A LIFT FOR TODAY

*... behold now is the day... II Cor. 6:2.
TOMORROW, and tomorrow, and tomorrow, creeps in this petty pace from day to day to the last syllable of recorded time; and all our yesterdays have lighted fools the way to dusty death. — Shakespeare.
Dear Father, let us not build our lives upon future hopes, but upon Thy promises for today that we may have Christ in our hearts here and now.

Goal Far Short

During the past week \$15,000 in stock purchases in the Edenton Development Corporation has been added to the \$20,000 heretofore reported so that sales as of Wednesday stand at \$35,000, which is a long way from the goal of a minimum of \$100,000.

Of course, the report of stock salesmen is far from being complete, but many more will be obliged to purchase stock and others increase their purchases if the goal is to be realized.

It would be hard, most likely, to find many people in Edenton and Chowan County who see no advantage in new industries locating in the community. And it must be frankly stated that unless local people fork up money in the form of an investment, Edenton stands little chance to land any of the industries which at the present time are seeking locations far removed from the metropolitan areas.

Money in the corporation will be used to secure sites or buildings for prospective industries, which will be paid back to the corporation in the form of rent. The payrolls, of course, will benefit local business, but not only business but all phases of community life will also be benefited.

The proposition boils down to the fact that if Edenton and Chowan County want new industries and added payrolls, citizens in general must be willing to make an investment in the future of the town and county.

Other communities smaller than Edenton have raised enough money to bring in new industries and this community is able, if it will, to do the same.

Firemen Did Good Job

Edenton experienced its most disastrous fire in recent years Friday afternoon when the merchandise and fixtures of the Malone 5 and 10-cent Store were a total loss and the building also badly damaged. Two adjoining stores, the Elliott Company and Hughes-Parker Hardware Store were also threatened, but due to the efficient work of Edenton firemen and fire fighters and equipment from the Edenton Marine Corps Auxiliary Landing Field, the fire was confined to the Malone store.

The fire could have very easily spread to adjoining business houses and played havoc with a goodly portion of the business block, so that while the damage is regretted, the situation could have been far worse than it is.

The fire fighters did a good job at holding the damage to a minimum and preventing a conflagration which could have badly crippled Edenton's business activities so that The Herald compliments the firefighters and extends its sympathy to those who were victims of the fire.

HEARD & SEEN

BY "BUFF"

Miss Goldie Layton's home had all the aspects of a funeral the other day except for the fact that there was no corpse. It all happened when Goldie's parakeet slipped out the door and hasn't been seen since. Goldie says the parakeet was the talkingest bird she had ever seen and is willing to pay a generous reward if anybody finds and returns it to her. The parakeet flew on Miss Layton's shoulder as she opened a screen door and was talking when the door made sort of a slam, which apparently scared the bird and away it flew. Since the bird flew away, Goldie has been looking up every tree she comes to and told me the other day she never knew there were so many sparrows in town. However, to date she hasn't seen anything of Skippy—her light blue parakeet, but if it is found and returned, the Layton home will, no doubt, take on as much rejoicing as was the case in the return of the prodigal son.

Frank Twiddy was carrying the West Side mail last week for Charlie Swanner, who was on a vacation and had a new experience for a mail man. When Frank opened the mail box at the home of Mr. and Mrs. Sam Moore in Morris Circle a flock of unfriendly wasps emerged. Frank had a busy time for a little while, for he was stung on the nose, on the forehead and one even got in his hair when he took off his hat to chase the scudgers away. He wants to know what Charlie does to keep on the good side of the wasps.

According to latest reports the new Masonic temple will be completed within a very few weeks. The Masons will have a big dedication service in connection with the completion of the building when the Grand Lodge of North Carolina will convene and many Masons from the eastern part of the State will attend. The Masons will also observe open house the Sunday following the dedication so that the people of Edenton and surrounding territory may have an opportunity to see the building inside and out. The next function closely following will be a banquet for members of Unanimity Lodge, their wives and members of the Eastern Star. The Masons have every right to be proud of their temple, which is the envy of every Masonic lodge in the eastern part of the State.

Of course, owners of the concerns affected by Friday's fire in the business section were very much concerned while the firemen were fighting the blaze, but their concern hardly eclipsed that of a couple of boys who were watching the fire. Standing in front of W. E. Malone's 5 and 10-cent Store, one of 'em said to the other, "Gosh just think of all that ice cream and candy which is being ruined."

Shortly after daylight one morning last week one of our local fishermen called a friend on the phone. In a gruff voice the fellow who was aroused from his slumber said "Hello." But before very few words passed he added, "Why in the devil have you called me so early?" The answer was "Well, I'm going fishing and wondered if you'd like to go along." It made a difference for the sleepy fellow soon was wide awake and replied, "Why, sure, I'll be right over." It makes a difference, you see.

