

Edenton Christmas Party Will Be Held Thursday, Dec. 1st

Initial Plans Discussed At Meeting Held on Monday Night

Representatives of the civic organizations of Edenton and Chowan County met Monday night in the Penelope Barker community house to discuss plans for the annual Christmas parade and party sponsored by the Edenton Business and Professional Women's Club and the merchants of Edenton.

Mrs. Margaret Phtisic, general chairman, gave an outline of the program and stressed the importance of each organization entering a float in the parade in order to make the affair a success. She asked each representative to present the idea to their respective club and to encourage them to be represented in the line of march this year.

The parade and party will be held Thursday, December 1, at 4 o'clock. Miss Goldie Layton, chairman for the parade, requests that all clubs please notify her by calling 266-W no later than Wednesday prior to the parade, whether or not their club will enter a float. She also asks that all floats be at the ball park by 3 o'clock on the day of the event.

Two prizes will be given for the best floats. First prize will be \$15.00 and second prize, \$10.00. There will be no restrictions on the type of float entered, but it is requested that identification be on both sides of construction. Invitations will be sent to several bands in this area to take part in the parade, and it is hoped some clowns may be secured.

Representatives at the meeting were Mrs. John E. Baxter, Officers' Wives Club of the Edenton Base; Miss Helen McDonald, Assistant Home Agent; Robert S. Marsa, Assistant County Agent; J. M. Bayce, Jaycees; Robert Powell, Rotary Club; Mrs. Thomas Elliott, Chowan High School; Mrs. Ella Gray Potts, VFW Auxiliary; Mrs. John Bunch, Woman's Club; Percy Smith, Lions Club; Miss Inez Felton, president of the BPW Club; Mrs. Margaret Phtisic, Miss Goldie Layton and Miss Evelyn Leary, BPW Club.

County Receives \$36,480 In Federal Funds To Combat Mosquitoes After Hurricanes

Project Will Include Cleaning Ditches and Opening Swamps

W. W. Byrum, Chairman of the Chowan County Commissioners has been notified that \$36,480 has been made available for Chowan County from the Federal Civil Defense Administration for damage growing out of and in connection with Hurricanes Connie and Diane.

The money will be earmarked for mosquito control in that the recent hurricanes have damaged ditches and due to clogged up drainage extensive areas in the county are inundated. In fact, mosquito breeding is so severe in some sections that normal farming operations and livestock are being severely affected.

No Funds Cause For Dormant Condition Of Swimming Pool

George Twiddy Makes Report at Rotary Meeting

At last week's Rotary meeting President Gerald James called upon George Twiddy to give a report on the proposed Edenton swimming pool, which has been at a standstill for months.

Mr. Twiddy told the Rotarians that about \$7,000 had been raised by contributions when the project was started. He explained that the steel which is piled beside the armory cost \$5,000 and freight and other expenses in getting the steel to Edenton cost \$2,000, so that the swimming pool fund is exhausted.

Mr. Twiddy stated that it was the hope of the swimming pool committee that when the steel arrived and people saw the progress being made, interest would be stimulated and enough contributions be forthcoming to complete the pool.

Edenton Receives \$8,200 To Repair Hurricane Damage

Work Already Begins In Opening Clogged Ditches

Mayor Ernest Kehayes was notified late last week that \$8,200 had been allocated to Edenton by the Federal Civil Defense Administration to repair drainage damage caused by Hurricanes Connie and Diane.

According to information the money can be used to open ditches which were affected by the hurricanes, spraying to control mosquitoes and other repairs caused by the extremely high water.

Upon notification that the fund was approved, the Street Department purchased equipment, employed extra men and began at once to clean out various ditches which were clogged up and thus preventing proper drainage.

Legion Sponsors Two Dances This Week

Ed Bond Post of the American Legion Will Sponsor Two Dances This Week

The Ed Bond Post of the American Legion will sponsor two dances this week, both to be staged in the Legion home. The first dance will be held Friday night from 8 o'clock to midnight, with music furnished by John Piland and his orchestra from Scotland Neck.

The second dance will take place Saturday night from 8 o'clock to midnight, with music furnished by J. D. Page and his orchestra from East Carolina College at Greenville. The Legion dances have been attracting large crowds, so that many are expected to attend the two dances this week.

