

## Achievement Day Is Well Attended At Cross Roads Oct. 26

### Sixty on Hand Representing All of County's 11 Clubs

Approximately 60 Home Demonstration Club members representing all of the 11 clubs in Chowan County and a number of guests assembled in the Cross Roads Community Building, Tuesday, October 26, for the annual Fall Federation meeting of Home Demonstration Clubs, better known as the Achievement Day. The building was tastefully decorated by the members of the Chowan Club with colorful arrangements of fall flowers and berries.

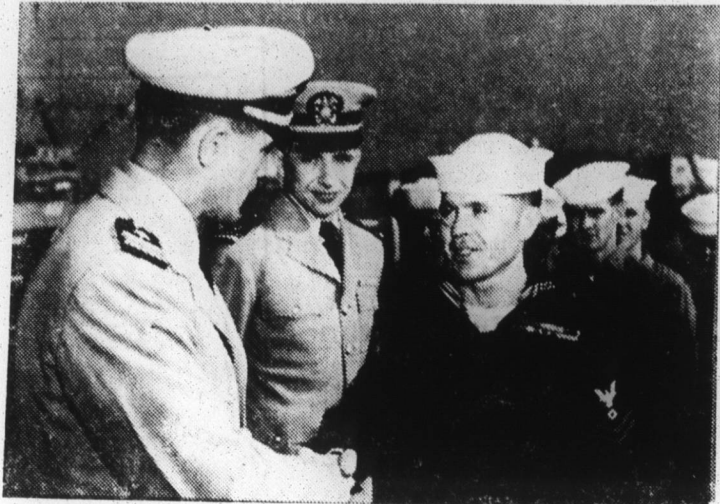

Mrs. I. E. Halsey, Jr., County Council president, presided. Mrs. C. P. Harrell, Advance Club member, gave a most cordial welcome which was followed by a response by Miss Inez Perry, Ward Club member. Mrs. H. T. Hollowell, County Council secretary, called the roll by clubs and read the minutes of last year's meeting. Beech Fork Club was recognized for having seven members present.

Mrs. W. H. Saunders, County Music Leader, introduced the guest speaker, Mrs. Vernon James, State Music Chairman, from Elizabeth City. Mrs. James gave an interesting talk on the significance of the State music program. She pointed out that North Carolina was the first state to hold a training school for county music chairmen and club music leaders. This school was held in Greenville, in 1951. "Since that time," she explained, "Every supervisory district in the State has held music training schools. 27 counties have organized choral groups, music books have been printed, and 82 rural church choirs have been organized. Our music program is a most significant one for rural communities and that because of it we will have a greater opportunity for musical expression and to share and enjoy good music. Through the music program as much as through any one thing we are accomplishing the home demonstration goal of making more effective the institutions of community life.

A most interesting county report was given by Mrs. Wallace Goodwin, Mrs. Frank White, Jr., Mrs. H. H. Lane, Mrs. Marvin Smith, Mrs. John Hollowell and Mrs. Charlie Peeler. Special music for this part of the program was furnished by Mrs. W. H. Saunders, Mrs. Paul Ober, Kay White, Carolyn Wilson, Margaret Raines, Peggy Perry, Ann Pierce, Emily Leary and Clara Mason.

Mrs. H. M. Phthisic, Byrd Club member, gave the highlights of her trip to the United Nations, using beautiful color slides to illustrate her talk. Mrs. Elbert Peeler, vice president, presented perfect attendance certificates to the following club members: Advance, Mrs. W. D. Goodwin; Beech Fork, Mrs. W. H. Saunders and Mrs. I. E. Halsey, Jr.; Byrd, Mrs. C. W. Overman; Center Hill, Mrs. B. P. Monds; Enterprise, Mrs. Noah Goodwin, Jr.; Gum Pond, Miss Baulah Evans; Oak Grove, Mrs. Percy Nixon.

## CHOWAN COUNTY BOY RE-ENLISTS

O'Connell, upon re-enlisting for six more years in the Navy aboard the escort vessel USS Spangler. Parrish is the son of Mr. and Mrs. John Parrish and husband of the former Miss Myrtis Irene Peebles, all of Route 1, Edenton. Parrish is holding his re-enlistment bonus of over \$1,500 and his honorable discharge from his first four years of service.

Mrs. Hoskins Goodwin, Mrs. Marvin Evans and Mrs. Elbert Peeler; Rocky Hook, Mrs. Henry Bunch; Ryland, Mrs. H. H. Lane; Ward, Mrs. A. D. Ward, Jr. These club members attended every regular club member during the year.

The Oak Grove Club was awarded a five dollar prize for their outstanding achievements during the year. This award was based on attendance at meetings, club and county projects and activities, leadership, leader participation, and other phases of club work.

The following were members of the refreshments committee: Mrs. Cameron Boyce, Mrs. Rodney Harrell and Mrs. Carey Hollowell. Following the meeting a social hour was enjoyed by everyone.

## COLORED SCHOOL NEWS

Edenton High School is pleased to share with you that a private driveway is now under construction on its campus. The driveway is being built by the Highway Department of Public Works. The driveway is being constructed at cost, which is an agreement between the Highway Department of Public Works and the Department of Public Instruction. The driveway will be covered with a hard surface and will be between the new building to be constructed on the campus and the present High School building. Chains will be erected on each end of the driveway to prevent it from becoming an open thoroughfare. The driveway will serve as a great asset in promoting child-school bus safety on the campus.
