

## Bloodmobile Again Scheduled To Visit Edenton On Nov. 9

### County Fell Down on Last Visit With Only 60 Pints of Blood

W. E. Malone, Chairman of the Chowan County Red Cross blood program, announced early this week that the bloodmobile will again be in Edenton Wednesday, November 9.

Mr. Malone says the county's quota is again 100 pints of blood and points out that at the last visit only 60 pints were donated, due no doubt to a hurricane threat. Of the 60 pints donated, Mr. Malone points out that 27 pints came from Marines and only 27 pints from Chowan County civilians. There was no blood donated by colored people.

Mr. Malone further points out that 86 pints of blood have been used at the Chowan Hospital since the last bloodmobile visit. 44 pints for white people and 42 pints for colored people.

Any person 21 through 59 years of age who is in good health and weighing 110 pounds or more may give blood. Everyone is examined to determine if they can give blood before the blood is taken.

Mr. Malone calls upon Chowan County citizens to realize the importance of donating blood and hopes enough people will volunteer to meet the county's quota. Anyone desiring to donate blood and has not been contacted is requested to telephone Mrs. Ruth Phillips, phone 642 or Mr. Malone, whose telephone numbers are 328-W or 548-W.

"If you do not have time to make an appointment," says Mr. Malone, "just come to the armory between 9 A. M., and 3 P. M., on Wednesday, November 9. Your donation may save someone's life. Certainly it will be appreciated by some ill or injured person who may need blood."

## Col. Baker Reports Increased Interest In Cub Scout Pack

### Important Meeting Is Called For Monday Night, Oct. 24

A Cub Pack in Edenton becomes more of a reality as Cub Master Lieut. Col. R. R. Baker completes his organization. At a pack meeting held Monday night Kermit Layton, Lieut. Frohman and Hubert Willford were added as assistant Cub Masters.

The Cub Pack is sponsored by the Edenton Lions Club, under the direction of a committee composed of President Al Phillips, Tom Francis, Jesse Harrell, Herbert Hollowell and Earl Harrell.

Col. Baker states that enthusiasm is running high and that there is every indication that there will be between 100 to 125 boys between the ages of 8 and 11 years old who wish to join the organization. All boys of Cub Scout age who have not been contacted can get full information on becoming a Cub Scout from any of the above mentioned men.

A meeting of Pack Leaders, Den Mothers and Den Chiefs has been called for Monday night, October 24, at 8:15 o'clock at the Lions hall and Col. Baker hopes to have a full attendance. Ray Heck, District Scout Executive, has been assisting in the organization of the Cub Scouts and he is expected to be at the meeting on Monday night.

## Carroll Undergoes Minor Operation

The Rev. R. N. Carroll, pastor of the Edenton Baptist Church, returned home Wednesday afternoon from Winston-Salem, where he was a patient in the Baptist Hospital. Mr. Carroll underwent a minor throat operation and while he is making satisfactory progress, he will be required to refrain from nominal use of his throat for about a month.

## Advance Sale Of Football Tickets

Gerald James, principal of the Edenton Junior-Senior High School has announced that there will be another advance sale of tickets for Friday night's football game when the Edenton Aces meet the Hertford Indians on Hicks Field.

Advance tickets to this game, which is expected to attract another large crowd, can be purchased today (Thursday) and Friday until game time at Leggett & Davis Drug Store, Mitchener's Pharmacy and Bill Perry's Service Station.

## Col. Lawrence Gets Eagles At Informal Ceremony Oct. 10th

### Congratulated by Gen. Frank C. Croft of Cherry Point

Colonel Hamilton Lawrence, commanding officer of the Edenton Naval Auxiliary Air Station, received his orders promoting him to the rank of Colonel from Brigadier General Frank C. Croft, Commanding General of the Marine Corps Air Station at Cherry Point on Monday of last week at an informal ceremony held in the General's office.

Colonel Lawrence has the unique experience of not only being the first Marine to ever command a Naval Station, but also still is the only person assigned to his command. A few other interesting aspects about the Colonel are for one, the fact that he was born in Manila, thus often complicating the situation when he returns to the U. S. after a short visit to a foreign country such as even just going across the border into Mexico even though he actually is a citizen of the United States. At the age of 14 he served as an apprentice seaman in the Royal Swedish Merchant Marine aboard the "Abraham Rydberg," a square rigger, and rounded Cape Horn in 1930. While aboard ship, which was at sea for

## John Waff, Jr., Resents One Of Statements Made By B. C. Snow At Meeting In Edenton

### Local Man Says Water Of Town Used For All Purposes

John Waff, Jr., manager of the Edenton Bay Fish Company, was up in arms late last week following published reports of an address made at the Edenton Women's Club meeting by B. C. Snow of the N. C. Department of Conservation and Development.

