A second lieutenant's commission in the Marine Corps Reserve follows the successful completion of this training.

Sgt. Spelce said the 21st officer candidate course will begin January 13, 1958, and have a planned enrollment of 510. The 22nd OCC, with 190 enrollments, is scheduled to start the following March 31.

General requirements for enrollment in the Marine Corps OCC program are: Applicants must be regularly enrolled seniors or graduates of an accredited college or university. New Officers Installed For Fidelis Club

The Fidelis NCO Wives Club held its annual installation dinner for the new officers of the club Tuesday night of this week at 8 o'clock in the game room of the Staff NCO Club. This was a social event for the husbands, too. There were 37 present for the dinner.

The husbands and wives enjoyed a delicious menu which consisted of baked ham, scalloped potatoes, candied yams, toss salad, cole slaw, Waldorf salad, pickles, olives, etc., hot rolls and butter. Coffee, apple and pumpkin pie were served as dessert.

Mrs. I. L. Bestick, chairman, Mrs. H. L. Lemon, Mrs. R. M. Bell, Mrs. J. F. Durrence, Mrs. J. A. Barker and Mrs. S. P. Juds, with the help of all the club members, made the arrangements for the dinner to be a success.

Colonel Frank H. Collins, accompanied by Mrs. Collins, was the guest speaker of the evening. The installation ceremony was very impressive. Mrs. D. F. Richardson, out-going president, congratulated all of the new officers upon which they were elected.

The outgoing officers are: President, Mrs. D. F. Richardson; first vice president, Mrs. V. R. Eddins; secretary, Mrs. J. N. Leech and treasurer, Mrs. C. H. Estes.

'57 Christmas Seals In Mail

Ralph Parrish and Mrs. James Bond, co-chairmen of the Christmas Seal Sale in Chowan County for 1957, announce that 1,500 letters have been mailed this week, and that they earnestly hope these letters will receive careful consideration.

"Every thinking person should stop to remember that there were 1,850 new cases of tuberculosis in North Carolina last year," the chairmen say, "and that 263 persons died of the disease."

Bringing it nearer home, there were five new cases in Chowan County last year and three new cases this year. At present there are seven persons in sanatoriums. The chairmen point out that the tragedy of tuberculosis is that so many people are exposed to it through unsuspected cases.

The National TB Association is working on a vaccine known as BCG to inoculate people against the disease and encouraging reports are coming in from the use of it, but much money is needed to perfect and manufacture enough for national use.

"Stop and consider what has happened to infantile paralysis as the result of research paid for by dimes given by men, women and children all over the nation," say the chairmen, "then send your money to the Christmas Seal Sale."