Loans Available To Local Farmers For Hurricane Damage

F.H.A Representative In Edenton Wednesday Mornings

Loan programs are available to assist farmers, especially those in hurricane disaster areas, according to Chowan County Agent C. W. Overman. A meeting for this area was held in Elizabeth City last Friday afternoon under the direction of Congressman Herbert C. Bonner.

In Friday's meeting, Mr. Bonner stated that there has been some relaxing of loan regulations to meet emergency needs. He also stated that further changes will be made to enable the loan provisions to meet the farmers' needs.

This was a climax to efforts being put forth to save farmers in dire circumstances, Overman says. He gives the following story of what has taken place to date.

On August 31, the Chowan County Agricultural Technical Committee set up a County Agricultural Hurricane Disaster Committee. This committee estimated the crop damage done by Hurricane Connie and Diane at \$322,480. Two weeks later, the County Agricultural office

Commissioners Stunned Over Estimate Of Revaluation Of Property In Chowan County

With revaluation of property in Chowan County being on the minds of Chowan County Commissioners for a year or more, some concrete information as to the magnitude and expense of the project was learned at the Commissioners' meeting Monday.

Present at the meeting was Joseph H. Quigley, in charge of sales in North and South Carolina for the Cole-Trumble Company of Dayton, Ohio. Mr. Quigley explained in detail just what is done in order to secure a fair appraisal of each piece of property, and the method used to include all property in the county, which involves a great deal of work on the part of trained and experienced men.

The Cole-Trumble Company has done revaluation work in a number of North Carolina counties, including Iredell, Catawba, Caldwell, Wayne, McDowell, Richmond, Pamlico, Cleveland, Lenoir, Mecklenburg, Burke, Davidson, Lee, Chatham, Moore, and is now completing revaluation in Pasquotank County. Revaluation has also been done for Winston-Salem, Greensboro and Burlington.

Mr. Quigley told the Commissioners that in some instances his company has found enough property not even on the tax books to almost pay for the cost of revaluation and that very little complaint has been received.

Town Ordered to File Answer to the Complaint Before Judge Chester Morris In Elizabeth City October 18th

Figure of \$30,000 Given at Meeting Held Monday

Signed by Superior Court Judge Malcom C. Paul, the Town of Edenton on Monday was served a restraining order enjoining the Town from removing a tree in front of the property of Henry Allen Bunch on Oakum Street. The plaintiffs in the action are Mrs. Raymond S. Carr and Miss Clara Wheeler, who object to removal of the tree.

Mr. Bunch on three different occasions requested the Town to cut down the tree. The first two requests were denied, but when he made the third request Town Council voted to have the Street Department remove the tree.

Mr. Bunch gave as his reason for wanting the tree removed that it was a hazard in that it protrudes in his driveway, which makes it dangerous for his wife, who is a nurse and is called out at all hours of the night. He also claims that the tree extends over the front of his house and that it keeps out the sun so that it is difficult to have a lawn or otherwise beautify his property.

In the complaint Mrs. Carr and Miss Wheeler aver the pineleaf water oak is tall, sturdy, healthy and thrifty and is more than 50 years old. That the tree retains its foliage almost the entire year and is a benefit and pleasure to all residents in the immediate neighborhood, and that the tree affords shade.

Chowan Scheduled To Elect New ASC Committee Oct. 18

County Divided Into Three Communities Instead of Seven

The county election board is specified. This Board selects a Community Election Board of three persons for each community. Each community Board selects a slate of ten nominees for its respective community and holds the polls.

Any farmers may make an additional nomination by placing his nominee's name at the top of a sheet of paper, have ten farmers sign it and presenting it to his community Election Board on or before, October 11. The name will then be added to the list on the ballot.

Nominees for Community Number One are:

Thomas O. Harrell, Thomas Brabble, Ward Hoskins, Robert

Town Council In Accord With Need Of City Extension

Proposition Considered at Special Meeting Monday

At a special meeting of Town Council held Monday night the idea of extending the corporate limits of Edenton was considered with the Councilmen being held in session until 11 o'clock.

