A Note About Your Friendly RED & WHITE Food Store Owner-
 He's the fellow you see every day of the week. He might live just down the street from you. He may attend your church. He sends his children to the same school yours attend and he is, by virtue of being a local citizen, vitally interested in the welfare of his community—your community. In a sense, that is one reason why he joined the Red and White organization, with its 7,200 independently owned stores throughout 44 states and Canada—to better serve his community. By joining Red and White he can give you the benefit of better prices, fresher merchandise, higher quality throughout the store. You'll find his prices as good as the best and better than the rest. Plan to attend the Grand Opening Thursday, Friday and Saturday and register for the free prizes to be given away!
