HERE'S WHY THE REVOLVING AGITATOR LAUNDROMAT[®] IS BEST!

Washes Cleaner!
Laundromat has no center post. Clothes go inside Revolving Agitator which lifts and plunges them 50 times a minute; washes all the clothes, constantly. THE SAND TEST PROVES IT!

Rinses Better!
Revolving Agitator lifts clothes while dirty wash water and soil drain away from them, never through them. Center-post agitator machines strain it all back through the clothes. THE SAND TEST PROVES IT!

Cleans Itself!
Because of its patented design, the Laundromat is entirely self-cleaning. Cleans clothes and cleans itself automatically. All soil, sand, lint and scum go down the drain. THE SAND TEST PROVES IT!
