

Edenton Aces Win Regional Championship Over Stubborn Erwin Outfit By Score Of 19-6

Continued from Page 1—Section 1

The Redskins were penalized five yards and Bruce White lacked about a foot of making a first down. Overton then tore loose for nine yards, taking the ball to the Erwin 20. After Bruce White picked up a couple of yards, Robert White, who packs as much power and takes as much punishment per pound as any player on the team, wiggles and dodged Erwin tacklers for 16 yards, taking the ball to the two-yard line. Ashley bucked the line for a yard and an Overton on a quarterback sneak plowed through the line for a touchdown. His kick for the extra point was blocked, but Edenton fans were considerably relieved as the Aces went out in front 13-6.

The Aces put the game on ice late in the game when they matched from their own 12-yard line for pay dirt. The drive was sparked by a thrilling run of 47 yards by Bobby Ashley, eight yards by Bruce White and Robert White adding lesser yardage. Bobby Ashley broke through to score from the 10 but the play was called back due to an Edenton penalty. A pass failed, but on the next play Overton manipulated a deceptive play and passed to Marvin Ashley who was standing alone near the end zone. Overton's kick for the extra point was no good and not enough time remained for Erwin to overcome the lead as the Aces appeared to get stronger and the Erwin boys weaker if anything.

Bobby Ashley, Bruce White, Robert White, Ted Hardison and Henry Overton did a good job of carrying the ball against a stubborn Erwin team, while David Fletcher, Charlie Small, Donald Roche, Sid White and Frank Johnson were stalwarts in halting the advances of Erwin ball carriers and making holes for the Aces' backfield.

The Aces made 12 first downs and gained 197 yards on the ground while Erwin made seven first downs and gained 116 yards rushing. Both teams netted 25 yards by way of the air route.

First Quarter
The Aces received a wobbly Erwin kick and it was Edenton's ball on their own 40. Robert White was held to a yard on the first play, Bobby Ashley picked up five and Henry Overton then drove to the Erwin 49 for a first down. In two plays Ashley was held to five yards, a pass was incomplete and the Aces then fumbled with Erwin recovering on the Edenton 40. McDonald and Tyndall in three plays reached the Edenton 31 for a first down. In three plays Tyndall and Parker gained nine yards and then Parker rammed through to the Aces' seven yard stripe for a first down. In two plays Tyndall added four yards and then cracked the line for the first touchdown of the game. He also plunged through the line for the extra point, but Erwin was off sides and the second attempt by passing was no good, so that Erwin took an early 6-0 lead. Jack Bunch returned the Erwin kick from the 15 to the 36. Robert White and Ashley each gained three yards and Ted Hardison then broke through to the 47 for a first down. Bruce White picked up two yards, Robert White a yard and a pass was incomplete after which the Aces kicked and

Erwin returned to their 24. On the next play Overton recovered an Erwin fumble and it was the Aces' ball on the Erwin 32. Robert White smashed through the line for eight yards and Bruce White added three for a first down to the Erwin 21 as the quarter ended and Erwin leading 6-0.

Second Quarter

Bobby Ashley lost two yards, but Ted Hardison picked up six. Overton then rammed through the line for a first down on the nine, from where Bruce White dragged a couple of Erwin tacklers through the line for the Aces' first touchdown. Jerry Tolley held the ball for Henry Overton who kicked perfectly through the goal posts, so that the Aces led 7-6. Bobby Ashley kicked and it was Erwin's ball on their own 25. Parker made it first down to the 43, but the Aces strengthened and Erwin kicked on fourth down but the Aces fumbled and Erwin recovered on the Aces' 30. Parker and Tyndall were held to four yards and Erwin was penalized five. Charlie Small then threw House for a nine-yard loss, a pass failed to click and Erwin kicked. It was the Aces' ball on their own 21. Ashley gained six and Robert White picked up eight yards to the 35 for a first down. Bruce White lost a yard, Ashley picked up four and a pass was broken up, so that the Aces kicked. It was Erwin's ball on their own 42. House picked up three but Erwin was penalized 15. House and Tyndall gained 13 yards and a pass was completed for nine yards but Erwin was again penalized five, forcing them to punt. Receiving the ball on the Edenton 25, Bobby Ashley, with first class blocking, raced 75 yards for a touchdown but the play was nullified due to a clipping penalty against the Aces. With the ball on the Edenton 15, Bruce White bulldozed his way to the 30 for a first down. However, the Aces then fumbled and Erwin recovered on the Aces' 25. Erwin tried a pass play which was broken up but the officials ruled interference, giving Erwin the ball on the Edenton 10. Another pass was incomplete as the half ended and the Aces leading by the slim margin of 7-6.

