## Rotarians Planning Full Year Of Work

### Programs Presented By Four Major Committee Chairmen

For Thursday's program at the Edenton Rotary Club's meeting, chairmen of the four major Rotary committees presented plans of activities during the Rotary year.

Those presenting reports were Gerald James, chairman of club service; W. T. Harry, community service chairman; Hubert Williford, vocational service chairman, and John A. Holmes, international service chairman.

Each of the reports reflected a considerable amount of activity during the year, some of which were surprisingly attractive maps of local historic sites to be placed in the hotel, motels, restaurants and service stations; a vocational shelf for the high school; individual four-way-test plaques for each club member; the continuation of annual projects such as the sponsorship of the Boy Scout units; the peanut contest, entertaining the white teachers of the town and county; awarding of the Rotary Cup to the outstanding graduating senior at the Edenton and Chowan high schools; and at least one meeting a year devoted entirely to the four lanes of Rotary service.

Among the proposals also was a plan to invite an Edenton senior each week to be a guest of the club, who will be designated "Junior Rotarian". At least one visit during the year by a foreign exchange student is also planned.

The need of a school activities bus was also pointed out in the reports and President Gilliam Wood will represent the club to investigate the possibilities of replacing the present bus which is completely worn out.

Visitors at the meeting were David Dear and Harry Jones of Elizabeth City and J. Clarence Leary, Jr.
