GUM POND CLUB MEETS
The Gum Pond Home Demonstration Club met in May with Mrs. Clarence Bass and Miss Ila Bass. There were 11 members present. The club was happy to have two 4-H girls, Judy Haste and Betty Jean Smith, give their dairy foods demonstration.

Miss Mairdred Morris helped the club members work on a frozen food crossword puzzle. Outdoor meals was the demonstration topic this month. Now that warm weather is here everyone thinks of getting outside to eat. "Food just tastes better outside," said Miss Morris. "When planning your outside meal always be sure to include the basic seven foods. To enjoy outside meals does not always mean you have to cook outside. Your meal may be completely prepared in the kitchen then served outside in a nice shady spot."

Always remember that raw meats must be kept cold, sandwiches must not become soggy, raw vegetables must stay crisp, and cook-

ies shouldn't crumble when you go on a picnic.
The group was delighted to have Mrs. Yates Parrish as a visitor at the meeting.
Mrs. Ward served date cake and nuts following the meeting.
It is another's fault if he be not grateful; but it is mine if I do not give. —Seneca.
