

Claude Griffin Leads Batting For Colonials

Winds Up Season With Comfortable Average of .370

With the Edenton Colonials eliminated from the play-offs in the Albemarle League, a review of the statistics shows that Claude Griffin was the leading batter during the season with a percentage of .370. Griffin played first base and outfield, and during August boosted his mark by connecting safely 16 times out of 26 times at bat. Griffin led the Colonials who went to bat at least 75 times. Whitson and Findley had a percentage of .500 but the former went to bat only 10 times and the latter four.

The Colonials as a whole had a .223 batting mark for the season and the team's fielding average was .906.

The Colonials' batting percentages follow:

FORD IS FIRST IN SALES

-by thousands

National new-car registration figures* for the first six months of 1954 prove that Ford leads the industry in sales! In fact, ever since car production has been free of restrictions, more and more new-car buyers have been swinging over to Ford. That's because Ford offers more things for more people than any other car. In today's Ford, for example, you get the matchless benefits of owning the only car in the low-price field with a V-8 engine (the new Ford Y-block V-8) . . . the only car in Ford's field with the smooth ride of Ball-Joint Front Suspension . . . the only car in Ford's field with truly modern styling . . . the only car in Ford's field with such high resale value.
