

Edenton Aces Easily Defeat Perquimans Indians 28 To 7

Continued from Page 1—Section 1

The Aces took a more commanding lead, 14-7, about midway of the third quarter when they recovered a Hertford fumble on the Indians' 29. Overton connected with Marvin Ashley for the counter and Overton's kick was good for the extra point, the first extra point the Aces have made this season.

The fourth quarter yielded two more touchdowns. David Fletcher intercepted a pass near the end of the third quarter and with Bruce White and Robert White carrying to the 14 to 4, Bruce White went over for the touchdown. Overton again made the kick good and the score advanced to 21-7. Near the end of the game Edenton got possession of the ball on the Indians' 45. Bobby Ashley, Wilkins and Robert White moved the ball to the 20, and from there they, together with Bruce White and Overton, advanced to the 15. The Indians were penalized to the one-yard line, from where Overton crashed through for the final touchdown.

Bruce White and Robert White, Bobby Ashley, Ted Hardison and Wilkins played especially well on offense, while the entire line, David Fletcher, Charlie Small, Sid White, Frank Johnson, Billy Harry, Donald Roeh, Marvin Ashley and Jack Bunch, played heads up football during the night.

The game was marred by a number of injuries, especially disastrous for the Indians, already handicapped by loss of players. Billy Nixon and Joseph Proctor were taken to the hospital, the former suffering from a concussion of the brain and the latter with a broken leg. Sid White was also taken to the hospital due to a back injury, and may not see action Friday night. Bruce White, the Aces' work horse, lost a tooth and had some others knocked loose, but fortunately his injured leg was none the worse after the game.

The Edenton band paraded up Broad Street prior to the game and provided delightful entertainment on the field at half time.

First Quarter

Hertford won the toss of the coin and elected to receive, and the Indians returned to their own 16. Eure gained six yards and on the next play Tommy Matthews broke through the Edenton line, evaded Edenton tacklers and with perfect interference scampered 79 yards for a touchdown. The extra point was made by plunging through the line, and the Indians were leading 7-0 before the game was hardly a minute old. Jack Bunch returned the Hertford kick to the Aces' 33. Bruce White picked up four yards and Henry Overton then passed to Marvin Ashley for a 12-yard gain and first down on the Edenton 48. Bruce White added 8 yard and Overton then connected with a pass to Bobby Ashley for 23 yards to the Hertford 29 for a first down. Bobby Ashley gained two and on the next play the Aces fumbled with the Indians recovering on their own 30. Eure was held for no gain, Winslow added nine and Tilley was held for about half a yard and Hertford kicked, with Edenton having possession of the ball on the Aces' 22. Bruce White was stopped for no gain. Bobby Ashley got loose for eight yards, Bruce White added a yard

and on fourth down Bruce White crashed through to the 32 for a first down. White then added seven yards and Ted Hardison in a 12-yard sprint went to the 48 for a first down. In three consecutive plays Bruce White bulled his way 16 yards to the Indians' 36 for a first down. In two plays Bobby Ashley gained five yards and Hardison then picked up seven yards making it first down on the Hertford 24. Bruce White in two tries picked up six yards as the quarter ended.

Second Quarter

On the first play Robert White made it to the 12-yard line for a first down. Bruce White added four yards and then Edenton fumbled with Hertford recovering on their own 12. Eure gained six and in two plays Tommy Matthews was held to three yards.

