

Second Dose Of Polio Vaccination Given Last Week

Children Treated Each Monday Afternoon In Edenton

The second dose of polio vaccination was started in Edenton Monday of last week and according to Dr. B. B. McGuire, District Health Officer, 26 children were inoculated.

Camden started Thursday of last week when only two children were treated. In Elizabeth City the program started Friday when 52 children were inoculated. Dr. McGuire points out that only those children in the first and second grades the past school year are eligible to be vaccinated.

Vaccinations will be given until schools open in Edenton each Monday from 1:30 to 3 P. M.

"Parents should use their own judgment about taking the vaccine on the above days," says Dr. McGuire, "but parents should accompany their children or send a note requesting that it be given."

Town Councilmen Consider Few Items At Special Meeting

Give Up Idea of Purchasing Railroad Right-of-way

Meeting in special session Friday afternoon, Town Council decided to drop the idea of purchasing the abandoned Norfolk Southern Railway right-of-way from West Queen Street to Albemarle Street for the purpose of opening up a new street. The idea was previously advanced that a new street would relieve traffic on Broad Street and at the same time open up an area for building houses.

A portion of the right-of-way belongs to the Norfolk-Southern, a small part to Robert Smith and still parts of it have reverted back to the original owners since it was abandoned, so that some considerable amount of expense would be involved for the town to secure ownership and build a street. It was pointed out that traffic could be relieved just as much of the town would extend its right-of-way of Mosely Street north from Albemarle Street.

At the meeting Town Attorney J. N. Pruden was requested to proceed with the necessary legal steps to collect all delinquent taxes on real estate.

Before the meeting adjourned the Councilmen also considered possible lease or purchase of the abandoned L. S. Fish Hatchery property.

Sherwood Harrell And Dick Lowe Wins State Honors Last Week At Annual 4-H Week

The annual 4-H Week was held at N. C. State College in Raleigh last week. County Agent C. W. Overman says that he is rather glad that Assistant Agent Bob Marsh was in summer school so that he could attend the event. "It is the first time I have attended a 4-H Club Week since 1946 and I thoroughly enjoyed it," says Mr. Overman.

There were some 1,200 4-H members in attendance representing nearly every county in North Carolina. There were 14 4-H'ers from Chowan County there for the week. Most of the Albemarle counties were represented and their attendance was signified by their participation in many of the events.

The program theme for the week was "Improving Family and Community Living." The program was well planned and well executed. Leading 4-H members presided at the meetings and conducted the various events with the Extension staff remaining in the background for any assistance needed. Four classes were conducted and each 4-H club member had an opportunity to attend all of these. "It's Nice To Know" was led by Miss Corinne Grimsley. "There's Music in the Air" was conducted by N. C. Lindsay of Toronto, Canada. "Drive With Care, Everywhere," was led by E. W. Jones of the State Highway Patrol. "Recreation Leader"

Ministers Opposed To Carnival As Part Of Chowan's Fair

Register Protest Due To Gambling Being Allowed

Representing Tri-County Ministerial Association, the Rev. James MacKenzie, pastor of the Edenton Presbyterian Church, and the Rev. Ralph Knight, pastor of Ballard's Bridge Baptist Church, appeared at the Chowan County Commissioners' meeting Monday in an effort to prevent the appearance of a carnival in connection with the Chowan County Fair, scheduled to be held the week of October 17-22.

The basis for the protest was aimed primarily at gambling, which both ministers pointed out is against the law and that in previous years nothing has been done to prevent it. The speakers claimed promises not to allow gambling have been broken and they inquired how they can appeal to in order to prevent gambling at the fair.

W. W. Byrum, chairman of the County Commissioners, informed the ministers that the Commissioners did not constitute a governing body and also pointed out that the sheriff is chosen by the electorate, so that his duties do not come under their jurisdiction.

Sheriff J. A. Bunch was called in and after discussing carnivals pro and con, he stated that he doesn't know of a clean carnival and that gambling is carried on in one way or another at all carnivals.

Mr. Byrum told the ministers the Commissioners usually waive the county tax on carnivals, not that they sanction gambling or indecent shows, but rather to cooperate with sponsoring organizations to raise money which goes toward worthy projects.

Both Mr. MacKenzie and Mr. Knight urged the Commissioners to prohibit carnivals from coming to Chowan County and were unrelenting in their argument that gambling is a violation of the law and should be treated in the same manner as any other kind of law violation. They pointed out that if a man is speeding or driving drunk he is arrested without a complaint filed and placed gambling at a carnival in the same category.

No definite action was taken by the Commissioners at their meeting Monday.

Principal Address Is Made By the Rev. W. C. Francis

Sunday was a big day for members of the Rocky Hock Baptist Church when members and friends by the hundreds gathered at the church to join in observing homecoming day. The affair was planned in connection with the recent completion of a new 19-room educational building.

The program got under way at 10:30 A. M., and continued until about 3:30 and between the morning and afternoon services the huge crowd enjoyed a delightful dinner served on the church grounds. The spacious church was unable to accommodate the large number of people who turned out for the occasion.

The principal address was made by the Rev. W. C. Francis, a former pastor who is now pastor of a church at Kannapolis. Mr. Francis used as his subject "Faithful Stewards," directing his remarks to stewardship. "We must give an account of our stewardship to God," he said "and to neglect our stewardship is to risk unfavorable condemnation, for God rewards all faithful stewards." He highly praised the congregation for their most recent accomplishment.

Also taking part in the services were the Rev. W. A. Hollowell, the Rev. B. L. Raines, present pastor of the church, the Rev. J. W. Privott, with special music provided by the junior chorus and the adult choir.

At the afternoon service the devotional was led by W. A. Harrell, with special music provided by a male quartet and youth choir. Speakers were the Rev. Paul Harrell, the Rev. J. W. Privott, the Rev. Alphonso Jordan, the Rev. Robert White, the Rev. Raymond White and the Rev. B. L. Raines. An interesting history of the church was presented by the Rev. Norman Ashley of Salemburg and prayer was offered by W. J. Berryman.

Rocky Hock Baptist Church's recorded history goes back to 1835 but it is the general belief that the congregation met many months and perhaps years before formally organizing. The first house of worship was built about 1835 and was of logs. It stood in the forks of the road, 150 yards northeast of the present building. This first church was sold in 1835 and some of the interior lumber was made into a barn built near Macedonia Baptist Church.

The first frame structure was built on the present church site in 1855 and in 1903 the church was rebuilt and is now the part used for the sanctuary.

In 1924, under the leadership of the pastor, the Rev. W. F. Cale, Sr., a building program resulted in the addition of 12 Sunday School rooms, six to either side opening