Third Quarter

Edenton kicked to start the second half and Erwin returned to their own 36. Two plays netted only two yards, a pass went incomplete so Erwin kicked and the Aces returned to their own 42. Robert White gained three but Bruce White was held for no gain. Overton then connected with a pass to Marvin Ashley good for a first down on the Erwin 45. Robert White was thrown for a five-yard loss, Bruce White gained five, a pass was broken up and Overton kicked in the end zone, so it was Erwin's ball on their 20. Tyndall and House were held to five yards in two plays, Sid White knocked down a pass and Erwin kicked. Bobby Ashley returned from midfield to the Erwin 40, and Erwin was penalized five yards. Bruce White lacked only a foot of making a first down, and Erwin broke up a pass, after which Overton

Erwin returned to the Erwin 20 for a first down. Bruce White was held to two yards, but then Robert White wiggled 16 yards, going to the two-yard line for a first down. Ashley was held to a yard, but Overton then crashed through the line to score the Aces' second touchdown. His kick for the extra point was blocked, so the Aces' fans felt a little safer with a 13-6 lead. On the Aces' kick Tyndall returned to the 45. Parker and Tyndall in two plays gained four yards and a pass to Tyndall was good for a first down on the Aces' 42. Tyndall, Parker and House carried to the Aces' 30 for a first down as the quarter ended and the Aces leading 13-6.

ABUNDANT LIFE

BY ORAL ROBERTS

VICTIM OF CEREBRAL PALSY HEALED

Pity is a beautiful virtue, but compassion is lovelier. Pity extends sympathy and condolence, but compassion wraps her arms around the object.

The priest and the Levite had pity upon the Jew as he lay helpless by the wayside, but compassion came by in the person of the lowly Samaritan. Not satisfied to sympathize from afar, he went down into the ditch; made the dying man's problem his own personal business.

That is what motivates my ministry. I know what it is to be dying by the wayside—I had tuberculosis in both lungs. I know the pity and sympathy of loved ones and friends—but there is one who had compassion for me. He is the same one who had compassion upon a blind man named Bartimaeus, upon a demoniac, a sinking disciple, a weeping widow, a dying thief. When he stopped by me one night and healed me, a compassion for other sufferers filled my soul.

For the past 10 years, a vibrant desire to tell others about him has sent me across this continent and around the world. I've felt the thrill of compassion over and over while ministering to the needy. When I'm able to help through faith and God's power, my soul leaps with me. I too, have been a sufferer. I know the marvelous resources in the touch of the Master's hand.

Let me quote a letter from one who was helped through faith in God: "I took my young

brother broke through to the Erwin 20 for a first down. Bruce White was held to two yards, but then Robert White wiggled 16 yards, going to the two-yard line for a first down. Ashley was held to a yard, but Overton then crashed through the line to score the Aces' second touchdown. His kick for the extra point was blocked, so the Aces' fans felt a little safer with a 13-6 lead. On the Aces' kick Tyndall returned to the 45. Parker and Tyndall in two plays gained four yards and a pass to Tyndall was good for a first down on the Aces' 42. Tyndall, Parker and House carried to the Aces' 30 for a first down as the quarter ended and the Aces leading 13-6.

Fourth Quarter

Tyndall picked up three yards and Erwin fumbled but recovered. Tyndall then got loose for 16 yards and first down. McDonald was held to a yard, Tyndall gained four and McDonald was thrown for a three-yard loss. A pass failed to materialize and the ball went over to the Aces on their own 12. Bruce White gained four yards and Erwin was penalized five yards. Overton then crashed to the 25 for a first down. Robert White picked up four yards and Bruce White was thrown for a yard loss, after which Robert White made it first down to the 35. Bobby Ashley then again thrilled the fans when he scooted 47 yards to the Erwin 18 for a first down. Bruce White gained two yards and Overton four when Bruce White ripped off six yards for a first down to the Erwin six. Robert White was thrown for a four-yard loss and on the next play Ashley rammed over for a touchdown but the play was called back and the Aces penalized five yards. A pass was broken up but on the next play Overton fooled the Erwin team and flipped a pass to Marvin Ashley standing alone near the end

zone for a touchdown which put the game on ice for the Aces. Overton's kick for the extra point was wide and the score stood 19-6 in favor of the Aces. Erwin returned Bobby Ashley's kick to their own 41. A pass was broken up, Tyndall picked up four yards and House was stopped cold, so that Erwin kicked. Bobby Ashley returned the ball from the 21 to the 43 as the game ended with the Aces out in front 19-6.

MORE THAN TWICE AROUND THE WORLD

AND IT DROVE EVERY INCH OF THE WAY!
We knew this car was tough.
We designed it that way.
That's why we weren't afraid to give Plymouth the toughest test run of all time... with all America as the "track."
We didn't coddle this Plymouth. Didn't create it and ship it carefully from place to place. Instead, we aimed it out of Los Angeles one misty morning and sent it through a course that ran 58,000 miles through 37 states.
The time limit? Only 58 days.
A thousand miles a day!
The equivalent of 6 years' driving crammed into little more than 8 weeks!

Three times this Plymouth crossed the Rockies. Three times it wound its way up and down across the country... passing through more than 1200 cities and towns. Whipping over turnpikes... creeping through city traffic... arrowing down super-highways... feeling its way through 500 miles of rutted detours. And when the drivers turned the key to end the marathon, it still looked, ran and rode like new.

This is what lasting value really means. The ability to take everything that American roads and weather can dish out—and come up grinning. Why don't you give Plymouth a test drive yourself—today? You'll see what we mean.

That's the Plymouth "track"... and just look at that route! Every possible road and every condition. Plymouth ran every inch of that murderous route 3 times in just 58 days. What greater proof of lasting, built-in stamina!

Star of the Forward Look... **Plymouth** ahead for keeps!