On fourth down Eure crashed through for four yards making it first down on the 25. Matthews picked up two yards and the Indians were penalized 15, putting the ball on the 10. On the next play the Indians fumbled a pitch-out in the end zone and Robert White and Marvin Ashley brought Eure down in the end zone for a safety and two points for the Aces, so the score stood 7-2 in favor of the Indians. Hertford kicked from their own 20-yard line and Roche returned to the Hertford 46. In two plays Bruce White gained six yards, a pass from Overton to Marvin Ashley was no good, but on the next play Overton connected with Ashley which was good for 21 yards and a first down on the 20-yard line. Bruce White then drilled to the 10 for a first down. Bruce White picked up four and Robert White one and a pass was no good. On fourth down Overton passed to Marvin Ashley in the end zone for the Aces' first touchdown. Overton's kick for the extra point was wide and the Aces went in the lead 8-7. On Edenton's kick Matthews returned from the Hertford 8-yard line to the 27. Eure made it to the 37 for a first down. Matthews got loose for eight yards and Winslow made it to the 47 for a first down. Matthews picked up two and Eure got loose to the Edenton 37 for a first down. Matthews gained a yard, a pass netted eight yards and Tilley made it first down to the Edenton 27. Winslow added four yards but the Indians were penalized 15. A pass fell short, and in two plays Eure made it first down on the Edenton 15. Two successive passes failed and Eure gained two yards. Another pass failed and it was the Aces' ball on their own 12 yard line. Bruce White got loose for a 36-yard jaunt as the half ended.

Third Quarter

Hertford kicked to begin the second half and Bruce White returned 12 yards from the goal line. On the first play White tore through the line for 29 yards and first down on the Aces' 41. Robert White gained five yards and Bruce White drilled his way to the Hertford 45 for a first down. In the next two plays he gained nine yards and Overton then broke through for a first down on the Indians' 33. Bruce White added a yard and Robert White crashed through the line for eight yards, after which Bobby Ashley made it to the 22 for a first down. Bruce White was called for the next three plays and added eight yards but on the next play the Aces fumbled and the Indians recovered on their own 17. Eure made a first down to the 28, but

on the next play the Aces recovered a fumble on the 29. Bruce White was held to one yard but on the next play Overton connected with a pass to Marvin Ashley for a touchdown. Overton's extra point was no good, so that the Aces went out in front 14-7. Matthews returned Bobby Ashley's kick from the 12 to the 36 and on the first play Bateman carried to midfield but the Indians were penalized 15 yards. A pass was broken up and after Matthews and Eure gained 23 yards, Hertford kicked. Bobby Ashley uncorked a beautiful return, carrying the ball 49 yards before being hauled down. In two plays Bruce White added eight yards but the Aces were penalized 15 yards. Matthews then intercepted Overton's pass, but the Indians were penalized 15 yards. On the next play David Fletcher snagged a Hertford pass and it was the Aces' ball on the Hertford 14. Bruce White picked up four yards and Robert White one yard as the quarter ended.

Fourth Quarter

With the ball on the Indians' nine-yard line, Bruce White on two successive plays made it first down on the four-yard line, and on the next play found a big hole and raced over the goal line untouched. Henry Overton's kick for the extra point was good, the first extra point the Aces have made this season, so the score stood 21-7 in favor of Edenton. The Indians returned Bobby Ashley's punt to their own 39 and

they were penalized 15 yards. Robert White was at the right place and at the right time to snag a Hertford pass on the Aces' 46. Bruce White picked up four yards and on the next play he slipped and was thrown for a six-yard loss. A pass failed and Overton booted the ball with Matthews returning to the Hertford 39. Matthews was thrown for a two-yard loss, a pass was completed for eight yards and Eure was held to one yard. A pass was broken up and it was Edenton's ball on the Hertford 45. Bobby Ashley picked up four yards and Wilkins four, after which Robert White went to the 20 for a first down. Robert White added one yard, Bruce White four, Bobby Ashley four and Overton then sneaked to the 15 for a first down. The Indians were penalized with the ball put on the one-yard line. Overton lacked only inches of making a touchdown, but on the next play he crashed through for a touchdown and his kick for the extra point was good which put the Aces out in front 28-7. Miller returned Bobby Ashley's kick from the 17 to the 28. In two plays the Indians traveled to the Aces' 46, but on the next play Marvin Ashley intercepted a pass and it was the Aces' ball on their own 23 but Edenton was penalized five yards. Bruce White picked up five yards and Hertford was penalized five yards. Overton then fumbled but recovered and Wilkins gained two yards as the

game ended.

