

## Friday, October 1st Good Neighbor Day For Towns In N. C.

### Norfolk Group Will Visit Edenton In Day's Tour

Friday, October 1st is going to be a lucky day for some local residents. For on that day "Miss Good Neighbor" will be in town to distribute \$5 bills.

Of course, the bills she distributes will not be Uncle Sam's \$5 bills but they will be just as good if they are used at any store in either Norfolk or Portsmouth on October 8th or 9th. It is all part of the promotion for the annual Norfolk-Portsmouth Good Neighbor Days. R. F. Welton, III, chairman of this retail event, says the slogan, "If you can't find it at home you can find it at Norfolk or Portsmouth," is the keynote of the entire promotion.

"It is not our plan to draw trade from the local merchants in our neighboring towns but rather to point out to our good neighbors that Norfolk and Portsmouth are better places to shop for those hard-to-get articles than the other large cities where they may have been shopping." No definite time has been set for the visit on Friday but a one-car delegation containing Miss Good Neighbor and reporters and photographers will visit the town some time that day to pay an official call on the Mayor and then go into the shopping area to distribute the Good Neighbor cash to unsuspecting residents.

These \$5 certificates may be used toward the payment of merchandise purchased on October 8th or 9th in any retail store in Norfolk or Portsmouth but will not be accepted as payment for mail orders, as a deposit on time payment merchandise, or on payment of accounts. It is transferable, however, so that if the recipient cannot use it she can give it to a friend or relative to bring to Norfolk and Portsmouth.

Good Neighbor cash totaling \$1500 will be given away in twenty-three Virginia and North Carolina towns. In addition, \$500 in \$1 certificates will be given away to shoppers in Norfolk and Portsmouth on October 8th and 9th.

North Carolina towns to be visited include: Murfreesboro, Rich Square, Scotland Neck, Tarboro, Williamston, Elizabeth City, Hertford, Edenton, Windsor, Aulander, Ahoskie, Winton, Gatesville, Conway, Jackson, Weldon and Roanoke Rapids.

No quality is rarer than true benevolence; even those who imagine they possess it are generally merely of a weak or complaisant nature.