City extension has been on and off the Town Council agenda for a year or more, so that a special meeting was called in order to fully consider the proposition. A lengthy discussion developed, after which a motion was passed to the effect that Town Council favor extension.

Rotarians Sponsor Annual Boy Scout Fund Raising Drive

John W. Graham Appointed Chairman of Head Campaign

Edenton Rotarians at their meeting last week agreed to sponsor the annual Boy Scout fund raising drive. While no specific quota has been announced, it is hoped that during the drive \$1,300 can be raised. This amount is necessary in order for Chowan County to pay its share to maintain membership in the Tidewater Council.

The drive will begin Tuesday, October 25, and Gerald James, president of the Rotary Club, has appointed John W. Graham as chairman to head up the drive.

Mr. Graham, a former Scoutmaster of the Edenton troop, urges everyone who is interested in the development and welfare of boys in the county to make generous contributions. "On several occasions," said Mr. Graham, "Chowan has fallen short of meeting its share of the expense in Tidewater Council membership, so that it was necessary to use funds raised in other sections. We are hoping that this year Chowan County will raise the amount required."

Interest Develops For Cub Pack In Edenton

Schedule Being Planned For Regional Library In County

In the neighborhood of 50 parents of prospective Cub Scouts, including a number of Marines who are parents, were present at a meeting held Monday night in the Edenton Elementary School when a training period was conducted by Raymond Heck, Scout Executive for the Albemarle District. Mr. Heck conducted the training period, after which he presented a film about Cub Scouting.

A great deal of interest was shown in organizing a Cub Pack, which is sponsored by the Edenton Lions Club and another meeting is scheduled to be held next Monday night, when it is hoped a Pack will be organized.

At the conclusion of the meeting refreshments were served.

Local Pilot And Plane Disappear

Search Continues For 2nd Lieut. William Rusmisl

News flashed over radio and television Saturday night that 2nd Lieut. William L. Rusmisl, a Marine pilot stationed at the Edenton Naval Auxiliary Air Station, crashed in the neighborhood of Edenton. The Coast Guard Air Station at Elizabeth City picked up a short wave signal from the plane, which at that time was about 10 miles southeast of Edenton. Rusmisl was on a training flight from Miami, Fla., to Edenton.

A search including 4 planes, a blimp, five patrol boats, state police, and civilian agencies began immediately for the pilot and his plane, but up until Wednesday morning no trace of either was found.

Lieut. Rusmisl and his wife, Mitzi, made their home at 219 East Queen Street. He is the son of Mr. and Mrs. Robert Rusmisl of Gering, Nebraska.

AUXILIARY MEETS OCT. 11

The regular luncheon meeting of St. Paul's Auxiliary will meet Tuesday afternoon, October 11, at 1 o'clock in the Parish House. This will be a very important meeting so that Mrs. L. A. Patterson, president, urges a full attendance.

LIONS MEET MONDAY NIGHT

Edenton's Lions Club will meet next Monday night, October 10, at 7 o'clock. President Al Phillips urges every member to attend.

Methodists Will Be Hosts To Church Workers Oct. 10

Four Counties Expected to Send Delegates to Meeting

From 7:30 to 9:30 o'clock on Monday evening, October 10, the Edenton Methodist Church will be host to church workers from Perquimans, Chowan, Washington and Tyrrell counties. Those requested to attend are all pastors, Sunday School officers and teachers, all members of Commissions on Membership and Evangelism, and all members of Commissions on Education of the Methodist Churches in the four counties.

The purpose of this meeting is to acquaint those who attend with the Methodist program on Evangelism.

Edenton Aces Tackle Arch Rival, Elizabeth City, Friday Night In Second Home Game

Local Outfit Will Enter Game Decidedly The Underdog

With a colorful tradition dating all the way back to 1926, the contest is a "natural" as a crowd puller. But cold, hard facts and figures show no reason to believe that the game won't end just as it has in 21 of the two teams' past encounters—in an Elizabeth City victory. The Yellow Jackets won 21, the Aces five and in 1950 the game ended in a 0-0 tie.

And Edenton Coach Billings isn't too optimistic over his team's chances against the experienced and confident Yellow Jackets. He thinks that it'll take "a miracle" for his light team to wreck Elizabeth City's hopes for a perfect season.
