Winners Are Named For Fifth Week-Of Local Fishing Contest

One-pound bream are being pulled out of the creeks in this area regularly to capture the weekly prize in the Chamber of Commerce fishing contest, Chairman Scott Harrell of the tourist and recreation committee reported.

M. P. Bond of Edenton took the week's bream award with a sixteen ounce beauty he caught in Rocky Hock Creek on worms. A one-pound entry also took last week's award.

The largemouth bass prize went to Durwood Bateman of Ithaca, N. Y., for a five pound, fourteen ounce entry. He fished in Chohan River using a plastic worm.

A nice fifteen ounce white perch caught by Kessler Phillips of Edenton was top winner in this division. Phillips used shrimp, casting in Albemarle Sound.

Henry Wells also of Edenton hooked a two and a half pound rockfish in Edenton Bay on a spoon to take the award for rock.

Chairman Harrell said that entries were off slightly this week due to muddy conditions. He added, however, that the waters are clearing rapidly. There were several entries where the fish were caught outside the contest limits. To be officially recognized, Harrell said that all entries must be caught in waters adjacent to Chowan County.

One sportsman wanted to submit a photograph of his specimen and do his own weighing! All entries must be made in person at one of the five official weighing stations, Harrell added.

Goodwin Wins Over Bunch For Sheriff

Continued from Page 1—Section 1
for Goodwin and 288 for Bunch, a 62 vote majority. Rocky Hock gave Goodwin a majority of 58, with 136 votes going to Goodwin and 78 for Bunch.

In the first primary election Bunch led Goodwin by 70 votes, 1,006 to 936, with 83 votes going to Herman White. Bunch lacked only 14 votes of having a majority of the votes.

While the Sheriff's race was reversed from the first primary election, the same situation did not prevail for County Commissioner from the Fourth Township, Dallas Jethro, Jr., led the ticket in the May election with three candidates in the field with 51 votes. Benbury Wood received 39 votes and Joe Webb, Jr., 33.

Saturday's election was very close for the Commissioners' post with Jethro winning out over Wood by only six votes. Jethro received 64 votes and Wood 58. Jethro will, therefore, replace Joe Webb, Sr., on the Board of County Commissioners. Mr. Webb, oldest member on the Board in both years and service, has been the Fourth Township's representative on the Board of County Commissioners for 38 years. He declined to seek reelection.

TWENTY-ONE YEARS LATER—On Aug. 22, 1851, the schooner "America" defeated yachts from all nations in a race around the Isle of Wight to take a British silver cup valued at 100 pounds. The owner of the yacht presented the cup to the New York Yacht Club which put it up as the prize in the America's Cup Race, a two-boat, 30-mile race off Newport, R.I. The British tried repeatedly and unsuccessfully to win the cup back until the competition was discontinued in 1937. Now, 21 years later, she will try again, with a new, streamlined yacht, the "Sceptre." Seeking to race with her in September are a number of U.S. boats, including the "Vim," shown above off Newport. The 19-year-old craft will race against other U.S. 12-meter boats in elimination races.
