

Billings' Speaker At Lions Meeting

Football Coach Praises Work of Edenton Aces

Edenton Lions heard Coach Bill Billings of Edenton High School express his confidence in the high school football team at their regular meeting Monday night. Billings stated that he was fortunate in having a good team this year, one which had a good attitude, was responsive to training, and one that was in good shape physically. Coach Billings reviewed some past games and plays his team had engaged in and gave a preview of what was to come later in the season.

On a motion from the chair the club sang "Happy Birthday" to Taillwister T. B. Williford, who like a well-known comedian and violinist, was celebrating his 39th birthday.

Al Stanton reported that \$262 had been received on the White Cane drive, but that some further contributions were expected before a final report.

Al Downum had as his guest his father, the Rev. E. W. Downum and W. E. Malone had as his guest Kone Brugh.

New Desoto Goes On Display October 30th

Continued From Page 1, Section 1 cars and saw the entire new line of 15 DeSotos and eight Plymouths. Called by factory officials "the most exciting car in the world today," the new line was presented in a lavish circus setting described as "the most exciting show on earth."

Commenting on his Charlotte visit, Mr. Perry had this to say: "DeSoto has really given us something to sell. I feel we have been given every possible advantage, so we are confident that this coming model year will be the most successful in history for us and for the factory. My staff and I are thrilled with the opportunity and sincerely proud of what we will have to offer the public. The new DeSoto line certainly is, in our eyes, 'the most exciting car in the world today'. Our success should be as automatic as the cars are."

Mr. Perry invites the general public to attend the showing at the showroom on West Water Street next Tuesday.

Christmas Seal Sale Will Begin Nov. 15th

Mrs. Moore says it should be of interest to Chowan County citizens to know that the Chowan County Tuberculosis and Health Association, together with the local Health Department are conducting X-ray clinics each second and fourth Monday mornings at the Health Center in Hertford from 9 to 11 o'clock. The cost of this X-ray is \$1.00 if the person is able to pay, otherwise the entire cost will be borne by the Chowan Tuberculosis and Health Association. The work of X-raying will be continued and is expected to increase.

The Christmas Seals are only a dollar a sheet and one contribution may be worth \$15,000—the estimated average financial loss to society for a case of tuberculosis.

as much as five inches lower than corresponding 1956 models. The wheelbase has been lengthened from 115 inches for all models in 1956 to 118 inches for standard models and 122 inches for Suburban station wagons in the 1957 line.

The new car has the appearance of greater length which comes from functional styling. A broad hood, soaring tail fins and forward thrusting headlight brow all contribute to the impression of length.

In chassis design, Plymouth has accomplished its most significant

change since the introduction of independent front wheel suspensions with coil springs in 1934. The feature is called Torsion-Aire.

"The car we are about to introduce," says O. B. Perry, manager of the Chowan Motor Company, has the style and features of the car the manufacturers had thought, only a few years ago, as possible for about 1960. The public has shown an eagerness to accept dramatic change, which is found in the new Plymouth."

Mr. Perry hopes many people will visit the showroom to see the new model.

Annual Farm Bureau Meeting October 26th

Continued From Page 1, Section 1

The annual address will be made by Norman C. Larabee, a staunch Farm Bureau member. Mr. Larabee has many years of Farm Bureau organizational experience, is very active in his Farm Bureau organization in Pasquotank County, and is expected to bring a most inspirational address.

All Farm Bureau members and their families are invited. "We are mailing notices to every member we have listed in the fall drive," says Mr. Copeland. "We may not have the names of all of the members who have been written. In the event you are a member and have not received a notice of your meeting, please be sure to attend anyway."

Great Pocahontas Will Visit Edenton

Continued From Page 1, Section 1

Prior to the meeting a covered dish supper will be served for local members and special guests.

Aside from Mrs. Lane, other Great Council members expected to attend the meeting include Mrs. Dorothy Blackwelder of Concord, immediate past Pocahontas; Mrs. Virgie Fisher of Kannapolis, Great Minnehaha, and Mrs. Martha Crumley of Edenton, Great Wenona. Members of the Elizabeth City and Washington County are also expected to attend.

An interesting program for the occasion is being planned with Mrs. Louise Pratt in charge. Mrs. Dorothy Pavlich, Pocahontas of Chowanoke Council, is very anxious to have every member present.

Cancer Clinic Will Be Held November 2

The Northeastern Cancer Clinic will be held in Elizabeth City on Friday afternoon, November 2, with registration beginning at 1 P. M. A free chest X-ray will be given to anyone wishing it, along with the examination of the five areas of the body where cancer is most easily found and cured. There are no limitations as to sex, race, physical or economic status at the center. However, women should be 35 or more; men should be 40 or

over, unless referred by a doctor, or unless one of the "Seven Danger Signals" or "symptoms" are present.

Only 30 people can be seen at the Center each month due to limited facilities, so it is suggested that anyone who wishes to be assured of an appointment should write the Cancer Center, Elizabeth City, N. C., for a priority. Examinees are asked to bring a robe or housecoat with them.

Cub Scout Pack To Meet October 30th

Cub Scout Pack 159 will hold its regular monthly Pack meeting Tuesday evening, October 30, at 7 o'clock at the Edenton Junior-Senior High School cafeteria.

"Adventure With Puppets" is the theme for Tuesday's meeting, which will climax 30 days of activity among the dens of the pack. The Cubs have made string puppets, shadow puppets, stick puppets, paper bag puppets and other variations of the basic theme.

Awards will be presented to Cubs who have completed advancements since the last meeting.

FIDELIS CLUB MEETS

The Fidelis Club held its social meeting Tuesday, October 16, with 30 women present. Two projects were worked on during the evening.

One group of women sewed on the Christmas stocking project and the other group worked on the new drapes for the game room. The social ended with a few games of Bingo. Many lovely prizes were awarded the winners. Refreshments were served by Mrs. S. Jud, Mrs. C. C. Hook and Mrs. R. C. Keyes.
