

Negro Home Demonstration News

By MRS. ONNIE S. CHARLTON, Negro Home Demonstration Agent

This week we are in 4-H Club Camp at Hammocks Beach, Onslow County. Ten 4-H club members are attending. They are: Esther Bond, Carlton White, Marie Jordan, Rosa Gregory, Anne Roulac, Bobby Jean Leary, Ernestine Williams, Avon Brothers, Willie Charlton II and Samuel Coston. They will tell you their experiences next week.

During our May Home Demonstration meetings we worked on "Fly and Mosquito Control." Please let me remind you to continue on this project. We know you are very busy, but just find the time any way to control these pests.

1. Home must be screened. All windows and all outside doors.

These can be made by any handy man.

2. Destroy breeding places by cleaning up all filth. Keep home, yard, outbuildings clean.

3. Kill all flies with swatters or sprays as soon as they get into the home.

4. To help control mosquitoes: Drain all standing water. Fill depressions in the ground that hold water.

Eliminate unnecessary receptacles that hold rain water, such as tin cans, old rubber tires, discarded water buckets, fruit jars and bottles.

Keep 16-mesh wire screens over barrels and other containers to save rain water.

Rural Revival Begins Sunday

The 1957 Chowan County rural Baptist evangelistic crusade gets into full swing on Sunday with revival services beginning at the Center Hill Baptist Church, of which the Rev. Henry V. Napier is pastor. The services will be led by the Rev. Clarence Williams, pastor of the Calvary Baptist Church, Elizabeth City. The services will be held at 11 A. M. and 8 P. M. on Sunday, August 4, and at 8 o'clock each evening during the following week.

This is the first of four revivals which make up the rural Baptist evangelistic crusade. The other three churches whose revivals come in the order listed are Ballard's Bridge, the Rev. Lamar Sentell, pastor, whose revival begins August 11 with the Rev. Frank Morris of Savannah, Georgia, as evangelist; Macedonia, the Rev. L. C. Chandler, pastor, whose revival begins on August 18 with the Rev. E. D. Young of Greensboro as evangelist; Rocky Hock, the Rev. B. L. Raines, pastor, whose revival begins August 25 with the Rev. Fred Duckett, pastor of the Denton Baptist Church, Denton, as evangelist.

Preceding the meeting at Center Hill on Saturday, August 3, there will be a 12-hour prayer service beginning at noon. This prayer service has been divided into 15-minute periods of prayer and a different person has each 15-minute period. Everyone is invited to come into the church and pray, using the prayer lists which contain more than 300 names.

During the week of revival at Center Hill the choirs from other churches will take charge of the special music. On Sunday, August 4, at 8 o'clock the choir of Great Hope Baptist Church, Hertford, will have charge of special music. On Monday, August 5, the choir of Ballard's Bridge Baptist Church will have the special music with the choir from the Rocky Hock Baptist Church having charge on Tuesday, August 6. Then on Thursday, August 8, the choir from the Macedonia Baptist Church will have charge of the special music.

There will be ample parking space at the church and several men will be on hand to direct traffic. No seats will be reserved except for sick and invalids. It is urged that the public come early to assure themselves of a seat, although extra chairs will be available if necessary. The Primary-Junior choir of the church under the direction of Mrs. Henry V. Napier will have special music and object lesson will be given to the small children and young people each night by the pastor of the church.

Chowan Native Dies In Duke Hospital

Philip S. Forehand, 35, died at 8 o'clock Tuesday night in Duke Hospital, Durham, after an illness of two months. He was a native of Chowan County and lived at Tyner.

Surviving are his wife, Mrs. Myrtle Forehand; three brothers, Kelly P. Forehand of Norfolk, Pruden M. Forehand of Edenton, and Melvin S. Forehand of Suffolk; one sister, Mrs. Mattie Halsey, of Edenton.

He was a member of the Center Hill Baptist Church, where funeral services were held Thursday afternoon at 5 o'clock. The pastor, the Rev. Henry Napier, officiated and burial was in Beaver Hill Cemetery.

Palbearers were: James F. White, Wilson White, Waverly White, Ray Harrell, Carey Harrell and Daughtrey White.

Unemployment In State Is Easing Off

Insured unemployment in North Carolina last month eased off from the May totals, but still was considerably higher than that of a year ago, the Employment Security Commission reports.

In June, an average of 42,124 persons filed weekly claims for benefits, ESC Chairman Henry E. Kendall reported. While this was below May (45,700) it was a 12 per cent increase over insured unemployment in June 1956.

The employment picture brightened moderately in all industries during the month with the exception of textiles which saw its unemployment totals increase over the May figures.

The Commission noted an "encouraging" decline in hosiery unemployment. Many manufacturers feel, said the Commission, that the hosiery industry has "turned the corner" and that better times are ahead.

June's non-farm placements (12,316) varied little from May, but were almost 20 per cent below June a year ago. Farm placements rose seasonally to 91,545, a big increase over the 19,903 placements in May.

At the end of the month, there were some 22 registered jobseekers for every unfilled opening in local offices. This compares with a ratio of 17 to 1 in June last year, the Commission said.

Market Outlook For Beef Cattle

The inventory of cattle on feed published by the Agriculture Marketing Service for July 1, 1957 showed an 8 per cent increase in the 13 major feeding states over July 1 last year. The report showed that the increase in total numbers of cattle on feed were largely long-fed cattle, with the number on feed over three months up 12 per cent from last year. This increase in long-fed cattle is concentrated in the Corn Belt where, as the increase in cattle on feed less than three months was reported mainly by western states.

