

Homecoming Day At Colored School Friday Nov. 2nd

Big Parade Is Scheduled to Begin at 12:30 O'clock

Edenton's colored high school will observe annual homecoming day Friday afternoon, November 2, when the Hornets will tangle with the Trenton Lions, with the game starting at 2 o'clock on Hicks Field.

Plans are now in the making to make this year's homecoming celebration as good or even better than previous affairs. As heretofore the celebration will be featured by a big parade and climaxed by crowning the homecoming queen at half time exercises.

The parade is scheduled to begin at 12:30 o'clock, led by the local colored high school band and several other bands have been invited to participate. Many floats will also be in the line of march depicting school activities as well as various club floats from the community.

The homecoming queen, chosen by popular vote, is Alberta Hall, 12th grade student. Her attendants will be Mary Britt, 10th grade; Lula Roberts, 12th grade; Ella Roberts, 11th grade and Marian Drew, 7th grade.

The affair is expected to attract a large crowd.

Continued From Page 1, Section 1

First Quarter

Ahoskie won the toss of the coin and elected to receive, bringing the kickoff back to their own 22-yard line. On the first play the Indians fumbled and the Aces recovered on the Ahoskie 24. Bruce White on the first play cracked the line for 6 yards and Billy Bunch then registered the Aces' first first down with the ball 11 yards from the goal line. White then broke through and, carrying a couple of Ahoskie tacklers with him, scored the first touchdown before the game was much over a minute old. Johnny Kramer's kick for the extra point was perfect. The Aces kicked and Turner returned to his own 39. A pass fell short and on the next play the Indians again fumbled and the Aces recovered on the Ahoskie 40. White, disregarding the entire Ahoskie team, bulled his way to the 20 for a first down, and on the next play Billy Bunch on an option play scooted across for the second touchdown. Kramer's kick for the extra point was blocked and the Aces had an early 13-0 lead. On Kramer's kick Turner returned to his own 36. In three plays the Indians were held to 5 yards and on fourth down kicked. In a nifty return Downum carried the ball to his own 45. White was stopped for no gain for the first time and Bunch then tore loose for a first down to the Ahoskie 42. White picked up 2 yards and Downum was stopped at the line of scrimmage. On the next play Downum in a beautiful piece of running raced over for the third touchdown. White crashed through the line for the extra point, making the score 20-0. Kramer kicked and Turner returned to his own 37. Two plays netted the Indians 5 yards and then they were thrown for a 5-yard loss, after which they kicked. Bunch made it back to the 30 and the Aces were then penalized 15, putting the ball on their own 15. Downum picked up 3 and a pass was broken up, but on the next play Bunch got loose for 8 yards and a first down as the quarter ended.

Second Quarter

Downum gained 3 and White 6, after which Kramer made a first down through the middle of the line. Downum rammed through for 8 yards and then White went 11 yards for a first down to the Ahoskie 34. Ahoskie was penalized 15, putting the ball on the Indians' 19. White gained 1, Bunch 4 and Kramer 2, after which White charged through to the Ahoskie 6 for a first down. Bunch carried to the 2, from where Kramer rammed through for the fourth touchdown. His kick for the extra point was wide and the score stood at 26-0. Kramer kicked and the Indians fumbled on their own 32. At this point Coach Billings sent in the entire second team. The Aces made a yard and the Indians were penalized 5 yards. Copeland tore loose and was pulled down on the 22, from where Quarterback Robert White sneaked through to the 20 for a first down. Ted Hardison made 3 and a pass was good for a yard, after which the Aces fumbled on the 15, at which time the first team took the field. Turner gained 5 and on the next play lost a yard. The Indians then fumbled and it was Edenton's ball on the Ahoskie 17. The second team was again sent in and with the line failing to hold Robert White was thrown for a loss of 5 yards on three plays. The Aces were held for 2 yards and it was the Indians'

ball on their own 25. The first team took the field and Turner was thrown for a 2-yard loss as the half ended with the Aces leading 26-0.

Third Quarter

Ahoskie kicked and Downum returned to his own 38. Bunch picked up 4 and Ahoskie was penalized 5. The Aces then fumbled and it was Ahoskie's ball on their own 44. In two plays Turner gained 6 and then a pass failed. The Indians failed to pick up a first down so that it was the Aces' ball. White and Bunch each gained a yard and the Aces fumbled. With the ball on the Edenton 36, the Indians made 3 yards in two plays and then were thrown back for a loss to the 46, where the Aces took over. The Indians were penalized 5 and White gained 4. He then made it a first down to the 45. Bunch gained 3 and in three successive tries White went to the 26 for a first down. Downum picked up 8 and Bunch made it to the 16 for a first down. White gained 3 and Bunch 4, when the Aces were penalized 5. Downum wiggled through to the Ahoskie 7 yard line as the quarter ended.

