

# Edenton Woman's Club Gets American Cancer Society's Service Award For Its Record

## Local Club Is Highly Praised By State Officials

The Edenton Woman's Club has received a Certificate for Ten Years Service from the American Cancer Society signed by the president and vice president of the ASC. Mrs. George E. Marshall, Executive Vice President of the American Cancer Society, was high in her praise of the local Woman's Club as the following excerpts from her letter, which accompanied the award, show:

"The Edenton Woman's Club has actually served for 11 years and has raised or exceeded its quota each time during this period. This record is exceeded only by Surry County which has been organized for 13 years. Of course, you would not want to compete with my own county, would you? But this is a magnificent record—one which no other Woman's Club can claim."

"We did not have a certificate of 11 years of service, but we hope that you will want to frame this and hang it where the citizens of your county can see it."

"Please express to all the members of the club our warm appreciation for their crusading spirit in the cause of cancer control."

"Please help the crusade of the fight against cancer by giving generously." is the appeal of Mrs. Reeves.

### ATTEND CONFERENCE
