

AT MASONIC OPEN HOUSE

In the picture at top is seen part of the line of guests registering at the new Masonic Temple in Edenton when open house was observed Sunday, October 3. In the middle picture visitors are seen as they passed along the table where refreshments were served by members of the Eastern Star. The bottom picture shows the master's station in the east. Over 1,000 people visited the new temple during the afternoon.—(Photos by Evelyn Leary).

**New Officers Take Over At Rocky Hock 4-H Club Meeting**

**Interesting Session Held At School Tuesday, October 5**

The Rocky Hock Junior 4-H Club held its regular club meeting October 5 in the school auditorium. The new officers conducted the meeting. The officers for the coming year were elected at the September meeting and are as follows:

Becky Harrell, president; Janet Parrish, vice president; Kathryn Tynch, secretary; Larry Harrell, assistant secretary; Ester Layton, reporter; Henry Raines and Marjorie Tynch, song leaders; Loretta Bunch, Larry Harrell, Graham Bass and Janet Parrish, program committee.

After the business session of the meeting the program committee presented a good program with the following taking parts: Janet Parrish, Iris Bunch, Ester Layton and Henry Raines. Miss Mason taught the two 4-H songs.

A discussion was held as when to hold the Rocky Hock Loyal Club meeting. The group decided to meet the third Wednesday night each month.

The boys and girls divided for separate demonstrations. Miss Mason discussed "More Attractive and Comfortable Study Units" which will make studying, writing letters and keeping 4-H records more interesting and easier. She showed very interesting slides of study units stressing the following important items to be included in a good unit; a desk or table, a straight comfortable chair, a good study lamp, and a wastebasket. A blotter on the desk or table, book shelves or book ends and a "pin-up" board are desirable. She told us how we might make our own bookends and wastebaskets.

In the boys' meeting Mr. Marsh discussed "Preparation of a Fair Exhibit."

Each meeting was adjourned by repeating the 4-H Pledge.

**HABIT'S GROCERY EDENTON, N. C.**

**Sweet Potato Storage Increases In Chowan**

Sweet potatoes have proven a very profitable crop for several growers in Chowan County for several years. More attention is being given to improve quality, especially in harvesting and storage. Growers are thoroughly clearing their houses and fumigating

them with larvacide.

Clarence Lupton of the Advance community has almost doubled his curing and storage house space. Erie Jones, his neighbor, has remodeled a building into a 1,500 bushel curing and storage house. L. P. Chappell of the Gliden community is remodeling a building into a 1,000 bushel house.

The new sweet potato variety, Gold Rush, has made a very favorable de-

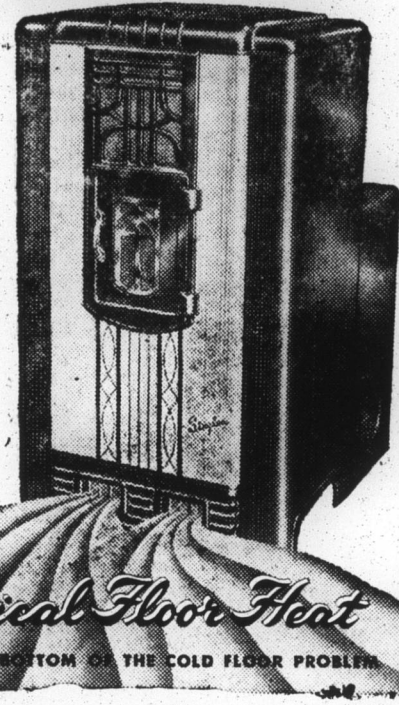

but in Chowan County. Clarence Lupton obtained seed stock for about three acres production this year. Mr. Lupton is well impressed with the deep salmon through the potato, the excellent flavor and its good production. He plans to save his entire production for seed purposes.

After reading the epitaphs in the cemetery, you wonder where they bury the sinners. — Changing Times.
