Affair Will Be Held In Dixon Store on Broad Street

The Edenton Woman's Club is having a Thrift Sale on Friday and Saturday, September 16 and 17, from 9:00 A. M. to 5:00 P. M., in the Dixon store on the corner of Broad and King Streets. They will also have at the same location on Saturday, September 17, a bake sale of cakes, pies, candies and breads made by members of the club.

If anyone wishes to donate any discarded clothing to the club for the sale, Mrs. R. J. Boyce at 367 or Mrs. A. M. Stanton at 758 will be glad to pick it up. The proceeds of this sale will go toward charity and community projects here in Edenton and in the county.

Miss Elizabeth Moore again has brought special publicity to a club project with her article in the August issue of Southern Architecture on the Barker House entitled, "Edenton's New Community Building," by Elizabeth Vann Moore.

According to various committee reports, club activities will be off to a full start this month. The first event will be a thrift sale to be held September 16 and 17 at the former Tots & Teens store, corner of Broad and King streets. A bake sale will be held on Saturday, September 17, in conjunction with the thrift sale. Anyone having clothing to donate for the sale is asked to contact Mrs. R. J. Boyce at 367 or Mrs. A. M. Stanton at 758, who will pick up the clothing. Proceeds will go to charity and community projects in Edenton and the county.

Miss Laura Satterfield, a member of the Barker House Governing Board and chairman of the Birthdays Calendar committee, said plans for the soliciting of birthday calendars have been completed and urged each member to make an all-out effort in the sale of listings and calendars. She pointed out that this project is one of the most important in raising funds for the restoration of the Barker house. The club voted to list meetings and board meetings on the calendar.

Mrs. William Cozart, playground chairman, announced that complete plans for the annual Halloween Party will be given at the October meeting. She read a report by Miss Barbara Leary, who served as playground supervisor for the summer months, in which Miss Leary stated that an average of 40 children used the playground daily and that, in addition she conducted a story hour in the mornings.

Mrs. Leonard C. Small, Teen-Age Club representative, reported that the Teen-Age Club operated during the summer and was self-supporting.

Mr. J. D. Elliott, United Service Organizations representative, reported that the Edenton USO Clubs are in full operation and that Col. Peyton had obtained from Town Council an underwrite of \$1,100 for the two USO Clubs. She also stated that two two-ton air conditioners are now in operation. Mrs. Earnhardt appointed Mrs. R. E. Parrish to receive reserva-

tions for the district meeting to be held in Elizabeth City on October 15, and urged members to attend. The members were also reminded to save the Kraft mayonnaise coupons and to give them to Mrs. Gerald D. James.

Mrs. T. C. Cross, Jr., who attended the State Convention April 26-28 in Greensboro, N. C., read and discussed the following resolutions passed at the convention:

1. That we pledge wholehearted cooperation in establishing and maintaining a Civilian Defense program on national, state and local levels.
2. That we cooperate with civic groups, churches, schools and youth organizations in promoting clubs and increased recreational facilities to help prepare our youth for useful, happy citizenship.
3. That we ban from all store magazine racks and other places, so-called crime comics.
4. That we give wholehearted support to hospitalized veterans who have done so much for the sake of others.

The president concluded the meeting with an interesting account of the Council Institute conducted in Raleigh June 28-30. She stressed the importance of this session to a local president, and expressed the desire that the club would in the future include this as an expense item in the budget.

Hostesses for the meeting were: Mrs. R. E. Parrish, Mrs. J. Earl Richardson, Mrs. E. L. Nixon, Mrs. Murray Byrum and Mrs. L. C. Burten, Jr.

R. L. Ward bought the grand champion pen exhibited by Jerry White and A. M. Forehand bought the grand champion pen exhibited by Ruth Ann Layden. Each purchaser of the two grand champion pens paid \$2.90 per bird. Other persons who helped make the sale successful by buying the pullets were: J. W. The terms of Mr. Cheers and Mrs. Leary expired in June of this year and they, too, were reappointed for terms of six years from June.

Henry Allen Bunch again appeared at the meeting with a request to remove a tree which interferes with his driveway. The Street Department was authorized to remove the tree.

The Zoning Adjustment Board requested Town Council to adopt an ordinance amending the zoning ordinance by establishing zoning regulations applying to trailers and trailer camps. So it was decided to give some publicity to the proposed ordinance and take some action at the October meeting.

Another request was to consider an ordinance regarding to load limits of trucks traveling on Granville Street between the intersection of N. C. Highway 32 and West Queen Street. The matter was dropped.

It was voted to appropriate \$100 for an advertisement of Edenton to appear in a booklet to be printed in connection with the 250th anniversary celebration of Bath.

Discussion of proposed extension of the town limits was on the agenda, but it was decided to take up this matter at a special meeting to be held Monday night, September 26, at 8 o'clock.

Town Clerk Ernest J. Ward, Jr., was instructed to write a letter to Devol Holton thanking him for securing a siren for the police car at a surplus price.