Fourth Quarter

On the first play White carried to the 5½ for a first down. Bunch picked up a yard and White 4, after which White crashed over for his second touchdown. The pass to Bunch was too high to place for Kramer to kick, so Bunch ran with the ball and on the wet field slid over the line for the extra point, putting the score at 33-0. On Kramer's kick the Indians returned to their own 27. Three plays netted only 4 yards so the Indians were forced to kick, Bunch returning to his own 35. The Indians were penalized so that they kicked again and Bunch returned to his own 44. The second team then was sent on the field. Roche gained 5 but the Indians held the second stringers and on fourth down they were relieved by the first team and Kramer kicked. The kick was blocked however, and it was Ahoskie's ball on the Edenton 34. A pass was completed to the 18 for the Indians' first first down of the night. On the next play Overton broke through to send the passer for a 13-yard loss. Turner made 4, a

pass failed and the Indians were stopped at the line of scrimmage, so that it was the Aces' ball on their own 24. White picked up 2 and the Aces were penalized 5. After Bunch gained 2, the Aces kicked with the Indians returning to their own 33. Turner picked up 4 and made a first down to the 47 as the game ended.

have in the life and culture of the nation and throughout his remarks referred to God's plan for women to be beautiful, saying it is the natural right of every woman to be beautiful. "Some have fallen from this high pedestal," said Mr. Holmes, "but it has been chiefly through their own folly." Referring to the delicious meal, he said he hoped women will keep up the fight until home economics will be required in every school.

Before the meeting closed Mrs. H. T. Hollowell presented awards to members of various clubs for perfect attendance and book reviews and presented an award to the Advance Club for turning in the highest score and also a check to H. A. Campen in appreciation for his help in preparing a fair booth.

Health Officer Again Urges Vaccination of Children Against Polio

Dr. B. B. McGuire, District Health officer, again appeals to parents to have their children vaccinated against polio. This week Dr. McGuire had this to say:

"William Perry, 4, a colored child from Chowan County, passed away October 5 from acute polio, 'bulbar and spinal' at Maryview Hospital. "This child had had no polio vaccinations. Paralytic poliomyelitis can be brought under control and most such deaths prevented if parents will just have their children protected by vaccination. See your private doctor or the Health Department and start this series of three doses at once."

ponents except Williamston. While on the other hand the Aces have rolled up big scores ranging from 14-0 to 33-0. To date the Aces

have not allowed a conference foe to score, so that they will also attempt to maintain a clean slate. The Aces have rolled up 92 points while holding opponents scoreless in conference games.

Friday night's game will be the first home appearance of the Aces since September 21, when they

played Williamston. Five consecutive games were played on foreign soil, so that with the conference championship at stake, a record crowd of fans is expected to be on hand.

The band will parade before the game, including Cub Scouts in the line of march, and the crowd will

be entertained at half time. The game will begin at 8 o'clock.

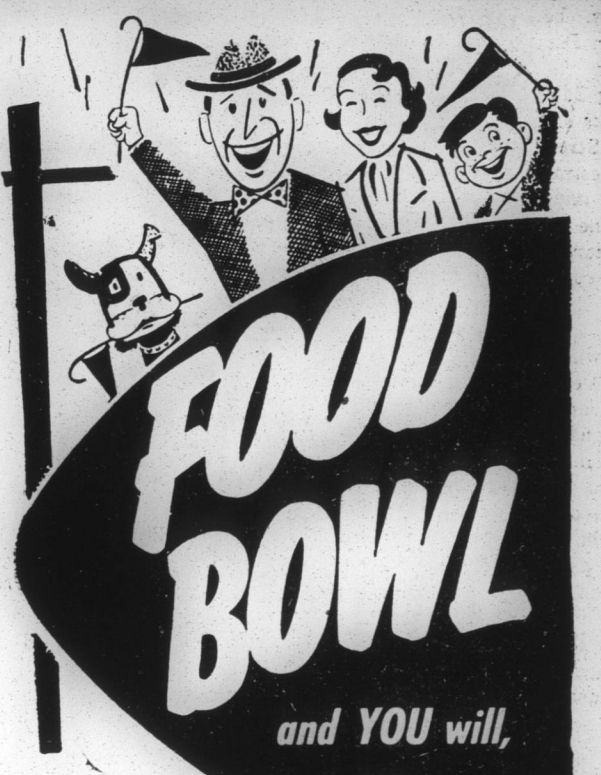

COMMISSIONERS MEET

Chowan County Commissioners will hold their November meeting Monday morning, November 5, in the Court House at 10 o'clock.
