Edenton Is Selected To Hold Pre-Campaign Meeting For March Of Dimes In District

Workers Will Meet at Triangle Restaurant Nov. 13 at 7 P. M.

Jack E. McGee, Eastern State Representative of the National Foundation for Infantile Paralysis, announces that a district pre-campaign March of Dimes "Dutch" dinner meeting will be held at the Triangle Restaurant in Edenton Tuesday night, November 13, at 7 o'clock. Similar meetings will also be held at Ahoskie, Greenville and Wilmington in order to consider ways and means of conducting successful March of Dimes campaigns which will be held in January.

"The March of Dimes will be finished with polio when polio is finished as acrippler of human beings and when repair of the damage it has done is carried to the limit of our knowledge and ability," says Mr. McGee.

The friendly informality which characterizes these meetings enables workers to discuss problems as neighbors. Fund raising methods that actually work will be presented by the volunteers who have done them in the field.

In a one-sided contest Friday night on Hicks Field Coach Bill Billings' Edenton Aces easily defeated the Plymouth Panthers, the final Albemarle Conference foe of the current football season, by a score of 62-0. The victory gave the Aces undisputed claim to the conference championship and will now enter the playoffs for the State Class A championship.

The Aces have rung up an enviable record this season, having defeated every conference foe by impressive scores. The Aces have been defeated only once during the season, that being at the hands of Elizabeth City, a non-conference team. Three other non-conference teams, Great Bridge, Va., Beaufort and Roanoke Rapids, were victims of the Aces, so that the season's record is eight victories against one loss.

In the five conference games the Aces did not allow an opponent to cross their goal line, an enviable record, and while holding them to no points, rolled up 154 for themselves. For the nine games played the Aces scored a total of 244 points while holding their opponents to 47 points, a record which speaks well for the defensive ability of this year's conference champions.

Having won the Albemarle Conference championship, the Aces will play Scotland Neck, champions of the Roanoke-Chowan Conference, for First District honors. The game will be played in Tarboro by agreement on Friday night, starting at 8 o'clock.
