Interest Increasing In 4-H Club Work

The 4-H Local Clubs in Chowan County are the pride and joy of doing 4-H Club work. These clubs made many accomplishments and worth while achievements in 1954 and the club members and their local leaders are to be congratulated. The attendance at the local meetings was very satisfactory for the most part, for the entire year. At times the meetings were held upon a one hundred percent attendance was impossible, but since the local clubs have met on a regular schedule throughout the year, many club members and local leaders have made sacrifices to attend the local meetings. Robert S. Marsh, assistant agent, has been asked to organize local 4-H Clubs by some leaders in other communities and it is hoped to have a local 4-H Club in each major community in Chowan County.
