

Mr. And Mrs. Byrum Entertain Newlyweds

Approximately 500 Attend Reception Held Friday Night

Mr. and Mrs. Thomas C. Byrum, Sr., entertained at a reception Friday night from 8 to 1 o'clock at their home on West Church Street, in honor of Mr. and Mrs. George Alma Byrum, whose marriage took place on April 24th.

The spacious lower floor of the Byrum home was adorned in a profusion of beautiful spring flowers.

The guests were received at the door by Mr. and Mrs. J. Clarence Leary, Sr., and were directed to the cloakroom upstairs by Mrs. W. H. Coffield.

In the receiving line were Mr. and Mrs. T. C. Byrum, Sr., parents of the bridegroom, Mr. and Mrs. George Alma Byrum, and Miss Mabel Moses of Burlington, aunt of the bride.

Serving punch in the sun room were Mrs. Alma Forehand and Mrs. Elton Forehand, Sr., with Mrs. Wm. Jones and Mrs. H. A. Campen as hostesses. Later in the evening Mrs. Elton Forehand, Jr., and Mrs. T. C. Byrum, presided at the punch bowl.

In the den serving punch were Mrs. Fred Wood and Mrs. John Bond, while Mrs. L. A. Patterson and Mrs. J. W. Davis acted as hostesses. Presiding at the punch bowl later were Mrs. J. Clarence Leary, Jr., and Mrs. John Gilliam Wood, Jr.

Mrs. Lloyd Griffin and Mrs. Wood Privott directed the guests into the dining room, where Mrs. Percy Smith was hostess and Mrs. Scott Harrell, Mrs. Joe Thorud, Mrs. Wesley Cheson and Miss Kathryn Brown assisted in serving refreshments.

Approximately 500 guests called during the evening.

Steve Burch Speaks At Rotary Meeting

Delivers Prize Winning World Peace Speaking Contest Address

Steve Burch, a student at Chowan High School, who recently won first place in the district World Peace Speaking Contest, delivered his prize winning essay at the Rotary meeting last Thursday. He was introduced by Dr. W. S. Hart, who had charge of the program.

The young man had a splendid delivery and was well acquainted with his subject, forcibly pointing out some of the necessities in order to bring about world peace. For winning the district contest the young man enjoyed

HOW TO REDUCE THE COST OF ACCIDENTS

Ever stop to realize that the accident you were not involved in, costs you money just the same?

You were mighty lucky at that. Lucky not to have been maimed or killed. But you don't get off scot-free. Every accident costs you money in the form of increased insurance cost.

Automobile insurance rates are determined each year on the basis of the accident experience of the preceding three years. In areas where residents have had accident records, insurance rates are higher.

Strict enforcement of traffic regulations will reduce speeding and reckless driving—primary causes of accidents. But you, yourself have the big responsibility. Drive with care. Remember that traffic regulations are, in fact, safety regulations—obey them. And just as important, keep car in safe driving condition.

There's only one way to reduce the cost of accidents—reduce the number of accidents!

Albemarle Motor Co. An Inspection Station

Scholarship Offered By Edenton's PTA

Edenton's Parent-Teacher Association at its meeting last week approved a recommendation presented by Mrs. W. D. Holmes, Jr., to establish a scholarship for local students to encourage them to enter the teaching profession.

Requirements for the scholarship are that a student will have been in the top third of his class and have completed the high school college preparatory course. He, or she, must have participated in school activities and must have been an active member of the Future Teachers Association. The selection committee will be composed of the principal, two high school advisors and two senior high school faculty members with maximum service in this school system.

4-H County Council Plans Elimination Contest In County

Elimination Contest To Be Held Wednesday, June 23rd

4-H Club members made plans for their 4-H Elimination Contest at the 4-H County Council meeting Wednesday, May 12 in the Chowan Community Building.

The County 4-H Elimination Contest will be held Wednesday, June 23 at the Chowan School. The day's activities will include a Junior and Senior 4-H Dress Revue, Jr. and Sr. Public Speaking contest, 4-H Health Pageant, Jr. and Sr. Dairy Foods Contest, Tractor Driving Contest, picnic lunch, recreation and lots of fun. The following chairmen were appointed: Shirley Harrell, Dress Revue; Hostess, Margie Harrell and Jackie Morris; Health Pageant, Betty Byrum.

All club members are urged to attend and take part in the various contests. The County Senior Winners will compete in the District 4-H contest in Washington on July 8th.

Jackie Morris, County Council President, invited all club members and their families to attend 4-H Church Sunday, May 30th, at 11:00 A. M., at Ballard's Bridge Church. He also scheduled a special 4-H Church practice Thursday, May 20 at 8:00 P. M., at Ballard's Bridge Church. Jackie encouraged all club members taking part on the program to be present for this practice.

Other summer activities discussed were 4-H camp which is June 28-July 3 at Camp Manteo, Manteo, N. C., and 4-H Club Week in Raleigh, July 19-23.

The meeting was opened with the 4-H Pledge led by Jackie Morris. Shirley Harrell, assistant secretary, called the roll by clubs. An inspirational devotion was given by Betty Byrum of the Edenton Senior 4-H Club. A prayer was given by Barbara White.

A period of recreation led by Jackie Morris, Jackie Bunch and Shirley Harrell followed the program.

only Plymouth dares compare!

now... part-by-part proof that Plymouth is America's "best-buy" low-price car!

No other low-price car would dare make a comparison like this: Plymouth engineers actually dismantled the three best-known low-price cars and compared them, part by part! Their findings, a few of which we've listed below, prove conclusively that Plymouth is far-and-away your "best buy" in the lowest-price field.

Here's just some of the overwhelming proof that Plymouth is "best buy"!

Comfort Level Seating
Both front and rear Plymouth seats are highest. Plymouth research found this more natural seating position gives greater posture protection and comfort.

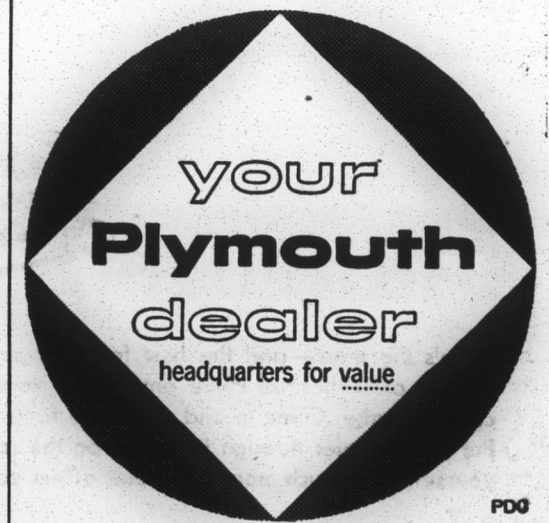

Front Wheel Brakes
Plymouth engineers provide two hydraulic brake cylinders in each front wheel to ensure smooth, straight-line stops without "grabbing." The "other two" have only one brake cylinder in each front wheel.

Spark Plugs
Because they last up to five times longer before re-setting is necessary, Plymouth uses resistor-type spark plugs. This type plug also produces smoother idling, better gas economy at low speeds.

Oil Bath Air Cleaner
An oil bath air cleaner can reduce engine wear as much as 90%. This unit is standard equipment on all Plymouth models; it is available only at extra cost on the other two low-price cars.

And dozens of other part-by-part comparisons prove Plymouth is your "best buy"! See us today... and get the facts!

Ask us for the big illustrated booklet that shows how Plymouth leads in frame construction... engine design... performance... economy... comfort... safety.

Go for a drive in America's "best-buy" low-price car!
