**JAPAN'S ROYAL FAMILY**—Relaxing in the garden of the Imperial Palace in Tokyo, Japan's royal family focuses attention on a household pet, held by Prince Yoshi. Standing from left, are Crown Prince Akihito, Princess Suga, Empress Nagako and Emperor Hirohito. The Emperor, a noted biologist, prefers his garden to be left natural and untrimmed.

White, Mattie Jordan, Maggie Reddick, Vaola Rountree and Annie Overton. John Overton, W. H. Sawyer, Andrew Littlejohn, W. R. Brothers, Benny Newby and L. B. Long.

The garden contest was planned to create interest in having more and better gardens. Now is the time to start the vegetable garden. A vegetable garden will:

1. Save you money. Returns from the garden plot, or an area-for-area basis, are higher than practically any other crop grown.
2. Furnish you better quality vegetables. Garden fresh vegetables taste better and are better for you than those from the market.
3. Cause you to eat more vegetables. Regardless of income, people eat more vegetables when home grown than when bought.
4. Provide valuable training ground for children. Every child should help grow a garden. It gives him a good background for future use.
5. Provide a hobby. Especially for the person doing non-farm work.
6. Provide you with better health. Vegetables are among Nature's best foods. They furnish valuable material for building and regulating the body and maintaining health and growth.

## Music School Is Held At Hertford

Eight home demonstration club members and the home agent represented Chowan County at a district music school held in Hertford on Tuesday. Miss Doris Kimmell from the Music Department of the State Department of Public Instruction, conducted the meeting. Mrs. C. W. Overman of Chowan County, Eastern District music chairman, assisted her.

During the all-day meeting Miss Kimmell taught the group of club music leaders songs in the new yearbooks which will be used in club meetings throughout this year. Several ministers present led in group singing of religious and old-fashioned selections during the morning session.

Approximately 35 persons representing nine counties attended the meeting. Those from Chowan County were Mrs. B. P. Monds, Center Hill Club; Mrs. Paul Ober and Mrs. Lester Harrell, Beech Fork Club; Mrs. Gilbert Harrell and Mrs. J. C. Skinner, Advance Club; Mrs. C. Copeland, Ryland Club; Mrs. Roland Evans, Chowan Club; Mrs. C. W. Overman, Byrd Club and Miss Maudred Morris, home agent.

This is the club's birthday month. The social night, February 17, is being set aside for a celebration. Everyone enjoyed delicious refreshments served by Mrs. R. M. Bell and Mrs. J. P. Brennan. The refreshment table was decorated very pretty centered with a dish garden and candles. Coffee and cherry shortcake topped with ice cream were served.

Blackout ends is one way to go out like a light.

The Home Demonstration County Council and Agricultural Advisory Committee met Saturday to make goals we wish to accomplish this year on objectives already made by the Agricultural Workers Council. Goals made:

1. On family food supply each neighborhood will carry out a garden contest. A county-wide garden tour will be held in June. Rules on this will be explained in all meetings in February.
