Revival At Whiteville
Will Begin August 4th

The Rev. J. Paul Holoman, pastor of the Whiteville Grove Baptist Church in Perquimans County, announces that revival services will be held in his church beginning Sunday morning, August 4, at 11 o'clock and will continue each night through Saturday, August 10. The visiting preach will be the Rev. L. C. Chandler, pastor of the Macedonia Baptist Church. The public is invited to attend any or all services.

Contract Is Awarded For Water Extension

Continued from Page 1—Section 1 through this section and that there is considerable danger of hitting a child while playing. The speed limit will no doubt be adopted at the next regular meeting of Town Council Tuesday night, August 13.

Another traffic problem was also aired at the meeting. This had to do with heavy trucks using Granville Street from Route 32 to Queen Street. The complaint was registered that the trucks cause vibration in some of the houses along the street and further that the State does not maintain this street as it does Broad and Queen Streets, so that it was the opinion of some of the Councilmen that Edenton is penalized by the heavy trucks using a city-maintained street instead of the route which is maintained by the State.

At a previous meeting, by a split vote, the Councilmen voted to purchase the building now used by Spedic Food Products, located on town property. The building is to be sold by the Albemarle Peanut Company and the Spedic concern has agreed to lease it at a rate which is expected to amortize the investment in about 10 years. Two of the Councilmen J. Clarence Leary and John Mitchener, abstained from voting on the issue. George Alma Byrum and Luther Parks voted against the proposal. Raleigh Hollowell and J. Edwin Bufflap voted in favor of the motion, so that it was a tie vote, which was broken by Mayor Kehayes, who voted to purchase the building at a cost of \$5,000.

At Friday night's meeting a motion was made to table the proposal, but this motion was defeated, so that as the matter now stands the town will buy the building instead of allowing a privately-owned building being located on town property.