Mr. Snow used as his subject, "Proper Sewage Disposal in Edenton," and in his remarks he made the statement:

"The Edenton Bay Fish Company operates a fish-packing plant located at Edenton. This plant operates throughout most of the year, with major operations during the herring season. Plant operations consist of washing and cleaning fish, packing and fish roe using. Edenton Bay water is used for cleaning fish roe."

Mr. Waff emphatically denies the latter statement, saying that water furnished by the Town of Edenton is used for cleaning fish roe and that all water used at the plant for other purposes is also town water.

Mr. Waff feels that Mr. Snow's statement did him a gross injustice and that it is also a reflection on the state and federal inspectors who inspect his plant. The Herald, too, is sorry about the misstatement, which was taken from Mr. Snow's prepared remarks.

## Local Woman's Club Again Declared Winner Of Corbell Cup For Outstanding Work

### Club Also Cops First Prize For Year Book

The Edenton Women's Club, for the third consecutive year, won the Corbell Cup for its outstanding work of the club year in District 16, at the annual meeting of the Sixteenth District of the North Carolina Federation of Women's Clubs held in Elizabeth City Thursday of last week. The club also won first prize on the year book, was presented an Honor Certificate for being a 100% club and was runner-up for the Mary Fearing Pitcher.

Mrs. John H. Bonner of Elizabeth City presided at the meeting and state officers attending included Mrs. Ray Dent, second vice president; Mrs. J. M. Jennette, third vice president; and Mrs. W. J. P. Earnhardt, corresponding secretary.

Mrs. Earnhardt presented the message from the president of the State Federation in the absence of

## Homecoming Day King And Queen

Miss Mary Ellis, daughter of Mr. and Mrs. J. D. Ellis, was crowned Queen and Billy Forehand, son of Mr. and Mrs. W. T. Forehand, was crowned King Friday night when the Future Homecoming Day at Hicks Field in Edenton. The ceremony took place during half-time at the football game between Edenton and Tarboro. Both students are seniors at the Edenton Junior-Senior High School.—(Evelyn Leary Photo.)

## Boy Scout Drive Scheduled To Be Held October 25th

### Plan Is To Complete Campaign In One Day

Senator N. Elton Aydlett, chairman of the 1956 Boy Scout finance drive for the Albemarle District, has announced that plans have been completed to participate in a one day, state-wide, co-ordinated drive Tuesday, October 25. The drive will kick off at 7:30 o'clock Tuesday morning with "Early Bird" breakfasts in each of the 7 counties making up the Albemarle District.

Senator Aydlett, in his opening remarks at a meeting of the chairmen of each of the 7 counties, said, "It is indeed an honor for me to serve as chairman of a drive for the Boy Scouts of America. The Boy Scout Movement is doing a tremendously successful work in training the youth of our country."

"I sincerely hope to achieve the same success and get the same fine cooperation that Judge Chester Morris has had as chairman of the drive in the past few years. Judge Morris is an ardent supporter of Scouting and has often said that if every boy could receive Scout training we could practically close our juvenile courts and institutions and eventually our prisons."

Aydlett added, "Attorney General J. Lindsay Almond, who spoke at a meeting of all campaign chairmen in the House of Representatives on September 28, said, 'For 13 years I presided as judge over a busy court. Many cases of juvenile delinquency came before me. Not one of them involved a Boy Scout.'"

## Band Parents Will Serve Supper Oct. 27

At a meeting of the Band Parents Association held Tuesday night at the Junior-Senior High School it was decided to serve a barbecue dinner at the armory Friday night of next week prior to the Edenton-Ahoskie football game. The dinner will begin at 5 o'clock and tickets will be sold by members of the band.

The purpose of the dinner is to help raise money to purchase uniforms for the band and C. B. Moon, president of the association, urges citizens to cooperate.

Mrs. Jennette presented the projects for the Junior Clubs under the subject of "Unto The Least of These," showing the work the juniors are doing at Caswell and for the Children's Home Society.

Mrs. Bonner made her yearly report and thanked the clubs for their splendid work. Reports from every club represented were read by the club presidents.

