored group. This will be a wonderful help, and is very much appreciated.

During March the American Legion Auxiliary took care of flowers and magazines, and in April St. Mary's Guild will carry on that work.

Tomorrow, Friday, April 16, at 3 o'clock, the regular monthly meeting of the Auxiliary will be held in the nurses' home with Mrs. George Hoskins presiding. Mrs. J. L. Pettus, program chairman, has arranged a most interesting talk by Major Markin K. Hollenbeck. He will show pictures of life in Korea, including scenes from Japanese opera. Tea will be served.

Eastern Counties Represented at Seminar

terior walls and paint walls with a latex base paint.

Clean rifle range walls and apply a waterproofing paint.
Replace all light fixtures and run the necessary circuits to give sufficient lighting.

Present heating system replaced with oil.

The armory has for a long time been a "sore thumb" for Town Councilmen, not only from an expense angle, but for other reasons, so that the desire now exists to transfer it to the National Guard.

Mr. Fry stated that if the National Guard is given title to the armory, it will be available for public use as at present.

Mayor Haskett appointed Graham Byrum, John Mitchener and J. Clarence Leary as a committee to confer with the Edenton school trustees and National Guard officers, to determine the property line if the armory is taken over by the National Guard.

While not on the agenda, the problem of zoning Edenton again cropped up and consumed quite a lot of time. A delegation was present, apparently favorable to adopting a zoning ordinance, and after a lengthy discussion, Mayor Haskett stated he will ap-

point a committee within a few days which will be asked to study the feasibility of zoning and submit a report at a special meeting when a report is ready.

The idea of zoning is not new in Edenton, for at various times it has bobbed up but not definite action was taken. Some few years ago an ordinance was drawn up, but so much opposition developed that it was dropped after a great deal of time and effort was spent by a zoning committee.

At Tuesday night's meeting an agreement was presented between H. M. Phthisic and H. G. Quinn, owners of the P & Q Super Market, and the Town of Edenton providing that the town maintain the portion of land lying on the east side of South Broad Street now provided by the P & Q Super Market as a parking lot. The agreement is for the town to direct traffic over the lot, erect and maintain signs directing traffic, erect and maintain thereon an adequate lighting system and cover the road with marl.

At the meeting Town Clerk Ernest Ward was instructed to advertise delinquent taxpayers for 1953 taxes on Monday, May 10, and the sale to be held Monday, June 14.

R. E. Aiken was awarded a contract to audit the town's books at a cost of \$200.

With Chief of Police George I. Dail in the hospital, R. L. Pratt presented the monthly police report, during which he emphasized the need for another telephone in the police station.

Fire Chief R. K. Hall reported that in March the firemen answered seven alarms, six of which were in town and one out of the city limits. Due to answering calls in the county, Chief Hall pointed out that a two-way radio is necessary.

Edenton After Wedding Newlyweds Moving To

front seat and called Mrs. George Hoskins, with whom she lives. Mrs. Hoskins subsequently called her husband and he removed the contraption to the other side of the street. In the meantime police were called and Chief George Dail went to the scene. He picked up the bomb and planned to take it to the police station to be ana-

lyzed, but it exploded as he attempted to open the door.

Chief Dail was badly burned about his face, hands and feet and he was rushed to Chowan Hospital, where he is still a patient. His condition, while not considered serious, has been such that visitors have not been allowed for as long as 48-hour periods.

Smith was a neighbor of Mrs. Cochran's parents, Mr. and Mrs. Moses, and lived about eight miles from Pittsboro. While he was suspected in the death of Cochran, SBI agents could never dig up enough evidence that he might have committed the crime. However following the Edenton bomb incident they went all out and questioned Smith at a filling station in Pitts-

boro, where he worked. It was after this questioning that he was found dead.

Mrs. Cochran knew Smith as a neighbor and told SBI agents that at one time he asked for a date when she was home from college, but she refused and that she knew of no reason why anybody should have planted bombs in her as well as her husband's car.

Adding to the belief that Smith planted the bomb in Mrs. Cochran's car is a report from the SBI that some powder was found in Smith's car which were similar to that in the bomb and that some wire was found in his shirt which compared with that placed in the bomb.

Mrs. Cochran's resignation as Chowan County's home demonstration agent is effective today (Thursday). She is scheduled to marry George Alma Byrum Saturday, April 24.

Vets Question Box

Q—I am a Korean veteran discharged before August 20, 1952, when the Korea GI Bill was enacted. I understand I have to be in school by August 20, 1954 if I wish to take advantage of the Korea GI Bill. If I enroll in a summer course this year and am in school by August 20, would that qualify me for further education good.

under the GI Bill?

A—Yes. Summer school courses are permitted under the Korea GI Bill, so if you are in a summer school before your deadline for starting education, you would be permitted to continue after that date under the Korea GI Bill.

ROTARIANS MEET TODAY

Edenton's Rotary Club will meet this (Thursday) afternoon at 1 o'clock in the Parish House. The program will be in charge of J. L. Chestnut and President John Kramer urges every Rotarian to be present.

He is not great, who is not greatly —Shakespeare.

NANCY CARTER'S RECIPES

GALA BAKED HAM SLICE

1 2-inch thick center ham slice, uncooked
Whole cloves
1 cup CS pineapple juice
½ cup brown sugar

Cut slashes in the fat edge of the ham two inches apart. Insert cloves in fat. Place ham in deep pan or casserole. Pour in pineapple juice. Cover ham with brown sugar. Bake in a moderate oven, 350 degrees, 2 hours. Spoon pineapple juice over ham 2 or 3 times during baking.
