### Bake Sale

On Friday, November 19, the Home Demonstration County Council will sponsor a Bake Sale at the P & Q Super Market.

Every club is being asked to donate cakes, pies, cookies, or candy for this sale. The proceeds will go to the County Council Treasury.

### Club Schedule

Tuesday, November 16—7:30 P. M., Beech Fork Home Demonstration Club will meet with Mrs. Stillman Leary.

Wednesday, November 17—2:30 P. M., the Byrd Home Demonstration Club will meet with Mrs. S. E. Morris.

### Menu Variety

Now's the time to vary seasonal menus with fresh or canned cranberries. Fresh cranberries, available September through December, are versatile "Show-offs" because they add bright color and distinctive flavor to any meal. Cranberries are versatile, too, because they are exciting accompaniments for delicious desserts, salads and appetizers.

Cranberries, the First Fruit of America, were used by the Indians for food and medicinal purposes. The Pilgrim women learned from the friendly Indians that cranberries were edible. Cranberry sauce was served at the first Thanksgiving Meal. Today inviting cranberry dishes still have the tendency to change an ordinary meal into a festive occasion.

### Mrs. Maurice Griffin Sees Queen Mother

Mrs. Maurice T. Griffin has returned from Washington, D. C., where she was a delegate from the 25th District of North Carolina Home Demonstration Clubs of the National Home Demonstration Council.

The meetings were held in the President's room at the Statler Hotel. While in Washington Mrs. Griffin was an interested spectator of Queen Mother Mary of England, who was attending a press tea also held at the Statler.

## New Bigger Plymouth

Plymouth's completely new 1955 cars are lower, wider and more than 10 inches longer than previous models. With either a PowerFlow Six or Hy-Fire V-8 engine, they are the most powerful cars Plymouth has ever built. They are available with a full range of automatic and power-assist devices, including electric window lifts and power front seat adjustment. Pictured here is the Belvedere sport coupe.

### Senator Elton Aydtlett Speaks at Woman's Club

(Continued from Page One)

He said the problem of segregation is the knottiest and most explosive that has faced the people of North Carolina since 1865.

"Answers to these perplexing and tormenting problems will not be found in hot tempers, fighting phrases, defiant gestures or threats of violence," said Senator Aydtlett, "but they will be found in calm deliberation and straight thinking from the mind, heart and conscience of our state leaders and ourselves."

In conclusion Mr. Aydtlett said, "Let us pray that it is not too much to hope that our people will band all of their energies to find a way to save the solid values three generations have built into the schools; that we will find a way to avoid the losses which for the moment appear both frightful and inevitable to all too many people; that we will find a power in us greater than ourselves to dissolve corroding and disruptive issues as fast as they arise; for we cannot keep the schools if we do not keep the peace."

Mrs. Richard Goodwin presided over the meeting and the following new members were welcomed into the club: Mrs. George Alma Byrum, Mrs. John Paines, Mrs. Leonard Small, Mrs. J. D. Elliott, Mrs. John Mitchener, Jr., and Mrs. Thomas Ward. Mrs. John Bunch was reinstated as a member and all were presented a corsage by the club.

The club voted to give \$150 now toward the purchase of a new activity bus and to present another \$150 toward the bus in January.

Mrs. Joe Conger, Jr., reported that

the Woman's Club will enter a float in the Business and Professional Women's Club annual Christmas parade and party.

A recommendation was made by Mrs. T. C. Cros, Jr., chairman of ways and means, that the club publish a cook book, the recipes to be submitted by members of the club. The club decided to go ahead with the plan and it is hoped the book will be ready for the public by Christmas. The book will be sold for \$1.00 each.

The president called on the various committee chairmen for reports after which the meeting adjourned.

### Prominent Visitors In Edenton On Monday

Edenton had two prominent visitors Monday, when Mr. and Mrs. Franklin D. Roosevelt, Jr., of New York called on Mrs. John Mitchener for a brief visit. The Roosevelts were traveling on a yacht by way of the inland waterway to Charleston, S. C., and while in Elizabeth City decided to run over to Edenton.

Mrs. Roosevelt, the former Miss Susan Perrin, was a member of the Marine Corps and was stationed at the Edenton Air Station from 1942 to 1944. During her brief stay she visited a few friends made during her stay in Edenton.
