## News About Clubs In Chowan County

By HATTIE SINGLETARY Home Demonstration Agent

Last week Home Demonstration Leaders from Pasquotank, Currituck, Camden, Perquimans, Gates, and Chowan Counties met in Elizabeth City to make plans for the 25th District Federation meeting which will be held April 14, in Gates County.

"The Savings Bonds are the favorite investment of United States families of all income levels," he said. "Today the flow of cash into savings bonds is at a high level and still rising. ## NATURAL AS THE FOOD YOU EAT

## CHILEAN NITRATE of SODA is the world's only NATURAL NITRATE FERTILIZER

NATURAL as the food your children eat, Chilean Nitrate is the only natural nitrate. Guaranteed 42 per cent plant food.

- ★ Richest of plant foods. Chilean's many extra values make it one of the most efficient and economical nitrogen fertilizers.
- ★ Chilean's nitrogen content is 100 per cent nitrate. Ideal for top-dressing and side-dressing. Free flowing, spreads evenly and smoothly.
- ★ Chilean needs only moisture from the air to dissolve—no waiting for rain—fast, effective action.
- ★ Every ton of Chilean contains sodium equivalent to 650 pounds of commercial limestone—an acid-destroying agent. The more Chilean you use, the greater its acid-destroying value.
- ★ Sodium supplements potash—when necessary, substitutes for it—reduces leaching losses of potash, calcium, magnesium—releases unavailable potash in the soil.
- ★ Sodium increases availability of phosphate in the soil and improves efficiency of applied phosphate.
- ★ Chilean is rich in small quantities of minor elements necessary for healthy vigorous growth—it's the only natural combination of 100 per cent nitrate nitrogen, sodium and minor elements.