Mayor Leroy Haskett was in a good humor early this week when making his usual call to collect insurance. In fact, he said he was mighty proud of three departments of the town. In the first place, he said, the firemen did a splendid job in fighting the fire Friday afternoon at Malone's 5 and 10-cent Store. Then, the police did a splendid piece of work in solving a check forging case and to top it off, he said, he saw one of the town's trash truck drivers get out of the truck and help to load some of the debris caused by Monday night's storm. Well, that's one time the cops, firemen and Street Department got a pat on the back instead of a cussin' out.

For a little while some fans at the ball game Tuesday night were a bit befuddled to know if it was Edenton or Rocky Hock playing Elizabeth City. The reason was that Gashouse Parker, for many years a fixture on Colonial teams, was playing with Rocky Hock. Gashouse didn't make a hit, but I heard an Elizabeth City fan say that in Elizabeth City he hit a ball that looked as though it would land on the Camden Court House.

No Change In Standing In Albemarle League

(Continued From Page One)

Edenton 3, Colerain 6
On Hicks Field Thursday night Colerain defeated the Colonials 6 to 3. Whitson started on the mound for Edenton but was relieved in the fourth inning by Cherry. Colerain collected 11 hits off the two pitchers, but their scoring was aided by wild pitching and castly errors.

V. Baker was Colerain's moundsman, and allowed seven hits. Tommy Bass and Gene Taylor made two hits each. Wynns was Colerain's leading hitter with three safeties.

Colerain scored two runs in the third and fourth innings and added one each in the seventh and eighth. The Colonials scored once in each of the third, fourth and seventh.

Edenton 7, Rocky Hock 2
Playing airtight ball for seven innings with neither team being able to score, the Edenton Colonials exploded in the eighth inning Friday night on Hicks Field to score seven runs and defeat Rocky Hock 7 to 2.

It was a mound duel between Henry Allen Powell for Rocky Hock and Bill Herman for the Colonials, with Herman holding the upper hand.

In the eighth inning Herman singled but was forced out at second when Tommy Bass hit a grounder. Fred Keeter singled and Claude Griffin was purposely walked to fill the bases. Gene Taylor then started the fireworks by hitting a double which scored three runs. Alton Brooks grounded out, but Edgar Rogerson tripled, scoring Taylor. Rogerson scored on Ted Lassiter's single, with the latter scoring on Fred Lassiter's single. Herman made his second hit of the inning and the seventh run was scored on an error by Harbison.

Rocky Hock scored a run in each of the eighth and ninth, but were unable to overcome the Colonials' edge. Powell led Rocky Hock at bat with two hits, while Rogerson and Herman each made two hits for the Colonials.

Edenton 4, Colerain 2
In Colerain the Colonials added another victory by defeating the Trappers 4 to 2 in a hard-fought game. Albert Lassiter started on the mound for Edenton but gave way to Mack Cherry in the fourth inning. Hoggard went the route for Colerain. Claude Griffin led the Edenton attack with three hits.

Rocky Hock 11, Hertford 6
Rocky Hock defeated Hertford 11 to 6 on Hicks Field Wednesday night of last week which threw the two clubs into a tie for third place in the league.

Hertford went into the lead in the first inning by scoring two runs and

added four in the third, but were unable to produce any more runs. Rocky Hock scored three runs in the second and went into the lead in the fifth by scoring four runs and added four more in the seventh.

James Perry went the route for Rocky Hock and gave up nine hits, only three of which were made after the third inning. Paul Matthews was on the mound for Hertford and was touched for 13 hits.

Rocky Hock 8, Elizabeth City 9
In a hard fought game in Elizabeth City Thursday night, Rocky Hock shared the short end of a 9-8 score.

Elizabeth City went into the lead by scoring three runs in the second inning, but Rocky Hock scored three in the fourth to tie the score. Elizabeth City went ahead three runs in their half of the inning, but Rocky Hock came back in the seventh to again knot the count. Both teams went scoreless until the eighth, when Rocky Hock scored twice, but Elizabeth City scored three to win the game.

Paul Chappell went the route for Rocky Hock, giving up seven hits. Copley started for Elizabeth City, but was relieved in the fifth by Curtis when the bases were loaded with only one out.

Jordan was the outstanding batter for Rocky Hock with four hits, one a home run. Copley led Elizabeth City with two.

Rocky Hock 3, Elizabeth City 6
In a well-played game on Hicks Field Tuesday night, Elizabeth City batting power resulted in the defeat of Rocky Hock.

Hollowell went the route for Rocky Hock and was touched for 11 hits which, together with quite a few walks netted six runs. Strong man, Jim Curtis opposed Hollowell and yielded eight hits.

In the opening frame the visitors scored two runs when Hollowell had a hard time finding the plate and walked three men. Todd then singled scoring the two runs. Rocky Hock tied the score in the fifth when Hollowell was safe on an error. Lowe singled and Jordan was safe on an error. Castelleo then singled to score two runs.

Rocky Hock went ahead by one run in the seventh when Wilson singled. Lowe sacrificed and Wilson scored on a double by Castelleo. However, in the eighth Elizabeth City scored three runs on two singles, sacrifice, a base on balls and a double by Fearing. The visitors added another run in the final frame.

Ray Jordan made the fielding gem when after a long run he stabbed a fly in short center field and completed a double play.