Members of the Junior and Senior Women's Clubs of Elizabeth City were hostesses for the occasion. Coffee was served at the club building prior to the meeting and luncheon was served at the Virginia Dare Hotel, after which the remaining business of the day was concluded.

Officers for the new year are Mrs. W. F. Britt, president. Continued on Page 8—Section 1

## Edenton Aces And Hertford Indians Resume Old Gridiron Feud In Edenton Friday Night

### Several of Coach Billings Boys Victims Of Injuries

One of those games that no coach of a title contender wants to play confronts Edenton's Coach Bill Billings Friday night at Hicks Field—a contest with Hertford, an ancient rival whose only hope for a successful season rests on a victory over Coach Billings' Aces.

Kickoff time—8 P. M.—will find Hertford, a team that has yet to win this season despite several good showings, in a do-or-die try to whip Edenton, a team that needs victories in all of its remaining games to return to the playoffs that brought it the North Carolina Class A Championship last fall.

Coach Billings fears that his Aces—hit hard by injuries to Halfback Jerry Downum, End Johnny Kramer and All-State Candidate Quarterback Stuart Holland—will let down just enough to allow Hertford to upset them. He experienced quite a scare last season against Hertford when the Aces, one of the best teams in the school's history, barely eked out a 20-13 victory over the fired-up Hertford eleven.

And the likeable mentor says that he knows "Hertford will be just as ready for us this season as they were last. They want to win this game worse than any other one on their schedule. They have nothing to lose and everything to gain. I know they'll be at their peaks for us."

And, though Hertford hasn't won

## Fair In Progress During This Week

### Officials Expect Attendance To Increase During Week

Chowan County's Fair, sponsored by Ed Bond Post No. 40 of the American Legion, opened Monday night and will continue through next Saturday at midnight.

A goodly number of visitors were on hand on opening night, so that with favorable weather fair officials are expecting the crowds, both day and night to increase.

Quite a few attractive booths and displays have been arranged for the fair, as well as exhibits of automobiles and farm machinery.

## Inglis Fletcher's Book Is Eligible For Award

Fifty-three books by North Carolina authors are included in the preliminary list of works eligible for the four literary awards to be announced at the annual meeting of the State Literary and Historical Association on December 2.

Twenty-two works of fiction are eligible for the Sir Walter Raleigh Award, which includes The Scots-

## Negro Circulation Is Greater Than Was Anticipated

All librarians of The Pettigrew Region will attend the convention of the N. C. Library Association at High Point, with headquarters at the Sheraton Hotel. The librarians are Miss Harriet Leary, Shepard-Pruden Memorial Library, Edenton; Mrs. C. E. Ayers, Washington County Public Library, Plymouth; Mrs. Ruth Reynolds, Tyrrell County Public Library, Columbia; Mrs. Verdie Alexander, Alligator, Bookmobile Librarian for Negroes; Mrs. F. Bryan Harris, Plymouth, Bookmobile Librarian for white people, and Mrs. Eugenia R. Babylon, Regional Director.

In accordance with announced plans, both bookmobiles will begin regular runs next month beginning Monday, October 31. Each run will be made every four weeks. In Chowan County schedules are forming for white residences and it looks now as though it will take five to six runs to cover the county. Chowan High School and Rocky Hook Central School will be served and all possible will be done to supply them with needed books. Most stops will be at private homes, for one family if necessary but preferably for several families. Chowan County will be covered November 10, 11, 14, 15, 17 and 18 if necessary.

Schedules will be published before runs are made, which will necessarily be somewhat uncertain the first time. Remember to put a white "flag" in your mailbox if you desire a stop which has not been scheduled. Preliminary runs are being worked out and the names of those contacted who wish stops will be published, but other stops may be added.

Four runs have been made for colored residents and the circulation is much greater than anticipated, according to Mrs. Babylon, who accompanied Mrs. Alexander. Oak Grove and St. Johns Schools were served with most favorable response. Books checked out by adults are mostly non-fiction including history, psychology, sociology, government, religion, poetry, applied science, music, and many cookbooks. Books for colored are supplied by the Brown-Carver Library, Edenton and by colored branches in Washington and Tyrrell counties. It will be necessary to build up these libraries to supply the bookmobile, if the circulation in Chowan County is a fair example of the Region.

The four runs will be made again November 7, 8, 10 and 14. Anyone wanting a stop not scheduled, put a white "flag" in your mailbox or send a request to the Brown Carver Library.

Circulation of books among colored people were as follows: October 10, 168; October 11, 260; October 13, 178; October 17, —.
