Edenton Aces Will Play First Game At Home Friday Night

Band Will Also Be On Hand To Liven Up Game

Football fans will have an opportunity Friday night to see the Edenton Aces in action on their home gridiron for the first time this season when they are scheduled to lock horns with Beaufort High School.

The Aces opened the 1955 season on September 9 when they played Roanoke Rapids on the latter's field. The Aces, the victims of two bad breaks, lost to the Halifax County outfit by a score of 20 to 13.

The Aces are now scheduled to play five consecutive home games including, in order, Beaufort, Elizabeth City, Tarboro, Hertford and

Ahoskie, the latter three being conference games.

Despite two victories to one defeat, Coach Bill Billings has been practicing hard during the week. The strength of the Beaufort team is a big question mark so that Coach Billings is leaving no stone unturned in order to have the Aces ready for anything the Carteret County boys have to offer.

Billings has announced the following as the probable starting lineup for the Aces: Kramer and Emminzer, ends; Ward and Fletcher, tackles; Keeter and Canipe, guards; Speight, center; Holland, quarterback; Bunch and Bass, halfbacks, and Wilson, fullback.

The game will begin at 8 o'clock and the Edenton band under the direction of Miss Lula Williams, will play prior to the game and entertain.

Employ Physically Handicapped Week Committee Announced For Edenton

Purpose of Local Committee Is to Assist Those Persons Who Have Physical Handicaps to Secure Suitable Employment

A local committee was formed on September 21st to act in behalf of physically handicapped persons in the Edenton area. The purpose of this committee is to assist all persons who have physical handicaps in locating suitable employment or in availing themselves of rehabilitative measures.

On September 22nd a meeting of the committee was held in the Employment Security Office to discuss various steps that could be taken in this connection. The committee is composed of the following: Mayor Ernest Kehayes, W. J. Taylor, Mrs. J. H. McMullan, Jesse Harrell, Miss Mildred Menden, J. Edwin Bufflap, J. R. Dulaney and Milton E. Bass.

Each year the national committee gives an award to the most outstanding handicapped person. This year's award went to Judge Cathery of Asheville, who is also blind.

During the meeting, it was pointed out that many persons had no

tionable handicaps, but if a suitable job is found for the person his deformity not only did not prevent him from doing a good job, but that frequently he could do a better job than a non-handicapped person. It was also pointed out that North Carolina was doing a good job in rehabilitating many persons with physical handicaps who needed some training or other assistance before they could be considered employable.

The local Employment Office, along with various civic clubs and other public agencies, gives counseling and special assistance to all handicapped persons. The committee urges all employers to use these handicapped persons whenever possible and help them make a normal adjustment to life while contributing their skills and abilities to community work-life.

Physically Handicapped Week will be observed October 3-8.
