

Home Demonstration Pageant Will Climax Farm And Home Week

"Green A' Growin'" Will Be Presented Thursday Night, June 10

Forty years ago growing has been the story of home demonstration in North Carolina, and that's what you'll have a chance to see at Farm and Home Week this year.

June 10 is the night of the performance of "Green A' Growin'", the big home demonstration pageant written by Mrs. Emily Selden and Mike Healey of Chapel Hill.

At the pageant, you will have a chance to relive the early years of pioneering, and you'll see a parade of extension trail-blazers. You'll see how the early tomato clubs evolved into one of our nation's biggest adult education programs. Into one evening's program will be woven the highlights of 40 years of progress on the Tar Heel farm, in the rural community. There will be the amusing incidents as well as the more serious ones.

You will have a part in the pageant; you'll see how you and the other thousands of farm men and women, boys and girls, have helped to build home demonstration. Perhaps you'll see a relative, a neighbor, or a close friend on stage acting out a part of the story. More than 100 persons will be taking part in the production of "Green A' Growin'."

The state home demonstration chorus under the direction of Dr. Arnold Hoffman, music supervisor for the State Department of Public Instruction, will furnish background music for the evening's program.

Plan now to attend Farm and Home Week at State College, June 7 through 10. And if you can't be present for the whole week, make a special effort to come to the pageant on the night of June 10.

News About Clubs In Chowan County

By HATTIE SINGLETARY

Did you attend the County Song Fest last Friday night? If so, I'm sure you will join me in commending Mrs. W. H. Saunders, Mrs. I. E. Halsey, the club presidents, and the music leaders for this unusually fine program. Everyone enjoyed the piano and voice solos, duets, skits, readings, and group singing so much that Mrs. I. E. Halsey, County Council president, suggested that a similar program be held next year.

Chowan County has been asked to participate in the District Choral Contest sponsored by Radio Stations WGAI and WRRF. They are offering a \$50.00 prize for the best chorus in the district. Plans are underway to organize a Chorus Monday, May 17, at 8:00 P. M., in the Chowan Community Building. If there are enough present we will organize a Chorus and take part in the district contest.

Two club women from Chowan County will be selected to attend a Music Workshop at Catawba College, Salisbury, N. C., July 6-9. Dr. Arnold Hoffman and his staff will conduct the workshop which will consist of classes, demonstrations, tours and fun. The purpose of the workshop is to train leaders to carry on more effective music programs on the county level.

At the recent Federation Executive Board meeting it was approved that the State Music Committee would ask for \$1.00 per club to be given on a voluntary basis to promote the statewide music program. Mrs. W. H. Saunders will send the club music leaders a copy of this request.

The Home Agent and Assistant Agent will attend a State Extension meeting in Winston-Salem, May 19-22. I know that you will all be sorry to hear that your County Council President, Mrs. I. E. Halsey, is a patient at Chowan Hospital. I'm sure we all wish her a speedy recovery.
