

Six BPW Members At District Meeting

Group Discusses Plans For Year's Work at Scotland Neck

Six members of the Edenton BPW Club attended the 8th district meeting of the North Carolina Federation of Business and Professional Women's Clubs held last week in Scotland Neck. Eighty-eight members were in attendance, representing the towns of Ahoskie, Edenton, Elizabeth City, Nashville, Hertford, Roanoke Rapids, Rocky Mount, Scotland Neck, Tarboro and Washington.

The purpose of the meeting was to outline and discuss plans for the coming year programs. Two workshops were held, with Mrs. Hazel Wheeler conducting the workshop composed of vice president and the chairman of Health and Safety, Education and Vocation, International Relations, Public Affairs and National Security, and Mrs. Lois Frazer in charge of the group comprising presidents, secretaries, treasurers, and chairmen of Finance, Membership and Publicity.

Prior to the meeting, registration took place in the school auditorium and a social hour was held during which punch was served.

A delicious turkey dinner was served, after which the program got underway with Miss Christine Moore, president of the Scotland Neck Club, presiding. Mrs. Mary Ruffin Griffin gave the invocation. The president introduced the guests and gave the address of welcome with the response made by Mrs. Bertha Cooper of Nashville. Mrs. Hazel Wheeler, district director, presided at the business session.

Special music was presented by Mrs. Lois Shaw, who sang several delightful numbers, accompanied by Mrs. Bessie Goode, and piano selections by Wilbur Weeks. The Roanoke Rapids Club did an interesting skit on membership prizes were presented by Mrs. Dorothy Whitehead of Scotland Neck. Miss Inez Felton won the attendance prize in the Edenton Club. The meeting closed with the assembly repeating the club collect.

Attending from the Edenton Club were Mrs. Leon Leary, Mrs. Emma Perkins, Mrs. Josie R. Carr, Mrs. Margaret Phthisic, Miss Inez Felton and Miss Evelyn Leary.

AMERICA BY 1975

America by 1975 will have about \$75 billion in investments in foreign countries.

The National Association of Manufacturers cites predictions from a recent speech by C. Clifford Stark, vice president of McGraw-Hill International Corporation, which shows the tremendous growth in our foreign investments which can take place by 1975. "By that time, according to best current estimates, our foreign investments will total about seventy-five billion dollars. Of this we will have put \$15 billion into Canada, \$5 billion into Australia, \$5 billion into Africa, and \$40 billion into Latin America."

TEXT: "Peace rules the day where reason rules the mind."—Wm. Collins

George V. Denny, founder and moderator of "Town Meeting of the Air" has a little ball that he likes to display when intolerance is discussed. He shows the ball, grasped tightly in his hand, and asks,

"What color is it?"
The person questioned takes a quick look and answers,
"Black."

Denny shakes his head. "The part I see is white." Then he gives the ball a twirl. The other half is white.

25 Chowan Peanut Growers At Second Annual Field Day

Tour Made at Lewiston Peanut Experiment Station

The second annual field day was held at the Lewiston Peanut Experiment Station on Thursday. The morning program was conducted by the North Carolina Peanut Growers' Association. A research plot tour of the farm was held in the afternoon.

The North Carolina Peanut Growers' Association officers explained the purpose of the organization, what it has accomplished thus far and something about future plans. Congressman L. H. Fountain made a very interesting address on the National Farm Program.

The farm tour was very interest-

Housework Easy Without Nagging Backache

When kidney function slows down, many folks complain of nagging backache, loss of pep and energy, headaches and dizziness. Don't suffer longer with these discomforts if reduced kidney function is getting you down—due to such common causes as stress and strain, over-exertion or exposure to cold. Minor bladder irritations due to cold, dampness or wrong diet may cause getting up nights or frequent passages.

Don't neglect your kidneys if these conditions bother you. Try Doan's Pills—a mild diuretic. Used successfully by millions for over 50 years. While often otherwise caused, it's amazing how many times Doan's give happy relief from these discomforts—help the 15 miles of kidney tubes and filters flush out waste. Get Doan's Pills today!

New Peanut Varieties Now Looking Good

Dr. W. C. Gregory, State College peanut breeder, and Astor Perry, Extension peanut specialist, visited peanut variety plots and some certified seed production fields with C. W. Overman, Chowan County Agent, last week.

They were well pleased with the appearance of Bertram Hollowell's field of N. C.-2 and Cam Byrum's field of N. C.-1. No stem rot disease was found in either of these fields. These are two of the several fields being grown for certified seed this year.

At A. D. Ward's in Gliden community a test demonstration was observed. Here N. C.-1, N. C.-2 and C-42 are being grown in comparison with the
