

Baptists Appoint Rev. And Mrs. Ralph W. Harrell To Serve As Missionary Team In East Africa

The Rev. and Mrs. Ralph W. Harrell of Louisville, Ky., were appointed missionaries to East Africa at the recent Baptist Assembly in Ridgecrest, N. C. Their appointments were among 19 made by the Southern Baptist Foreign Mission Board at a special meeting which opened the week-long Foreign Missions Conference.

A native of Chowan County, Mr. Harrell is the son of Mrs. Webb W. Harrell of Route 3, Edenton. He received the bachelor of arts degree from Wake Forest College, and the bachelor of divinity degree from Southern Baptist Theological Seminary, Louisville.

He is pastor of Clifton Heights Baptist Church, Louisville, where he has served since February, 1955. He had formerly served the church as choir director and youth worker. He has also been pastor of New Liberty Baptist Church, Henryville, Ind., and assistant pastor and educational director of First Baptist Church, Hamlet, N. C. He worked with the Sunday School department of the North Carolina Baptist Convention for two summers.

Mr. Harrell said there were many influences which brought him to the decision that God wanted him in foreign mission service. "In the study of the Bible I was able to see the missionary message and purpose," he said. "In my friendship with missionaries I became aware of the increasing need for more workers overseas. Through chapel speakers I came face to face with the responsibility of more ministers to answer the call to serve on the foreign mission field."

Last fall Mr. Harrell heard a sermon pointing out how few missionaries there are abroad and how many Southern Baptist pastors there are in the States. The preacher posed the problem of 10 men trying to lift a log, nine on one end and one on the other. He asked, "If you wanted to help, which end would you help lift?"

"I had heard challenges of a similar nature many times before," Mr. Harrell said, "but this time I felt that God was speaking to me personally. I offered myself for missionary appointment."

Mrs. Harrell, the former Rosalind Knott of Granville County, is the twin of Mrs. Hugh T. McKinley, who was recently appointed a Southern Baptist missionary to Spain. She received the bachelor of arts degree from Meredith College, Raleigh, and attended Woman's Missionary Union Training School (now Carver School of Missions and Social Work), Louisville, and Southern Seminary.

She taught eighth grade in the public schools of Rockingham, N. C., for a year and substituted in the Louisville junior and

senior high schools for two years. She has also done summer work with the Sunday School Department of the North Carolina Baptist Convention.

Mrs. Harrell said that when she accepted Christ as her Saviour at the age of nine she realized that she should serve Him. During the following years she came to feel that her place of service was the foreign mission field.

Mr. and Mrs. Harrell have two children, Ralph Stephen, four and a half, and Beverly Jean, one.

The 19 young people appointed for overseas service at the June meeting of the Board bring the total number of active Southern Baptist foreign missionaries to 1,233.

Roads To Harvey Point Promised

Mr. Babcock stated that the new roads will be constructed with some type of limited access, but that specific design and location characteristics will depend upon aerial photographs and ground surveys.

At present the bridge at Hertford prevents passage of heavy loads over the Hertford-Harvey Point road, so that access to the base must be made over the road leading from U. S. 17 through Bethel. Load limit restrictions on this road were recently lifted although highway officials are of the opinion that the road will not stand up and that repairs will be necessary until adequate roads are ready for use.

It was pointed out to highway officials that the Navy Department plans to spend from 40 to 50 million dollars on the Harvey Point base and Lieut. Comdr. Donald F. Dalton, resident officer in charge of construction at the base, said about 11 million dollars in construction contracts have already been awarded and that others will be let later in the year.

Comdr. Dalton also intimated that there is a possibility of a Capehart housing project in the vicinity of Light Nixon Fork. He pointed out that probably as many as 2,500 military personnel will be stationed at the base and that eventually about 7,000 persons will depend upon the base.

The Chicago Bears in the National Professional Football League. He has been selected for several successive seasons to the all-professional defensive unit. While a student at Wake Forest he was selected as All-Southern Conference tackle. While a high school student George participated in wrestling and won the Southern Conference championship. He has also done some professional wrestling.

Mr. George will continue playing professional football, but plans to be in Edenton when not playing or training for the football season. He was in Edenton over the week-end to participate in the purchase negotiations, but left to get ready for football training in the near future. He was accompanied by his wife Lucy and his six-months-old son, Leo. At the completion of his professional football career he and his family plan to live in Edenton where he will take an active part in operation of the automobile agency, which has been changed from BBH Motor Company to George Chevrolet Company, Inc.

Nick George has been a very popular member of the Edenton

Junior-Senior High School faculty, where he taught science. He also taught several years at Chowan High School before coming to Edenton to teach.

He came to Chowan County from Waynesburg, Pennsylvania, while serving in the Marine Corps during World War II. He is now a major in the U. S. Marine Corps Reserve. When a student at Waynesburg College in Pennsylvania, Nick was selected on the All-Pennsylvania and Little America football teams. He has resigned his position as high school teacher and will devote his full time to the Chevrolet agency.

Mr. George married the former Miss Mary Esther Belch, who will serve as secretary-treasurer. Nick George will be president and Bill George vice president. West Byrum, Jr., has been added to the staff of Chevrolet salesmen.

The new owners solicit the patronage of former customers and extend a cordial invitation to the general public to visit the concern on North Broad Street.

RED MEN MEETING

it is now a debt management program, assisting to stabilize the purchasing power of the dollar by getting more of the national debt into the hands of individuals instead of in banks and other financial institutions. "Ownership of the national debt by individuals is sound financing," said Hawkins.

Hawkins praised the part that volunteers—individuals as well as organizations—have played over the 17-year history of the program. He was particularly laudatory with praise for the banks of the state and nation "for their unselfish, patriotic" handling of the program.

The visitor from Raleigh also paid tribute to newspapers, radio, television and industry for "a yeoman's job of support" to this American of all American programs—because it is voluntary.

Benevolence is the distinguishing characteristic of man. As embodied in man's conduct, it is called the path of duty. —Mencius.

HOW VALUABLE

Is Local Newspaper Advertising To Local Business People?

HERE'S WHAT AMERICAN BANKER'S MAGAZINE HAS TO SAY:

"No business man or woman in any town should allow a newspaper to go to press without his or her name and business being mentioned somewhere in its columns.

"A stranger picking up a newspaper should be able to tell what business is represented in a town . . . it's the best possible town advertiser. A man or woman who does not advertise, does an injustice to himself and definitely to the town."