Guy R. Cassell, Marketing Specialist for the Agricultural Extension Service, reports that during the first half of 1957, fed cattle prices averaged between \$2 and \$3 higher than the first half of 1956. This resulted from a smaller supply of beef marketed, a slight increase in consumer buying power and smaller supplies of pork.

Timber Prices Said To Be Higher In Fall

Timber growers who sell their sawtimber in the fall receive more than those who sell at other times of the year.

This is the conclusion reached by Walter C. Anderson of the Southeastern Forest Experiment Station at Asheville from a study of an eight-year record of prices received for market timber in the Carolinas' timber growing areas. Just why the prices are highest in the fall is not entirely clear, since a number of factors influence log markets. The number of sawmills competing for timber at a given time, for example, depends primarily upon farming activity, rainfall, and the condition of the timber market.

Since many small sawmill operators also farm, sawmilling activity generally increases in the fall after crops have been harvested. This is normally the driest season of the year as well as

WHILE OUR THROATS ARE PARCHING—Beer is king for a day in the Bavarian town of Riedenburg, Germany, as these foaming "beer mugs" march through the streets during the festival of the "Day of Beer." Held for the first time, the celebration drew thousands of visitors. It featured the symbolic marriage of "Miss Barley and Mr. Hops."

an active period in the lumber market.

While no particular fall month was consistently the "best month" to sell timber, those people who sell between August and November will have the best chance of receiving top dollar or their woods products.

CHOWAN CLUB MEETS

The Chowan Home Demonstration Club held its July meeting in the club house with Mrs. R. H. Hollowell presiding in the absence of the president who was a counselor at the RA and GA camp at Chowan College. The group sang "America" and the Collect was repeated.

Mrs. Hobbs was authorized to have a loose screen fixed.

Plans were made for a soil conservation dinner to be held at the Chowan club house August 14 at 12 o'clock.

A club picnic was planned for Friday night, August 2 at 7 o'clock when everyone is asked to bring a picnic supper.

Miss Maudred Morris, home agent, urged the women to attend Farm and Home Week August 5-8 and the handiwork workshop to be held at Manteo August 20-22.

Since the last meeting Mrs. Jerry Evans was a district delegate to the State music and recreation workshop at East Carolina College, where she was in a talent show presenting a skit on recitation.

At the conclusion of the meeting Mrs. Coprew served delicious refreshments.

JAYCEE NOTES

- At the last Jaycee meeting Erie Haste, Jr., was added as a new member.
- Plans were started for the annual Broom Sale to be held in September.
- The club voted to give its proportionate share of the Glee Club profits, \$59, to the Teen-Age Club.
- The annual outing will be held at Sandy Point Beach August 22nd.
- The annual membership drive will be held in September.
- The club collected \$13.65 for Louisiana flood victims.
- The Jaycees won the last two soft ball games and are now tied with the Varsity Club for first place in the soft ball league.
- Coach Bill Billings will soon solicit advertising for the 1957 football programs.

MYF DELEGATE

Miss Marcine White is a delegate for the Edenton Methodist Church at the annual conference sessions of the Methodist Youth Fellowship to be held at Duke University next week, Monday through Friday.

A number of other young people of the Edenton church plan to attend the annual youth rally on Friday, the closing day of the conference.

CARD OF THANKS

We, the family of Philip S. Forehand, desire to express our sincerest thanks and deepest appreciation to our many friends for their many acts of kindness shown us during the illness and death of our brother and husband.

Tips on Touring

By Carol Lane
Women's Travel Authority
Keep Cool While Driving

Want to beat the heat during your summer motoring excursions? Here are some practical tips on making hot weather driving a real cool affair:

Be on the road as early as possible. The dawn is the most beautiful part of the day—and the coolest. And there's the least traffic then. An early start will give you time for a rest stop after lunch during the midday heat. If you're near a lake or stream, how about a dip before eating?

Dress right. Lightweight, wrinkle-resistant, washable fabrics are best. For the girls, full skirts, sleeveless blouses. Add a flower or scarf and you're set for restaurant dining. A veil will keep your hair air conditioned, yet neat. Keep the youngsters in shorts or lightweight coveralls.

If driving gets hot, rub your wrists with ice. No ice? At a rest stop, run cold water over your wrists, splash some on your face. Have a cooling stick cologne handy, too.

Wicker back rests allow air to circulate behind the driver or passenger, make the whole body feel cooler.

Still hot? How about a car air conditioner?

And whatever the temperature, keep cool yourself by refusing to get hot and bothered by annoying road incidents. You're supposed to be having fun, remember?

HD Club Calendar

- August 1—5:30 P. M.: Enterprise club picnic at Sandy Point Beach.
- August 2—7:00 P. M.: Chowan club picnic at Community Building.
- August 2-8—Farm-Home Week at State College, Raleigh.
- August 12—6:00 P. M.: Advance club picnic at Community Building.
- August 13—7:00 P. M.: Oak Grove Club at Community Building.
- August 14—6:30 P. M.: Wards Club at Mrs. Maybelle Winslow's home.
- August 19—6:30 P. M.: Beech Fork-Rocky Hock Clubs' picnic at Sandy Point Beach.
- August 20—6:00 P. M.: Center Hill Club at Methodist Churchyard, community picnic.

COMPLETES COURSE
Pvt. James H. Harrison, son of Mr. and Mrs. J. B. Harrison of Edenton, recently completed the communications center operation course at the Army's Southeastern Signal School, Fort Gordon, Ga. The eight-week course trained Harrison to receive, process and relay messages by various means of communications. He entered the Army last February and completed basic training at Fort Jackson, S. C. The 20-year-old soldier attended North Carolina State College. The reason why the race of man moves slowly is because it must move all together. —Thomas E. Reed.
