

News About Clubs In Chowan County

By HATTIE SINGLETARY
Home Demonstration Agent

Mrs. I. E. Halsey, Jr., County Council President, received the following letter of thanks from Mrs. F. A. Shook, Jr., Chairman, Service Groups, Marine Corps Air Station, Cherry Point, North Carolina:

"Dear Mrs. Halsey: The Gray Lady Service of Cherry Point, wished to thank you for your most generous donation of cookies for our use. Please convey our deep appreciation to the members of the various clubs in your Federation. The donation has gone to help continue our program in the Infirmary.

"We operate a lounge for the ambulatory patients and serve coffee, cookies, fruit juice and iced tea and punch in season. Available in the lounge are magazines, games, record player, and records for their use.

"We visit the wards twice daily. In the morning we distribute Comfort Articles and take shopping requests and fill them. In the afternoon we take the Book Cart around from which the patients may have magazines, books, newspapers, etc.

"A monthly ward party is held for the patients in the ward unable to come to the lounge. We play games and often live entertainment is available to add to their enjoyment. We serve cake and coffee or punch. The parties are always the high spot in the month for bed patients.

"We also have an active Craft program. The patients are able to make model airplanes and shins, or work on woven plasticbelts and lanyards.

"In addition to our work with the men in the Wards, the Gray Ladies work in the Out Patient Department and the Pediatrics Department. We perform chaperone duty for the doctors and stand-by for the X-rays.

"By this brief resume you can see we have a very active group of Gray Ladies and we appreciate greatly the help you have given. May I again say thank you for being so kind. We all are so pleased over the wonderful response from your group.

"Sincerely,
Mrs. F. A. Shook, Jr.
I would like to thank the Home Demonstration Women for their fine response to the Red Cross Blood drive. A total of \$348.85 was raised by eight clubs. This will go a long way towards keeping the blood bank in the county.

The Beech Fork Club sponsored a Stanley Party as a means of adding money to their treasury. Mrs. John Layton, president, reports that they made money and had a "good time", too.

The Rocky Hook Home Demonstration Club will meet with Mrs. Henry Bunch, Tuesday, July 27, at 8 P. M.

SHOWER FOR BRIDE-ELECT

Miss Nancy Boswell entertained last Wednesday at a miscellaneous shower honoring Miss Carolyn Swindell, bride-elect of August 1st.

Gifts were placed on a table under a parasol, decorated with colors of the rainbow.

Games were played and prizes were awarded the winners of the bridal contests.

The home was decorated throughout with gladioli. The dining room table was covered with a linen outwork cloth centered with summer flowers. Miss Swindell was presented a corsage of white rosebuds and stephanotis.

Approximately 35 guests showered her with gifts.

One of the most costly buildings on the new Wake Forest College campus is going to be one of the most used.

It is the Center Building, lying on the southern end of a rectangular area that is bordered on the north by Wait Chapel and on each side by boys' dormitories. The Center Building is a multi-purpose building and reflects an important part of the philosophy behind the new campus.

The philosophy requires that the spiritual, physical and recreational needs of the students be met in a relatively small area retaining the atmosphere of the home.

The Center Building will house dining facilities, college administration and student offices and classrooms. With Wait Chapel aimed at meeting student spiritual needs, the Center Building, lying just south, will fulfill some of the more practical needs.

LEOPARD GIRL!

Don't be frightened! It looks like leopard skin, but actually it's cotton. This eye-catching swim suit by Cole of California is made of sueded cotton leopard print in tawny gold. The one-piece suit has a deep-diving halter neckline in back ending in a low V cut.

Our prayers should be for blessings in general, for God knows best what is good for us. —Socrates
