

Aces Win Close Game From Hertford 20-13

Winning Touchdown Is Made In Waning Seconds of Game

Though the Edenton Aces were expected to trounce the Perquimans Indians, a scare was thrown in the Edenton camp Friday night and after a last minute stand, the Aces managed to crawl out from under a 13-13 tie to win 20-13.

With less than a minute to go, Milan Stille cracked through the stubborn Hertford line from the five-yard line for a touchdown. During the march for a touchdown fans had gathered in the end zone and Referee Dutch Overton blew his whistle so the crowd could be moved. A protest went up from the Hertford officials and fans, who claimed the Aces were allowed an extra down.

The Aces looked strong at the outset, but the Indians strengthened and stopped several Edenton threats.

Edenton's first touchdown came after the Indians fumbled on their own 30 and Rogerson snagged a pass from Holland and raced to the 10. Stille went over to score and Rogerson kicked the extra point.

The Aces' second touchdown was made early in the third quarter when Harrison, Wright and Stille lugged the ball for three first downs to the 5, from where Wright crashed over the line. This try for extra point failed, putting the Aces out in front 13-0.

The Indians then capitalized on a bad kick and after a few plays Paul Mathews connected with Carver, who raced for a touchdown.

The Indians tied the score late in fourth quarter when two passes from Mathews to Carver clicked and Mathews made the extra point.

In the waning seconds the Aces pushed across the winning touchdown. The Aces led in first downs with 11 and four for Hertford. Edenton completed five of nine passes for 75 yards and the Indians completed four out of nine passes for 96 yards.

Specialist Offers New Recipe For Fruit Cake

Christmas may still be a couple of months away, but it's time now to

make your seasonal fruit cakes if you want them to be properly aged.

Fruit cakes make wonderful gifts for friends and neighbors, so making them now will help to simplify the actual gift shopping you'll have to do later. One of the newer ideas for fruit cake gifts is the one-pound loaf. You'll find it much easier to slice and even so much simpler to wrap them than the traditional giant round fruit cake.

Here's a recipe for light fruit cake offered by Virginia Wilson, State College extension nutritionist.

Light Fruit Cake

1 cup butter or margarine
1 cup sugar
5 eggs
2 cups flour
1½ teaspoons baking powder
¼ teaspoon each salt, cloves, nutmeg and mace
1 teaspoon cinnamon
¼ lb. finely cut citron
¼ lb. finely cut orange peel
¼ lb. candied cherries sliced
1 lb. seedless raisins
1 lb. currants
3 cups almonds or pecans sliced
1 cup fruit juice

Cream the butter and sugar together. Add one egg at a time and beat each in thoroughly. Sift 1 cup of flour with the salt and spices, then add to the creamed mixture alternately with the fruit juice. Sprinkle the other cup of flour over the fruits and nuts that have been thoroughly mixed together. Add these to the cake mixture. Pour into two 9 x 5 inch loaf pans or one 10 inch tube pan lined with heavy paper well greased. Bake in slow oven (275 deg.) for 3 hours. When cold, wrap in waxed paper or aluminum foil and store in a tin box.

Happy is the house that shelters a friend. —Ralph Waldo Emerson.

Wreck Mars Record In Chowan County For 1954 Fatalities

First Automobile Wreck Resulting In Serious Injury

The recent automobile accident at the corner of West Queen and Granville Streets broke Chowan County's record of having no fatalities thus far in 1954. Not only was it the first fatality, but it was the first automobile accident causing serious injury.

According to Mack Rogerson, State Highway Patrolman, automobile accidents in Chowan County thus far in 1954 are about half of what they were last year. Patrolman Rogerson says that in the State as a whole, 130 less people have been killed in automobile accidents to date than during the same

period last year and in Chowan County there have been three less killed than last year.

Patrolman Rogerson, as well as all State Patrolmen appreciate the cooperation of so many automobile drivers in the highway safety drive, which they attribute to the reduced number of accidents.

Chowan County has a low rate for

fatalities, but a very high rate for property damage due to automobile accidents.