ESPECIALLY FOR PET OWNERS

More than half the veterinarians operating animal hospitals report investing over \$30,000 in establishing facilities for treating sick pets.

Liver Flukes were found in a dog by veterinarians in South Carolina. This parasite is rare in the United States and an article in the Journal of the American Veterinary Medical Association is the first case reported from Georgia.

The skin of an animal frequently indicates its health or lack of it, veterinary authorities say. There are many types of skin diseases, and also skin conditions resulting from internal disease. Pet owners should examine the skin of their animals frequently and report persistent sores or rashes to their veterinarian.

Pet owners who took their animals south during the past summer should be wary of coughing as it may indicate an infection by heartworms. Veterinary diagnosis can determine the correct cause and begin effective treatment of the condition if found early enough.

Puppies three days to two weeks of age may become suddenly ill, breathe rapidly and cry

Come in and "PERFORMANCE TEST" a new

Golden Anniversary INTERNATIONAL

New Golden Anniversary INTERNATIONALS range from Pickups to 33,000 lbs. GVW six-wheelers. Other INTERNATIONALS, to 96,000 lbs. GVW, round out world's most complete line.

Your very first drive in a new Golden Anniversary INTERNATIONAL Truck will sell you on its superior comfort, handling ease and "get up and go."

But just to be sure you are really convinced, we have set up what we call our "Performance Test."

This consists of taking a new Golden Anniversary INTERNATIONAL to places of your own choosing—the most rugged locations you know of—and giving the truck "the works." Take it off the road. See how it performs for you!

And as you test the truck, remember that, over the years, INTERNATIONAL Trucks cost least to own—cost records prove it!

Take our "Performance Test" any time!

from stomach pains, due to abnormal secretion from the dam's mammary glands. Affected puppies may die from 2 to 24 hours after showing the first signs of illness, unless they receive veterinary attention.

CLASSICAL SYMPTOMS OF HOG CHOLERA CHANGING?

An increasing percentage of the cases of hog cholera reported in recent years have failed to show the usual clinical symptoms, according to a report in the Journal of the American Veterinary Medical Association.

In many recent cases cited by field veterinarians, slight restlessness or exceptionally mild nervous reactions were the only signs of illness. Veterinary medical authorities say that for many years, hog cholera usually occurred as an acute disease.

While there were a few sudden deaths in animals that failed to show the usual signs of hog cholera, other animals in the same herd provided the typical symptoms upon which the diagnosis was based, the report said.

Because of the change in the disease, the American Veterinary

Medical Association urges farmers to be more alert than ever for signs of illness in their pigs and to call their veterinarian promptly for an accurate diagnosis.

HOME BUSINESS CENTERS HELP RUN FARM AND HOME

Home business centers are becoming more popular in rural homes these days, because rural men and women are realizing that farming and home making are "big business" and have to be run in a business-like way in order to gain the greatest efficiency and economy of time, money and energy.

Home demonstration club women are doing their part by studying means of setting up home business centers in their home demonstration club meetings.

According to reports from Orange County's home agent, Jessie Trowbridge, some of the men in the county are going to be surprised when they wake up Christmas morning. Instead of socks and ties, they're going to find filing cabinets under the tree.

Or, at least, that's what some of the home demonstration club

members are saying. Miss Trowbridge says that when the women at club meetings last month were asked the question, "Where do you keep your bills, receipts, insurance policies, and other important papers?", the answers ranged from the "cake box" to "a lock box".

In the demonstration that followed, club members were shown how simple business centers could be set up in their homes, whether in the kitchen, family room, or other convenient places.

There are already some outstanding home business centers in Orange County. For example, the Wyatt Phelps family, Cedar Grove, has a built-in business center in their family room. A pull-out lamp is to be installed, and Mrs. Phelps plans to refinish an old chair to use at the center.

Mrs. Wiley Perry, Rt. 2, Mebane, has wanted a new kitchen in place of her long, narrow one for a long time. She now has a dining room-kitchen which leaves the old room from which to make an ideal home business center for Mr. Perry.
