### OAK GROVE CLUB MEETS

Oak Grove Home Demonstration Club women had a lively time on Thursday night of last week. The demonstration, "Selection of Patterns," involved taking measurements to determine the size pattern best suited for each lady present. Generally, tape measures revealed a definite trend toward the larger—and those present had a jolly time comparing "inches."

Miss Maudred Morris, home agent, conducted the demonstration giving many helpful suggestions on pattern selection and types.

Plans were made to prepare and serve a dinner for an individual group on July 29.

The annual club picnic for members and their families will be held at the Community Building on August 13, at 7 o'clock P. M. Each member was asked to carry a filled picnic basket for the meal.

It was a gala evening with much laughter. Refreshments were served to the group by the hostesses, Mrs. Carlton Privott and Mrs. Percy Nixon.
